

Schoolology Login Directions - Teacher

Schoolology – *Learning Management System (Workflow, Assessment, and Mastery)*
(Accounts are automatically created for all staff)

Web Browser:

(This can be done on any computer, or mobile device in the native web browser)

Go to the secure RSD website:

From the Reynolds School District website, click on students, then Schoolology. You can also type this site directly into your browser: reynolds.schoolology.com (no www.)

Credentials:

Username: Username – ***not your email***

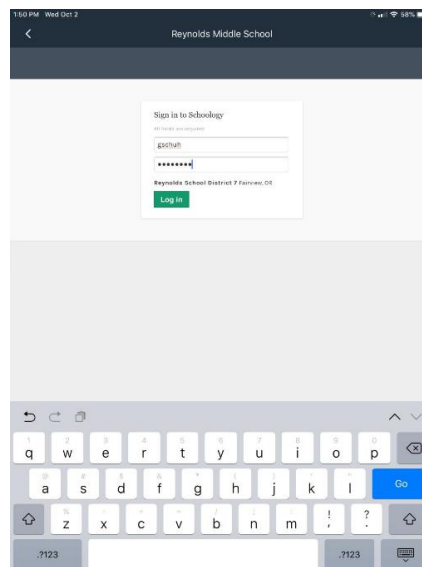

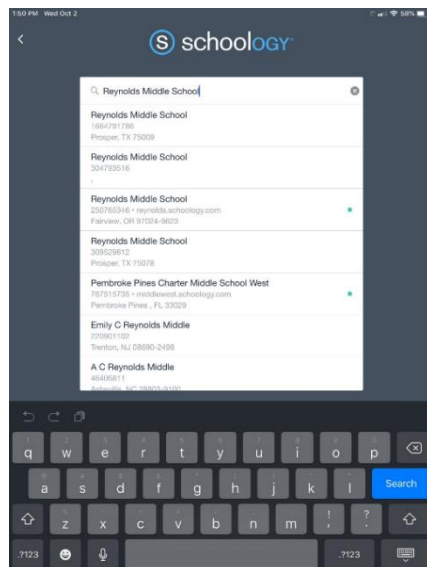

Password: Your new password

*Note: Your district computer login and email/Office365 login are currently your old login – those weren't changed.
Schoolology and Synergy require your new passwords.*

Mobile App: (iPad, Chromebook, phones, etc.) – *Note: Use Safari on older iPads.*

1. Open the app
2. Search for your school, select the correct one (there may be more than one school with the same name, so be sure you select the one you work at)

Note: if you recently switched buildings, you may need to search your prior building

3. Enter your login credentials as you would do logging in through the website.
