

## Memorandum of Agreement

The following Memorandum of Agreement shall be between the Reynolds School District (District) and the Oregon School Employees Association (OSEA) to modify the collectively bargained agreement for the 2017-2018 work year and compensation.

WHEREAS, the District and OSEA recognize a budget shortfall facing the District for the 2017-19 biennium; and

WHEREAS, the parties share a mutual interest in limiting, to the degree possible, the negative impacts related to reductions in force and programs for students;

THEREFORE, the District and OSEA agree to the following:

1. The District may reduce the 2017-2018 employee work year by up to five (5) days. The potential five (5) days that may be cut are as follows:
  - a. Wednesday, November 22, 2017
  - b. Tuesday, January 2, 2018
  - c. Friday, March 23, 2018
  - d. Friday, June 15, 2018
  - e. Monday, June 18, 2018

Any days to be added back shall be added back in the following order:

- a. Tuesday, January 2, 2018
  - b. Friday, March 23, 2018
  - c. Wednesday, November 22, 2017
  - d. Friday, June 15, 2018
  - e. Monday, June 18, 2018
2. Staff shall be notified of the specific number and timing of work days to be reduced within one week following the signing of this MOA.
  3. All OSEA unit members shall have their salaries/pay reduced by an amount proportionate to the number of days reduced with a maximum possible reduction of five (5) days; i.e., an employee on a ten-month, 182 Day work calendar will have their pay reduced by 1/182nd for each day that is eliminated, with a maximum possible reduction of five (5) days.

- 1 4. All OSEA unit members shall have their salaries/pay increased by an amount  
2 proportionate to the wage and benefit increase that the Administrator Contract  
3 provides for the 2017-2018 fiscal year.  
4
- 5 5. The Reynolds School District recognizes the importance of restoring these five (5)  
6 proposed cut days and therefore is committed to restoring one (1) day for each  
7 \$500,000 in additional revenue above projected amounts, net of charter school pass  
8 through dollars that the District receives from the state school fund allotment. If the  
9 Reynolds state school fund "General Purpose Grant" as identified on the latest 2017-  
10 2018 State School Fund Estimate prior to January 1, 2018, exceeds \$116,468,156,  
11 then for each additional \$500,000, net of charter school pass through dollars, the  
12 District shall restore one (1) day.  
13
- 14 6. All other terms and conditions of the collective bargaining agreement shall remain  
15 subject to bargaining pursuant to the current successor bargaining that the parties  
16 are engaged in.
