

## e-Link

e-Link is an easy to use web-based application that will allow you to look up bus route information via the Internet. You can look up your student's bus information, or if you recently moved you may look up information by inserting your address located within Reynolds School District boundary. e-Link is updated regularly allowing you to get the most accurate information throughout the school year.

e-Link Instructions – Below are instructions for the use of e-Link. We have provided helpful and specific instructions to follow when searching for student info. Please, review these instructions before using e-Link to help ensure a successful experience.
