Credit above these twelve (12) years, or credit granted for prior and related work experience will be based upon administrative judgment at the time of hiring. The District shall notify the Association when such credit is granted.

Should the State of Oregon allow licensure of employees unit members who have not completed a traditional teacher licensing program, or the hiring of non-licensed employees unit members to fill positions traditionally held by licensed employees unit members, the District and the Association shall meet to establish procedures for salary schedule placement for such employees unit members.

L. Extra Duty Compensation

The determination of the number of extended duty compensation positions to be made available each school year, the job content and duration of the positions offered, and the selection and retention of personnel to be offered these extended duty assignments, rests solely with the District. However, should the district change the job content or duration of the positions, the compensation for such positions shall be negotiated with the Association.

1. There shall be a three (3) step schedule based on the Bachelor's beginning step, BA plus three years' experience step, and the BA plus six years' experience step.
 - a. BA+3 step: This provides for an increase in compensation in the fourth year of coaching a particular activity.
 - b. BA+6 step: Provides a longevity incentive to attract and keep good coaches active in the District programs.
2. The District may grant, at its discretion, up to five (5) years for transfer into the District if the individual has the experience and recommendations to warrant such credit.
3. In-district coaches may advance on the salary schedule when they accept a more important assignment (e.g., assistant coach to head coach) on the following basis:
 - a. For each two (2) years' experience they will be allowed one (1) year toward salary advancement.
 - b. The same maximum would apply as is allowed for personnel new to the District.
 - c. The only exception to the above would be that no coach will take a cut in salary in moving to the new assignment, as long as that assignment is paid at the higher percentage of the base salary.

4. It is agreed that these evaluations are separate from the teaching evaluations and only where the responsibility is an extension of the teaching assignment (such as music) will the extra-duty evaluation be reflected in the individual teacher's evaluation.
5. Extra duty assignments and supervision of unit members shall be handled in the following manner:
 - a. All extra duty assignments are offered on a year-to-year basis with the exception of head coaches and lead advisor positions of OSAA-sanctioned athletics and activities, or positions that are an extension of the teaching assignment.
 - b. Unit members as described above, will be evaluated on an annual basis and serve a three- (3) year probationary period. A unit member may be removed from an extra-duty assignment at any time during the probationary period. The unit member shall have the right to Association representation during any meeting which may result in removal from the extra-duty assignment.
 - c. It is the responsibility of the building administrator to complete the final evaluation of all extra duty assignments that meet the criteria stated above (a., b.).
 - d. At the point the administrator determines that a non-probationary unit member in an extra duty assignment is not meeting District and/or building performance expectations, s/he may be placed "on-notice". "On-notice" placement shall be accompanied by a written assessment stating the area(s) of deficiency, steps necessary for improvement, and a reasonable timeline for improvement. The unit member shall have the right to Association representation throughout the "on-notice" placement.
 - e. A non-probationary unit member failing to adequately meet District and/or building expectations as outlined in the "on notice" placement may be removed from his/her extra duty position. **A non-probationary unit member who engages in serious misconduct, such as misconduct that impacts student safety, may be removed from his/her extra duty position without being placed "on notice."**

6. All unit members assigned extra duties (for which compensation is paid) shall receive an addendum prior to the commencement of that activity including salary to be paid.
7. Salaries for any extra-duty position created during the term of this Agreement shall be negotiated with the Association.
8. The Association and the District shall form a joint committee to determine compensation for duties typically assigned to department heads in the past.
9. Coaches whose teams advance to post-season playoff games shall have the additional days pro-rated and paid using their current coaching daily rate as the basis for such pay.
