

Request for Proposal  
2022 E-Rate RSD7 Cat 6 Station Cable – Fiber – Wireless APs

Q: It does not appear that the new R560 AP pricing is available. I will be required to no-bid the RFP with a Feb 3 due date. Would RSD consider extending the RFP due date 60 days so pricing can be provided?

A: We confirmed Ruckus is able to provide pricing on the R560 model. Reach out to your Ruckus rep and let us know if you have any additional questions. We will not be extending the RFP deadline.
