April 2014

Dear Valued Business Member:

As the 2014 football season approaches, our Football Program is looking to establish some new partnerships with successful businesses in our community. As we enter a new season, we are continuing to build up the program, and are looking at mutually beneficial opportunities that will allow the Raiders to raise money for the upcoming season.

On Saturday, June 21st, our Football Program will be hosting a Golf Tournament at Glenoveer Golf Course. I am asking select local businesses, including yours, if you would be willing to be a sponsor at our tournament. There are several opportunities, at various commitment levels. With this investment, your logo would be placed on select tournament advertising to show your support of our program, and serve as a reminder to everyone who sees it that your company is proud to support the Reynolds Raiders. Funds raised will go to supply our players with safety and training gear, training opportunities, scholarships for various football programs and will help replace some older equipment. *A Sponsorship Matrix sheet is attached for your consideration.*

High School athletic participation is very important to the development of our young people and our goal is to try to provide the most enriching experience possible for all our participating athletes. By helping us provide this experience, you join the Reynolds Raider Family in supporting our local youth and giving back to the community. In turn, the community will have a wide spread reminder of exactly who supports their young adults. I look forward to speaking with you.

In Appreciation,

Dustin Janz
