

## How to start using the T-Mobile hotspot from Reynolds School District (version 1)

1. Plug the charger into the wall.

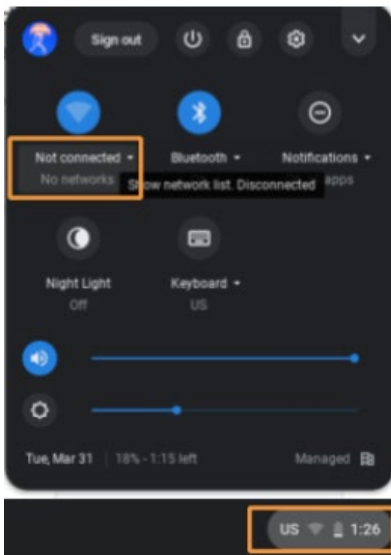

2. Plug the charging cable into the charging port on the hotspot.

3. To turn on the hotspot, press and hold the power button for 3 seconds until the screen displays "Welcome".

4. Once you see T-mobile on the screen, tap the power button twice to see the wi-fi name.

5. Tap the power button again to see the password.

### How to connect a Chromebook to the hotspot

In the bottom right corner, click on the time.

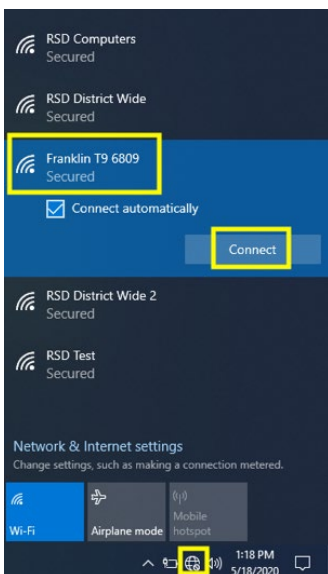

Select "Not connected".

Click on the wi-fi name that you found in step 4. It should be something like "Franklin T9 1234".

Enter the password that you found in step 5.

Click on "Connect".

The Chromebook is now connected!

### How to connect a Windows laptop to the hotspot

In the bottom right corner, click on the globe icon.

Click on the wi-fi name that you found in step 4. It should be something like "Franklin T9 1234".

Click on "Connect".

Enter the password that you found in step 5.

Click on "Next".

Click "Yes" if it asks "Do you want to allow your PC to be discoverable by other PCs and devices on this network?"

The Windows laptop is now connected!
