One Assurance Was Out of Compliance in the 2020-2021 School Year: 581-022-2100 Administration of State Assessments

<p>581-022-2100 Administration of State Assessments</p>	<p>Out of compliance</p>	<p>The Reynolds School Board reviewed, discussed, and voted to adopt the RSD state assessment resolution 2020-21-029 at the April 28, 2021 school board business meeting. The final resolution states "the Reynolds School District Governing Board directs Reynolds School District to administer the 2020-2021 Oregon State Assessment System: English Language Arts, Mathematics, or other state-mandated tests only to those students who request it, and/or to any students whose parent/guardian requests it." This means that students and parents were given the choice to participate in the Oregon State Assessments of English Language Arts (ELA), Math, and Science in 2020-21. The tests will be available "on-site" at your child's school and will take approximately one hour for each content area. During any testing opportunity offered, we will make every effort to safeguard the health of all involved.</p>	<p>Proposed Corrective Action: During the 2021-2022 school year, Reynolds School District has developed a comprehensive Assessment Guidance Document and Calendar that notifies all certified staff and administrators the testing window for the Oregon Statewide Assessment System: English Language Arts, Mathematics, or other state-mandated tests. The Director of Assessment and System Improvement and the District Test Coordinator have developed a training plan to make sure that all School Test Coordinators (STCs) and Test Administrators (TAs) will be trained appropriately using the Oregon Department of Education (ODE) Test Administration manuals and modules. Each STC is being required submit a test calendar to both the Director of Assessment and the District Test Coordinator at least two weeks before they start testing, in order to know when each grade level is being assessed, as well as which assessment is being administered.</p>
---	---------------------------------	--	---

- Corrective Action Verification Status was sent to the Oregon Department of Education (ODE) On September 14, 2022.
- The Corrective Action Verification was Approved by ODE on September 14, 2022.
- Reynolds School District is no longer out of Compliance for this Division 22 Assurance.
