Academic Progress

INDIVIDUAL STUDENT PROGRESS

Year-to-year progress in English language arts and mathematics.

SCIENCE

Students meeting state grade-level expectations.

School Goals

As a Fairview Community our mission is to: build **Perseverance**; nurture **Relationships**; demonstrate **Integrity**; **Dare** to take scholarly risks; and strive for **Excellence** always. Our focus developing these **PRIDE** traits promotes academic and social-emotional growth. Additionally, success requires regular attendance. We work with students and their parents to inform them of the importance of regular attendance. Due to this work, we have seen the attendance rate for our school increase over the last year.

State Goals

The Oregon Department of Education is working in partnership with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2025. To progress toward this goal, the state will prioritize efforts to improve attendance, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.

Safe & Welcoming Environment

Our school strives to ensure all students and their parents feel welcome by including bilingual staff in our school office. All communication sent home through mail, phone, or text is translated for easy access. Interpreters are provided for parent conferences and other school meetings where parents are present.

About Our School

BULLYING, HARASSMENT, AND SAFETY POLICIES

To ensure a safe and secure learning environment for all students, our school participates in PBIS (Positive Behavior Interventions & Support). We also provide Restorative Justice Services through our counselor and restorative justice specialist. Restorative conversations, mediation and/or community circles are planned on a case-by-case basis to address conflict between students or between students & adults. In this way we do more than just impose consequences for inappropriate behavior; we also see these behaviors as powerful opportunities for learning and personal growth. This year we will host training and discussion opportunities to help students, families and staff to recognize bullying and harassment, and strategies for intervention.

EXTRACURRICULAR ACTIVITIES

- Our school offers academic focused extracurricular activities, as well as a number of after school clubs:
- SUN Community School support through Metropolitan Family Services.
 - Student Leadership Council
 - Peer Conflict Mediator program
 - SOLVE watershed restoration initiative
 - Ready-Set-Go Preschool program
 - Lego Robotics
 - Sports clubs for 1st-5th grades
 - Business management for 4th & 5th grades through Student Store

PARENT ENGAGEMENT

Our school strives to engage all of our parents by providing language supports for parents where English is their second language. Our school also organizes a variety of fun evening events designed to help parents give academic support at home. This year our school is piloting a parent communication tool called POSSIP. POSSIP is an online app that allows parents to give feedback to the school on a weekly basis by sending a quick, 4-question survey every Friday. We will also continue to host a monthly coffee hour with the principal. The monthly coffee hour gives parents the opportunity to ask questions, voice concerns, and stay up-to-date with our school. Visit the school website to find the coffee hour calendar and join the conversation.

COMMUNITY ENGAGEMENT

- We partner with local business to provide students with learning opportunities in connection with our community:
- Smith Presbyterian Church
 - SOLVE
 - Fairview Elementary Parent Association
 - Metropolitan Family Services
 - Trillium Family Services
 - Police and Fire Department
- Each year we hold our winter coat and food drive to connect our students and community by working together to collect winter clothes and non-perishable food for families in need. In last year's winter coat drive we provided over 100 students with new or gently used coats and sent home food baskets with nearly 100 families.
