Reynolds School Board met for the regular work session on December 9, 2020 through a public virtual meeting. The agenda included a presentation from the Superintendent of Schools and the Director of Financial Services to review the results from various community input sessions for Board discussion of budget priorities for the 2021-22 school year. Summary results were presented to the Board and key themes from that input were determined. The Board deliberated all community and staff input themes and then prioritized the themes to give the administration guidance for development of the 2021-22 budget.

Discussion:

Each summarized theme was categorized into one or more of the Strategic Plan Goal Topics to ensure prioritized themes are aligned with the Reynolds School District Strategic Plan.

During this discussion, key considerations for budget priorities based on community and staff input were evaluated. After careful discussion, the Board voted to add one category, Additional Academic Supports, to reflect the need to budget for supports focused on learning loss during closures, specifically for our most impacted students.

Strategic Plan Goal Topics

- Goal Topic #1: Marginalized Students
- Goal Topic #2: Culturally Responsive Instruction
- Goal Topic #3: Student and Staff Wellness
- Goal Topic #4: Professional Development

Prioritization of Budget Themes:

Board members were advised by the Director of Financial Services that the 2021-2022 was expected to be a constraint budget due to anticipated level funding from the previous year, while accounting for increased overhead and staffing costs. Understanding that all the identified budget themes hold priority, the board was advised that it was important to identify the highest priority themes while in a constraint budget to give guidance in developing the budget.

Individual board members were asked to identify their top three priorities for funding for the 2021-2022 school year while in a constraint budget. Results were tabulated to determine which themes were identified the most. After careful review and discussion, the Board determined the following budget themes should be used by administration in developing the 2021-22 Reynolds School District budget.
