RE: RFQ for A&E Services for RHS & District Wide Secure Vestibules

Reynolds School District has concluded the Qualification process for "Request for Qualifications Architecture/Engineering Services Reynolds HS Additions & Secure Entrances District Wide". The Selection Committee has ranked the top three proposers in this order:

Oh Planning & Design
DOWA-IBI Group
BLRB Architects

Per ORS 125 Division 249, Reynolds School District shall direct negotiations toward obtaining a written agreement on:

- (A) The Consultant's performance obligations and performance schedule;
- (B) Payment methodology and a maximum amount payable to the Consultant for the Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services required under the Contract that is fair and reasonable to the Contracting Agency as determined solely by the Contracting Agency, taking into account the value, scope, complexity and nature of the Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services; and
- (C) Any other provisions the Contracting Agency believes to be in the Contracting Agency's best interest to negotiate.

Reynolds School District has conducted negotiations with the highest ranked proposer, however the negotiation has not been successful. The District will now begin negotiations with the second ranked proposer. No firm is to contact either Reynolds School District or their Owner's Representative, DAY CPM, during this negotiation period.

Reynolds School District shall either orally or in writing, formally terminate negotiations with the second ranked Proposer if the Reynolds SD and Proposer are unable for any reason to reach agreement on a Contract within a reasonable amount of time. Reynolds SD may thereafter negotiate with the third ranked Proposer, if necessary, until negotiations result in a Contract.

Thank you very much.

Sincerely,
