

## **Summary Report: 2013-2014**

### Use of Physical Restraint and Seclusion at Four Corners in Reynolds School District

**581-021-0559**

#### **Reporting Requirements for the Use of Physical Restraint & Seclusion**

(1) Each entity that has jurisdiction over a public education program must prepare an annual report detailing the use of physical restraint and seclusion for the preceding school year, including, at a minimum:

- (a) The total number of incidents involving physical restraint;
- (b) The total number of incidents involving seclusion;
- (c) The total number of seclusions in a locked room;
- (d) The total number of students placed in physical restraint;
- (e) The total number of students placed in seclusion;
- (f) The total number of incidents that resulted in injuries or death to students or personnel as a result of the use of physical restraint or seclusion;
- (g) The number of students who were placed in physical restraint or seclusion more than 10 times in the course of a school year and an explanation of what steps have been taken by the public education program to decrease the use of physical restraint and seclusion for each student;
- (h) The number of incidents in which the personnel of the public education program administering physical restraint or seclusion were not trained; and
- (i) The demographic characteristics of all students upon whom physical restraint or seclusion was imposed, including race, ethnicity, gender, disability status, migrant status, English proficiency, and status as economically disadvantaged, unless the demographic information would reveal personally identifiable information about an individual student.

(2) Each entity that has jurisdiction over a public education program shall make its annual report about physical restraint and seclusion available to:

- (a) The public at the entity's main office and the website of the entity; and
- (b) The school board or governing body overseeing the entity;
- (c) If the entity is an education service district, the component school districts of the education service district;
- (d) If the entity is a public charter school, the sponsor of the public charter school;
- (e) Parents and guardians of students in a public education program, who shall be advised at least once each school year about how to access the report.

## **Summary Report: 2013-2014**

### Use of Physical Restraint and Seclusion at Four Corners in Reynolds School District

Stat. Auth.: ORS. 326.051

Stats. Implemented: Ch. 665, OL 2011 (Enrolled House Bill 2939)

Hist.: ODE 12-2012, f. 3-30-12, cert. ef. 5-1-12

**Definitions:** As used in OAR 581-021-0550 to 581-021-0566:

“Physical restraint” means the restriction of a student's movement by one or more persons holding the student or applying physical pressure upon the student.

“Seclusion” means the involuntary confinement of a student alone in a room from which the student is physically prevented from leaving.

Physical restraint or seclusion may be used on a student in a public education program only if:

- (A) The student's behavior imposes a reasonable threat of imminent, serious bodily injury to the student or others; and,
- (B) Less restrictive interventions would not be effective.
