

February 13, 2012 Memorandum of Agreement

The Reynolds School District agrees to continue the current scheduling of preparation time for all secondary licensed staff for the duration of a new 2012-2014 contract between the District and the Reynolds Education Association.

For the purposes of this Memorandum of Agreement, the “current scheduling of preparation time” would include time “within the regularly scheduled classroom instruction time within a building” in former Article 9 Section B of the expired 2009-2011 Collective Bargaining Agreement between the parties.
