

The 2017-18 School Starting and Ending Times are changing. We know time changes affect everyone so we are communicating this at the earliest possible opportunity. The main reason for the change is to assure students are at school in time to eat breakfast before school. Traffic patterns have changed in the region and route adjustments were necessary to get students to school on time. The new schedule will reduce the number of routes necessary to transport students.

Late starts will be held every Monday with bus pick up and school start times beginning 1 hour and 10 minutes later, allowing teachers in the same feeder school structure to meet together to improve instruction and learning for students. Data from 2016-17 shows that attendance has improved and tardies have decreased on Mondays.
