Representatives from the District and the Association will work together to resolve site-specific concerns about quality of program, consistency of program, preparation time, and coverage of preparation time.

Classroom Teachers grades 6-12 — one (1) class period section per day average for a “traditional” schedule. This period must be within the regularly scheduled classroom instruction time within a building. Specialists, including counselors, shall be provided with an equivalent total amount of preparation time within their schedules during which they will have no assigned student contact responsibilities. The scheduling of these preparation periods shall be mutually agreed upon by the unit member and the building administrator.

Preps for a secondary block schedule (A/B days) shall include one full block (sometimes referred to as a double period) on either the A or B day. On the other day, as much as half of the period may be assigned for other district or school needs (i.e. team prep, student supervision, etc.).

Prior to the start of school each year, the building administrator shall gather input from the counselor(s) assigned to the building prior to determining the counselor’s schedule for the year.

In the event a building administrator, after meeting with a representative(s) of the Association (per Section B.2.), requires a

6. Initial schedules (including staff start and stop times, student arrival and departure times, teacher transition and relief times, and teacher preparation times) shall be provided to ~~employees~~ unit members prior to the first student contact day of each school year. This schedule will ensure that members have this opportunity at least once within a four-(4) hour period. The Association shall be provided copies of the building schedules by the second week of school.
7. ~~Teachers~~ Unit members who assume the responsibility for setting their own schedules or for designing a program must receive District approval each school year for the schedule or program design. 3. ~~This is unique to the high school (grades 9-12) and any changes proposed by the District to the middle or elementary levels must first be negotiated with the Association.~~

DC. Number of Preparations

The District shall, whenever possible, without having to reduce a teacher's contracted number of periods, assign middle school and high school teachers to no more than three (3) different subject preparations.

A subject is defined as a specific course which requires a curriculum designed to meet the needs of the students enrolled in that class (i.e. English 9, English 11 and English 12 at the high school level and Advanced Math 7, General Math 7 and Remedial Math 7 at the middle school level). The District will only consider scheduling a teacher for more than three subject preparations after other reasonable options have been exhausted.
