

August 2018

Dear Wilkes community,

We're looking forward to school starting in the new building! All major parts of the school, including building interiors and the playground, will be complete when students return. Finishing construction work is still taking place in some areas.

Pick-up/drop-off locations

Parent pick-up and drop-off will be located off Wilkes Road. Buses will load along 169th Avenue. See diagram to the right.

We did it together

Thank you for your patience during construction and supporting the bond measure that made these projects possible. We look forward to welcoming you to the new school!
