RE: General Contractor Prequalification

Dear Sir or Madam,

The Reynolds School District has reviewed your applications for General Contractor Prequalification, and finds your firms very qualified to participate in their HB Lee Middle School HVAC Upgrade. We welcome your participation to bid on our project.

We have moved our schedule up slightly to provide as much time for construction as possible, and now anticipate advertising for bid this Thursday, June 9, 2016. Please refer to the attached HB Lee Middle School project schedule. The project manual in the Advertisement for Bids will identify your firms as the approved General Contractors to receive subcontractor's bids on this project.

We look forward to your participation, and potentially working with you on the HB Lee Middle School HVAC Upgrades.

Thank you again for your assistance with our project, and good luck!

Sincerely yours,

Bob Collins/PMP, CCM,
Sr. Project Manager
Day CPM Services

Attachment: Project Schedule, June 4, 2016
