2021-2022 Budget Message

Dear Reynolds School District Budget Committee Members:

I would like to thank all staff, families, Board members, and community members who attended our budget priority input sessions in person or virtually last fall. Your participation provided valuable input and guidance for the School Board as they developed priorities for the 2021-2022 budget process. In December 2020, the Board deliberated through the results of those sessions to develop and approve their budget focus priorities for the coming school year. This process led to a 2021-2022 District Budget designed to meet the overall needs of the students in Reynold School District by focusing on the following priority areas: **Mental Health Supports, Additional Academic Supports, and Culturally Responsible Curriculum**. I would like to thank the Reynolds School District Board of Directors for providing administrative staff with direction on these budget focus priorities, which are used to reach our student achievement and equity goals.

Mental Health Supports

Additional Academic Supports

Culturally Responsible Curriculum

The District has also been engaged in developing a Strategic Plan which was approved by the Board in February of 2021. During the Strategic Planning process, the District gathered input from over 400 stakeholders through 18 focus groups, three community input sessions, six Strategic Planning Steering Committee meetings, and online feedback during the 2019-2020 and 2020-21 school years.

Throughout the process, stakeholders were asked to view the District through the lens of the Board of Education’s Core Commitments and Beliefs: Equity, Safety, Instructional Practices, and Organizational Culture. This resulted in the Steering Committee and Cabinet identifying four major Goal Topic Areas vetted through the Board’s Core Commitments and Beliefs and are now the Four Pillars of the Strategic Plan. The four major Goal Topic areas are:

- Marginalized Students
- Culturally Responsive Teaching
- Student and Staff Wellness
- Professional Development

The intent of the Reynolds School District budget message is to provide a summary of the proposed budget and how this budget differs from the prior year. In developing this budget, our focus continues to be on the District’s newly updated mission and vision.

Mission

We lead with equity to educate and support all students to graduate with the skills and confidence to thrive.

Vision

As a community, we prepare lifelong-learners to achieve their full potential in a complex and interconnected world.

I look forward to working with our Budget Committee to discuss and approve the proposed budget as submitted by the District Budget Officer or subsequently revised by the Committee. An approved budget allows for the Superintendent of Schools and the School Board to move forward with all personnel decisions. It is ultimately our duty to verify excellence in programs and services to ensure every student receives a quality foundation in their academic development.

As of the publication of this document, we face unprecedented challenges at the local, state, national, and global levels. Economic factors are more uncertain and complex than possibly ever before. The impacts of the COVID-19 health crisis are only just beginning to be realized and the long-term effects remain to be seen.

Oregon legislature is currently in session and the budgeted amount has not yet been confirmed as of the date of this message, meaning there are still questions as to what the final appropriations for education will be. Therefore, this budget is built on the official estimate issued by the Oregon Department of Education on February 26, 2021. The 2021-2023 biennial budget and State School Fund distributions are projected on a \$9.1 billion state appropriation with a 49/51 split; the State Legislature has not yet

amended this amount as of the date of this document

The Co-Chair Balanced Budget Plan has been proposed, was released in March, and was also projected to be \$9.1 billion. Both proposed budgets for K12 education are considerably less than the estimated level of funding needed for our Current Service Level (CSL), which is needed to maintain operating at our current level. As we cannot wait for the final approved level of funding by the Oregon legislature, the Reynolds School District 2021-2022 Proposed Budget has been developed with the Governor's Proposed State School Fund Budget.

Our initial roll-up expenses for the 2021-2022 school year exceed the State School Fund Budget and District reserves by approximately \$4 million. The Budget Team has spent countless hours reevaluating costs, verifying estimates, and collaborating with stakeholders to reduce costs in the roll-up budget to propose this balanced budget. To develop a balanced budget with the understanding that it creates a funding gap, we propose utilizing extra savings reflected in our ending fund balance for 2021-2022 as a one-time source of funds. While these funds could and should be used to expand services or complete one-time purchases or improvements, we find ourselves in a situation to use reserves while still implementing needed services that support student achievement in the coming budget year. The District is also using funding from the Coronavirus Response and Relief Supplemental Appropriations Act, 2021 (CRRSA Act), providing an additional \$54.3 billion for the Elementary and Secondary School Emergency Relief Fund II (ESSER II), of which Oregon received \$499.1 million to help continue supporting students and families and to stabilize our General Fund as we attempt to recover from the pandemic.

These necessary supports and services were determined by utilizing the board-approved budget focus priorities for 2021-2022 and include:

- All Funds:
 - Status Quo
 - Increase Utility costs by 3%
 - Increase Property Casualty Insurance by 15%
 - Decreased PERS Rate of approximately 5%
- Students Investment Account (SIA)
 - Class Load Relief Teachers (moved from 2019-20 General Fund)
 - MTSS TOSAs (Multi-Tier Systems of Support Teachers on Special Assignment)
 - Culturally Responsive Curriculum
 - Elementary Media Specialists
 - Professional Development
 - Assistant Principals
- ESSER II (HEROES)
 - 2020-21 Balance of the Year Teachers (Middle School and High School)
 - 2020-21 Balance of the Year Technology
 - Move Licensed Subs from General Fund
 - Move Classified Subs from General Fund
 - Move Capital Projects from General Fund
 - Move General Education Teachers from Title
 - 2021-22 Online Program
 - Summer School Programming
 - Add Special Education Contracted Services
 - Add 1 FTE Resource Teacher
 - Student Technology Replacement
 - Staff Technology
 - Classroom Technology
 - Hybrid Learning Expense
 - Classroom Software

As we move forward now and with future fiscal development, we strive to maintain quality and excellence within our programs and services to ensure students graduating from Reynolds School District are prepared for a complex and interconnected world. I am continually appreciative of the support, participation, and viable solutions provided by the community, families, district staff, and school board members as we all share this common vision. The proposed budget is both educationally sound and fiscally responsible, and I invite you to review, discuss, and approve this budget for the 2021-2022 school year.

If you have any questions, you may contact me via email or phone. Thank you for your continued support.

Respectfully,

2021-2022 Mensaje sobre el presupuesto

Estimados miembros del Comité de Presupuesto de Reynolds School District:

Deseo agradecer a todo el personal, las familias, los miembros de la Junta y los miembros de la comunidad que asistieron el otoño pasado, ya fuese en persona o virtualmente, a nuestras sesiones de información prioritaria sobre el presupuesto. Su participación brindó valiosos aportes y guía para la Junta Directiva Escolar en el desarrollo de prioridades para el proceso presupuestario 2021-2022. En diciembre de 2020, la Junta deliberó sobre los resultados de esas sesiones para desarrollar y aprobar las prioridades del enfoque presupuestario para el año escolar venidero. Este proceso condujo a un Presupuesto del Distrito 2021-2022 diseñado para satisfacer las necesidades generales de los estudiantes de Reynold School District enfocándose en las siguientes áreas de prioridad: **Apoyo en salud mental, Apoyo académico adicional y Plan de estudios sensible a la cultura.** Deseo agradecer a la Junta Directiva de Reynolds School District por proporcionar al personal administrativo orientación sobre estas prioridades, que se utilizan para alcanzar las metas de equidad y rendimiento estudiantil.

Apoyo en Salud
Mental

Apoyo académico
adicional

Plan de estudios
Sensible a la cultura

El Distrito también ha estado trabajando en el desarrollo de un Plan Estratégico el cual fue aprobado por la Junta en febrero de 2021. Durante el proceso de Planificación Estratégica, el Distrito recopiló aportes de más de 400 interesados a través de 18 grupos de enfoque, tres sesiones de comentarios de la comunidad, seis reuniones del comité de Dirección de Planificación Estratégica y comentarios en línea durante los años escolares 2019-2020 y 2020-21.

A lo largo del proceso, se pidió a las partes interesadas que vieran el Distrito a través del lente de los Compromisos y Creencias fundamentales de la Junta de Educación: Equidad, Seguridad, Prácticas de Instrucción y Cultura Organizacional. Esto dio como resultado que el Comité de planificación y el Gabinete identificaran cuatro áreas temáticas de objetivos principales que fueron examinados a través de los Compromisos y Creencias fundamentales de la Junta de Educación y ahora son los Cuatro Pilares del Plan Estratégico. Estas cuatro áreas son las siguientes:

Estudiantes marginados

Enseñanza sensible a la cultura

Bienestar de los estudiantes y el personal

Capacitación profesional

La intención del mensaje sobre el presupuesto de Reynolds School District es proporcionar un resumen del presupuesto propuesto y mostrar cómo este presupuesto difiere del año anterior. Al desarrollar este presupuesto, nuestro enfoque sigue siendo la misión y visión del distrito, recientemente actualizadas.

Misión Lideramos con equidad para educar y apoyar a todos los estudiantes para que se gradúen con las habilidades y confianza necesarias para prosperar	Visión Como comunidad, preparamos a los estudiantes de por vida para que alcancen su máximo potencial en un mundo complejo e interconectado
---	---

Espero trabajar con nuestro Comité de Presupuesto para discutir y aprobar el presupuesto propuesto presentado por el Oficial de Presupuesto del Distrito o revisado posteriormente por el Comité. Un presupuesto aprobado permite que la Superintendente de Escuelas y la Junta Directiva sigan adelante con todas las decisiones de personal. En última instancia, es nuestro deber verificar la excelencia en los programas y servicios para garantizar que el desarrollo académico de cada estudiante tenga un fundamento de calidad.

A partir de la publicación de este documento, enfrentamos desafíos sin precedentes a nivel local, estatal, nacional y global. Los factores económicos son más inciertos y complejos que posiblemente nunca antes. Apenas estamos empezando a darnos cuenta del impacto de la crisis de salud debido a COVID-19 y los efectos a largo plazo aún están por verse.

La asamblea legislativa de Oregon se encuentra actualmente en sesión y la cantidad presupuestada aún no ha sido confirmada a la fecha de este mensaje, lo que significa que todavía hay preguntas sobre cuáles serán las asignaciones finales para educación. Por lo tanto, este presupuesto se basa en la estimación oficial emitida por el Departamento de Educación de Oregon el 26 de febrero de 2021. El presupuesto bienal 2021-2023 y las distribuciones del Fondo Escolar del Estado se proyectan sobre una asignación estatal de \$9.1 mil millones con una división de 49/51. A la fecha de este documento la asamblea legislativa aún no ha enmendado esta cantidad.

El Plan del Presupuesto Equilibrado del Copresidente (*Co-Chair Balanced Budget Plan*), fue propuesto y publicado en marzo. La proyección de este presupuesto también es \$9.1 mil millones. Ambos presupuestos propuestos para la educación K-12 son considerablemente menores que el nivel estimado de financiamiento necesario para nuestro Nivel de Servicio Actual (CSL por sus siglas en inglés), y que es necesario para continuar operando a nuestro nivel actual. Como no podemos esperar a la aprobación final de la Asamblea Legislativa de Oregon, el Presupuesto propuesto del Distrito Escolar de Reynolds 2021-2022 se ha desarrollado con el Presupuesto del Fondo Escolar del Estado, propuesto por la gobernadora.

Nuestros gastos iniciales acumulados para el año escolar 2021-2022 superan el presupuesto del fondo escolar estatal y las reservas del distrito en una cantidad aproximada de \$4 millones.

El equipo de presupuesto ha pasado innumerables horas reevaluando costos, verificando

estimaciones y colaborando con las partes interesadas para reducir los costos en el presupuesto para proponer este presupuesto equilibrado. Para desarrollar un presupuesto equilibrado -con el entendimiento de que crea un déficit de financiamiento- proponemos utilizar los ahorros adicionales reflejados en el saldo de fondos final para el 2021-2022 como una fuente de fondos única. Si bien estos fondos podrían y deberían usarse para expandir servicios o completar compras o mejoras únicas, nos encontramos en una situación en la que podemos usar reservas a la vez que implementamos los servicios

necesarios que apoyan el rendimiento estudiantil en el próximo año presupuestario. El Distrito también está utilizando fondos de la *Ley Coronavirus Response and Relief Supplemental Appropriations Act, 2021* que proporciona \$54.3 mil millones adicionales para *Elementary and Secondary School Emergency Relief Fund II (ESSER II)*, de los cuales Oregon recibió \$499.1 millones para continuar brindando apoyo a los estudiantes y las familias y estabilizar nuestro Fondo General mientras intentamos recuperarnos de la pandemia.

Estos apoyos y servicios fueron determinados utilizando las prioridades de enfoque presupuestario aprobadas por la junta para 2021-2022 e incluyen

- Todos los fondos:
 - Statu Quo
 - Aumentar los costos de servicios públicos en un 3%
 - Aumentar el seguro de accidentes de propiedad en un 15%
 - Disminuir la tasa PERS aproximadamente un 5%
- Cuenta de Inversión para Estudiantes (SIA)
 - Maestros para aliviar la carga de clases (*Class Load Relief Teachers*). Se movió del fondo general 2019-20
 - Multi-Tier Systems of Support Teachers on Special Assignment (MTSS TOSAs) (Maestros en Asignación Especial -Sistema de Múltiples Niveles de Apoyo)
 - Currículo sensible a la cultura
 - Especialista en Medios de comunicación – Escuelas primarias
 - Capacitación profesional
 - Subdirectores

- ESSER II (HEROES)
 - 2020-21 Maestros – balance del año (Escuelas Intermedias y Preparatoria)
 - 2020-21 Tecnología - balance del año
 - Substitutos con licencia – mover del Fondo General
 - Substitutos *Classified* - mover del Fondo General
 - Mover Proyectos de Capital del Fondo General
 - Mover a los maestros de Educación General de Título (*Title*)
 - Programa en línea 2021-22
 - Programas de escuela de verano
 - Agregar contratación de servicios de Educación Especial
 - Agregar 1 maestro de recursos - Tiempo completo
 - Reemplazo de tecnología para los estudiantes
 - Tecnología para el personal
 - Tecnología para las aulas
 - Gastos de Aprendizaje Híbrido
 - Software para el aula

A medida que avanzamos ahora y con el desarrollo fiscal futuro, nos esforzamos por mantener la calidad y la excelencia dentro de nuestros programas y servicios para garantizar que los estudiantes que se gradúan del Reynolds School District estén preparados para un mundo complejo e interconectado. Estoy continuamente agradecida por el apoyo, la participación y las soluciones viables que brindan la comunidad, las familias, el personal del distrito y los miembros de la junta directiva escolar, ya que todos compartimos esta visión común. El presupuesto propuesto es educativa y fiscalmente responsable y los invito a revisar, discutir y aprobar este presupuesto para el año escolar 2021-2022.

Si tiene alguna pregunta, puede comunicarse conmigo a través del correo electrónico o por teléfono. Muchas gracias por su continuo apoyo.

Respetuosamente,

2021-2022 Сообщение о Бюджете

Уважаемые члены бюджетного комитета школьного округа Reynolds:

Я хотел бы поблагодарить всех сотрудников, семей, членов Правления и членов сообщества, которые присутствовали на наших сессиях по внесению приоритетных бюджетных средств лично или практически прошлой осенью. Ваше участие стало ценным вкладом и руководством для школьного совета в разработке приоритетов бюджетного процесса на 2021–2022 годы. В декабре 2020 года Правление обсудило результаты этих заседаний, чтобы разработать и утвердить приоритеты своей бюджетной направленности на предстоящий учебный год. Этот процесс привел к составлению районного бюджета на 2021–2022 годы, предназначенного для удовлетворения общих потребностей учащихся школьного округа Reynolds, сосредоточив внимание на следующих приоритетных областях: **поддержка психического здоровья, дополнительная академическая поддержка и учебная программа с учетом культурных особенностей**. Я хотел бы поблагодарить совет директоров школьного округа Reynolds за предоставление административному персоналу указаний по этим приоритетам бюджетной ориентации, которые используются для достижения наших целей в области успеваемости и справедливости учащихся.

Округ также участвовал в разработке Стратегического плана, который был одобрен Правлением в феврале 2021 года. В ходе процесса стратегического планирования округ собрал мнения более 400 заинтересованных сторон через 18 фокус-групп, три заседания сообщества и шесть руководящих указаний по стратегическому планированию. Заседания комитетов и онлайн-обратная связь в течение 2019-2020 и 2020-21 учебного года.

На протяжении всего процесса заинтересованным сторонам предлагалось взглянуть на округ через призму основных обязательств и убеждений Совета по образованию: справедливость, безопасность, методы обучения и организационная культура. Это привело к тому, что Руководящий комитет и Кабинет министров определили четыре основные тематические области целей, проверенные в рамках основных обязательств и убеждений Правления, и теперь они являются четырьмя столбами Стратегического плана. Четыре основные области Главной Темы:

Маргинализированные студенты

Обучение Ориентированное на культурные ценности

Здоровье студентов и сотрудников

Профессиональное развитие

Цель сообщения о бюджете школьного округа Reynolds - предоставить краткое изложение предлагаемого бюджета и его отличий от бюджета предыдущего года. При разработке этого бюджета мы по-прежнему уделяем внимание обновленной миссии и видению округа.

Миссия

Мы руководствуемся принципом справедливости в обучении и поддерживаем всех студентов, которые получают высшее образование, обладая навыками и уверенностью в успехе.

Видение

Как сообщество, мы готовим учащихся на протяжении всей жизни к раскрытию своего потенциала в сложном и взаимосвязанном мире.

Я с нетерпением жду чтобы начать работать с нашим бюджетным комитетом для обсуждения и утверждения предлагаемого бюджета, представленного районным сотрудником по бюджетным вопросам или впоследствии пересмотренного комитетом. Утвержденный бюджет позволяет суперинтенданту школ и школьному совету принимать все кадровые решения. В конечном итоге наша обязанность - проверять качество программ и услуг, чтобы каждый студент получил качественную основу для своего академического развития.

На момент публикации этого документа мы столкнулись с беспрецедентными проблемами на местном, государственном, национальном и глобальном уровнях. Экономические факторы более неопределенны и сложны, чем, возможно, когда-либо прежде. Последствия кризиса в области здравоохранения, вызванного COVID-19, только начинают осознаваться, и долгосрочные последствия еще предстоит увидеть.

Законодательный орган штата Орегон в настоящее время заседает, и на дату этого сообщения сумма бюджета еще не утверждена, а это означает, что все еще остаются вопросы относительно того, каковы будут окончательные ассигнования на образование. Таким образом, этот бюджет основан на официальной оценке, опубликованной Департаментом образования штата Орегон 26 февраля 2021 года. Двухлетний бюджет на 2021-2023 годы и распределение государственного школьного фонда спроектированы на основе государственных ассигнований в размере 9,1 миллиарда долларов с разделением 49/51; Законодательное собрание штата еще не изменило эту сумму на дату настоящего документа.

Был предложен сбалансированный бюджетный план сопредседателя, который был опубликован в марте, и также прогнозировалось, что он составит 9,1 миллиарда долларов. Оба предлагаемых бюджета для образования K12 значительно меньше предполагаемого уровня финансирования,

необходимого для нашего текущего уровня обслуживания (CSL), который необходим для поддержания работы на нашем текущем уровне. Поскольку мы не можем дождаться окончательного утвержденного уровня финансирования законодательным собранием штата Орегон, предлагаемый бюджет школьного округа Рейнольдса на 2021–2022 годы был разработан с учетом предлагаемого губернатором бюджета школьного фонда штата.

Наши первоначальные совокупные расходы на 2021-

2022 учебный год превышают бюджет государственного школьного фонда и резервы округа примерно на 4 миллиона долларов. Бюджетная группа потратила бесчисленное количество часов на переоценку затрат, проверку оценок и сотрудничество с заинтересованными сторонами, чтобы сократить расходы в сводном бюджете, чтобы предложить этот сбалансированный бюджет. Чтобы разработать сбалансированный бюджет с пониманием того, что он создает дефицит финансирования, мы предлагаем использовать дополнительную экономию, отраженную в нашем конечном остатке средств на 2021–2022 годы, в качестве единовременного источника средств. Хотя эти средства можно и нужно использовать для расширения услуг или завершения разовых покупок или улучшений, мы оказываемся в ситуации, когда используем резервы, продолжая внедрять необходимые услуги, поддерживающие успеваемость учащихся в предстоящем бюджетном году. Округ также использует финансирование из Закона о дополнительных ассигнованиях на борьбу с коронавирусом и чрезвычайной помощи от 2021 года (Закон CRRSA), предоставляя дополнительные 54,3 миллиарда долларов для Фонда экстренной помощи начальным и средним школам II (ESSER II), из которых Орегон получил 499,1 миллиона долларов на помощь. продолжать поддерживать студентов и их семьи и стабилизировать наш Общий фонд, пока мы пытаемся оправиться от пандемии.

Эти необходимые виды поддержки и услуг были определены с использованием утвержденных Советом директоров приоритетов бюджетной ориентации на 2021-2022 годы и включают:

- Все фонды:
 - Статус Quo
 - Увеличение затрат на коммунальные услуги на 3%

- Увеличить страхование от несчастных случаев на имущество на 15%
- Пониженная ставка PERS примерно на 5%
- Инвестиционный счет студента (SIA)
 - Разгрузить учителей, переполненные классы (перешел в 2019-20 от Общего Фонда)
 - MTSS TOSAs (Многоуровневые системы поддержки учителей с особыми назначениями)
 - Учебная программа с учетом культурных особенностей
 - Специалисты начальной школы СМИ
 - Профессиональное развитие
 - Заучи школ
- ESSER II (ГЕРОИ)
 - 2020-21 Баланс учителей на 2020-2021 год (средняя и старшая школа)

 - Переместить лицензированных подменных учителей из общего фонда
 - Переместить квалифицированных подменных учителей из общего фонда
 - Переместить Капитальные проекты из общего фонда

 - Добавить 1 FTE Ресурсного учителя на полную ставку
 - Заменить технологию у студентов
 - Персональная Технология
 - Технология в классе
 - Расходы на гибридное обучение
 - Программное Обеспечение в классе

По мере того, как мы продвигаемся вперед сейчас и с учетом будущего финансового развития, мы стремимся поддерживать качество и превосходство наших программ и услуг, чтобы гарантировать, что учащиеся, окончившие школьный округ Reynolds, готовы к жизни в сложном и взаимосвязанном мире. Я искренне благодарна за поддержку, участие и жизнеспособные решения, предоставляемые сообществом, семьями, сотрудниками округа и членами школьного совета, поскольку все мы разделяем это общее видение. Предлагаемый бюджет является обоснованным с точки зрения образования и финансовой ответственности, и я приглашаю вас рассмотреть, обсудить и утвердить этот бюджет на 2021-2022 учебный год.

Thông báo ngân sách 2021-2022

Kính chào các thành viên của Ủy Ban Ngân Sách thuộc Học Khu Reynolds:

Chúng tôi muốn chân thành cảm ơn tất cả nhân viên, các gia đình, thành viên Hội Đồng Quản Trị, và thành viên cộng đồng vì đã tham dự trực tiếp và từ xa buổi hội nghị về ưu tiên ngân sách vào mùa Thu vừa rồi. Sự tham gia của quý vị đã cung cấp các ý kiến và hướng dẫn quý giá cho Ban Giám Hiệu trong quá trình phát triển các ưu tiên cho ngân sách năm 2021-2022. Vào tháng 12 năm 2020, Ban Giám Hiệu đã cân nhắc các ý kiến từ các buổi hội ý cho ngân sách để phát triển và phê duyệt ngân sách ưu tiên cho năm học tới. Quá trình này dẫn đến Ngân sách Học khu 2021-2022 được thiết kế để đáp ứng nhu cầu tổng thể của học sinh trong Học khu Reynold bằng cách tập trung vào các lĩnh vực ưu tiên như sau: **Hỗ trợ Sức khỏe Tâm thần, Hỗ trợ Học tập Bổ sung và Chương trình giảng dạy Có trách nhiệm về Văn hóa.** Chúng tôi muốn chân thành cảm ơn Hội Đồng Quản Trị Học Khu Reynolds vì đã cung cấp nhân viên hành chính các hướng dẫn cho việc tập trung vào các ưu tiên trong ngân sách này, để đạt được các mục tiêu về thành tích và công bằng cho học sinh.

Hỗ trợ Sức khỏe Tâm thần

Hỗ trợ Học tập Bổ sung

Chương trình giảng dạy có trách nhiệm về Văn hóa

Học Khu cũng đã tham gia vào việc xây dựng Kế Hoạch Chiến Lược đã được Hội Đồng phê duyệt vào tháng 2 năm 2021. Trong quá trình Lập kế Hoạch Chiến Lược, Học Khu đã thu thập ý kiến đóng góp từ hơn 400 các bên liên quan thông qua 18 nhóm trọng tâm, 3 phiên đóng góp ý kiến từ cộng đồng, 6 buổi họp Ủy Ban Chỉ đạo Kế Hoạch Chiến Lược và các phản hồi trực tuyến trong các năm học 2019-2020 và 2020-21.

Trong suốt quá trình, các bên liên quan được yêu cầu nhìn Học Khu qua lăng kính của các cam kết và niềm tin cốt lõi của Hội Đồng Giáo Dục: Công bằng, An Ninh, Giảng Dạy Thực Hành và Tổ Chức Văn Hoá. Điều này dẫn đến việc Ủy Ban và Nội Các Chỉ Đạo xác định 4 lĩnh vực Mục Tiêu chính được xem xét thông qua các cam kết và niềm tin cốt lõi của Hội Đồng trở thành 5 Trụ Cột của Kế hoạch Chiến lược. Bốn lĩnh vực Mục tiêu chính là:

Học sinh bị thiệt thòi

Giảng dạy đáp ứng với văn hoá

Sức khỏe của học sinh và nhân viên

Phát triển chuyên nghiệp

Mục đích của thông báo ngân sách của Học Khu Reynolds là để cung cấp một bản tóm tắt về ngân sách được đề xuất và các khác biệt so với năm trước. Trong việc phát triển ngân sách này, chúng tôi tiếp tục tập trung vào sứ mệnh và tầm nhìn mới được cập nhật của Học Khu.

Sứ mệnh

Chúng tôi dẫn đầu với sự công bằng trong giáo dục và hỗ trợ tất cả học sinh để tốt nghiệp với các kỹ năng và sự tự tin để phát triển.

Tầm nhìn

Là một cộng đồng, chúng tôi chuẩn bị cho những người học hỏi suốt đời để đạt được trọn tiềm năng trong một thế giới phức tạp và liên kết.

Tôi mong muốn sẽ có thể làm việc với Ủy Ban Ngân Sách để thảo luận và thông qua ngân sách đề xuất đệ trình từ thủ quỹ của Ngân Sách Học Khu hoặc bản sửa đổi từ Ủy Ban. Bản ngân sách được thông qua sẽ cho phép Giám Đốc trường và Ban Giám Hiệu ra quyết định về tất cả vấn đề nhân sự. Nhiệm vụ của chúng tôi là xác nhận sự xuất sắc trong dịch vụ và quá trình đào tạo để đảm bảo tất cả các học sinh sẽ nhận được một nền tảng giáo dục chất lượng trong quá trình phát triển học tập của các em.

Từ lúc xuất bản tài liệu này, chúng tôi đã phải đối mặt với những khó khăn chưa từng có ở cấp độ địa phương, tiểu bang, quốc gia, và toàn cầu. Các yếu tố kinh tế hiện giờ vô cùng phức tạp và bấp bênh. Các tác động tiêu cực của khủng hoảng sức khỏe từ COVID-19 chỉ mới là sự bắt đầu, và các tác động lâu dài vẫn là một ẩn số.

Cơ quan lập pháp của Oregon hiện vẫn đang trong phiên họp ngân sách, và con số cuối cùng vẫn chưa được xác nhận kể từ ngày gửi thông điệp này, nghĩa là vẫn còn các câu hỏi về khoản ngân sách cuối cùng cho giáo dục. Do đó, ngân sách hiện giờ được xây dựng trên các dự toán chính thức ban hành từ Bộ Giáo Dục Oregon vào ngày 26 tháng 2 năm 2021. Ngân sách 2 năm 1 lần của năm 2021-2023 và phân phối ngân sách cho Quỹ Trường Học Tiểu Bang dự kiến sẽ là \$9.1 tỷ đôla, phân chia với tỷ lệ 49/51; Cơ Quan

Lập Pháp Tiểu Bang vẫn chưa sửa đổi số tiền này từ ngày viết văn bản này.

Bản kế hoạch Cân Bằng Ngân Sách của Đồng Chủ Tịch cũng đã được đề xuất, và dự kiến vẫn là \$9,1 tỷ đôla. Cả 2 bản kế hoạch đề xuất ngân sách cho giáo dục cấp K-12 đều ít hơn một cách đáng kể so với ước tính về các chi phí cần thiết để duy trì hoạt động ở mức độ cung cấp dịch vụ hiện giờ(CSL). Vì chúng tôi không thể chờ bản phê duyệt cuối cùng về chi tiêu ngân sách từ cơ quan lập pháp của Oregon, bản đề xuất ngân sách của Học Khu Reynolds 2021-2022 sẽ được phát triển dựa trên Bản Đề Xuất Ngân Sách Nhà Trường Tiểu Bang của Thống Đốc.

Chi phí tổng hợp ban đầu của chúng tôi cho năm học 2021-2022 vượt quá Ngân sách Quỹ Trường Học Tiểu Bang và quỹ dự trữ của Học Khu khoảng \$ 4 triệu đôla. Nhóm Ngân sách đã dành vô số thì giờ để đánh giá lại các chi phí, xác minh các ước tính và hợp tác với các bên liên quan để giảm chi phí trong ngân sách tổng hợp để đề xuất ngân sách cân bằng này. Để phát triển một ngân sách cân bằng với nhận thức rằng nó sẽ tạo ra một khoảng trống trong ngân quỹ, chúng tôi đề xuất sử dụng các phần đã tiết kiệm được trong bản ngân sách năm 2021-2022 như một quỹ sử dụng 1 lần. Mặc dù rằng mục đích của quỹ tiết kiệm này là để mở rộng dịch vụ hoặc mua sắm hoặc cải thiện, chúng tôi phải sử dụng số tiền tiết kiệm này chỉ để duy trì các dịch vụ cần thiết để hỗ trợ học sinh trong năm tới. Học Khu cũng đang sử dụng vốn từ Đạo Luật Cứu Trợ Bổ Sung và Ứng Phó Coronavirus, năm 2021 (CRRSA), cung cấp tổng cộng \$54,3 tỷ đôla cho Quỹ Cứu Trợ Khẩn Cấp cho Trường Cấp Tiểu Học và Trung Học Cơ Sở lần 2, và tiểu bang Oregon nhận được \$499,1 triệu đôla để tiếp tục trợ giúp học sinh và các gia đình và để ổn định Quỹ Chung của chúng tôi trong quá trình hồi phục sau đại dịch.

Các hỗ trợ và dịch vụ cần thiết được xác định bằng cách sử dụng danh sách các ưu tiên cần tập trung từ ngân sách của Ban Giám Hiệu năm 2021-2022 và bao gồm:

- Tất cả các quỹ:
 - Hiện trạng
 - Tăng chi phí tiện ích lên 3%
 - Tăng Bảo Hiểm Tài Sản và Tai Nạn lên 15%
 - Giảm tỷ lệ PERS xuống khoảng 5%
- Tài Khoản Đầu Tư cho Học Sinh (SIA)
 - Giáo viên giảm tải cho lớp học (chuyển qua từ quỹ chung năm 2019-20)
 - MTSS TOSAs (Hệ Thống Hỗ Trợ Đa Cấp của Giáo Viên trong Nhiệm Vụ Đặc Biệt)
 - Chương trình giảng dạy Có trách nhiệm về Văn hóa
 - Chuyên Gia Truyền Thông cho Tiểu Học
 - Phát triển chuyên môn
 - Phó Hiệu Trưởng
- ESSER II (HEROES)
 - Bản quyết toán của giáo viên năm 2020-21 (Trung học cơ sở và phổ thông)
 - Bản quyết toán công nghệ năm 2020-21
 - Chuyển giáo viên dạy thay được cấp phép từ Quỹ Chung
 - Chuyển giáo viên dạy thay được xếp loại từ Quỹ Chung
 - Chuyển các dự án vốn từ Quỹ Chung
 - Move General Education Teachers from Title
 - Chương trình online năm 2021-22
 - Chương trình trường Hè
 - Thêm dịch vụ hợp đồng cho Giáo Dục Đặc Biệt
 - Thêm 1 giáo viên tài nguyên FTE
 - Thay đổi công nghệ cho học sinh
 - Công nghệ cho nhân viên
 - Công nghệ cho lớp học
 - Chi phí học tập Kết Hợp
 - Phần mềm cho lớp học

Trong quá trình tiến về phía trước và các phát triển trong tương lai, chúng tôi vẫn sẽ cố gắng duy trì tính xuất sắc và chất lượng cao của các chương trình và dịch vụ cung cấp để đảm bảo các học sinh tốt nghiệp từ Học Khu Reynolds sẵn sàng cho một thế giới phức tạp và liên kết. Tôi sẽ tiếp tục đánh giá cao sự hỗ trợ, tham gia, và các giải pháp mang tính khả thi từ cộng đồng, quý phụ huynh, nhân viên của học khu và các thành viên hội đồng khi chúng ta cùng chia sẻ một tầm nhìn chung. Bản ngân sách được đề xuất vừa phù hợp về mặt giáo dục vừa có trách nhiệm về mặt tài chính, và tôi mời quý vị xem xét, và thảo luận ngân sách này cho năm học 2021-2022.

Nếu quý vị có bất kỳ câu hỏi nào, xin liên hệ với tôi qua email hoặc điện thoại. Xin chân thành cảm ơn quý vị đã tiếp tục ủng hộ chúng tôi.

2021-2022 Budget Summary

The Proposed Budget for the Reynolds School District for fiscal year 2021-2022 represents the financial plan to deliver services, utilizing the resources available, to meet the goals set by the School Board on behalf of our staff, students and community, and totals \$269,216,620.

This budget proposal includes ongoing allocations for investments aligned with District goals, and leverages grant funds for labor, capital equipment and facility improvements wherever possible.

The proposed budget is balanced and maintains programs and staffing while adjusting some investments, including accessing reserves as a result of the need to supplement the costs of services for our most vulnerable students for whom state funding is currently capped.

Budgeting a Plan for 2021-2022

The Proposed Budget is based on the \$9.1 Billion Biennial State School Fund Proposed Budget as submitted by the Governor for 2021-2023.

Unfortunately, with the current State School Fund funding level, **including the 11% cap on students receiving Special Education Services funded by the state** and the recent enrollment decline, the proposed budget includes a spend down of reserves for one-time expenses as well as supplements unfunded special education services in order to provide those necessary services for which students are entitled. The District is also using funding from the Coronavirus Response and Relief Supplemental Appropriations Act, 2021 (CRRSA Act), providing an additional \$54.3 billion for the Elementary and Secondary School Emergency Relief Fund II (ESSER II), of which Oregon received \$499.1 million to help continue supporting students and families and to stabilize our General Fund as we attempt to recover from the pandemic.

2021-2022 Budget Outlook

Oregon K-12 funding is far from stable going into the 2021-2022 school year. As of the publication of this document we face unprecedented challenges at the local, national and global levels. Economic factors are more uncertain and complex than possibly ever before. The impacts of the COVID-19 health crisis are only just beginning to be seen and the long-term effects remain a mystery to all.

Oregon's next economic forecast isn't due until late May 2021 therefore this budget is built on the official estimate issued by Oregon Department of Education on February 26, 2021. The 2021-2023

biennial budget and State School Fund distributions are projected on a \$9.1 billion State appropriation; this amount has not yet been amended by the legislature as of the date of this document. There are certainly reasons to believe this funding level may change based upon the current economic factors as a result of the health crisis.

The district staff are proposing a budget that allows the District to continue services to students and move toward our continuous improvement plan based on existing estimates.

As a district and community, we have spent the past five months engaging stakeholders about how to best use our Student Investment Account (SIA) dollars to serve our most marginalized youth. It is heartbreaking to know that our SIA plan will not be fully implemented during the 2021-2022 school year due to insufficient Corporate Activity Tax (CAT) collections as a result of the economic crisis caused by the COVID-19 pandemic. However, The CAT collections did have some success and we are projected to have our SIA plan 70% funded. Staff surveyed our families and staff to determine how to prioritize the items that were still needing implemented.

Federal funds, particularly Title I and II funds, and IDEA funds for students identified with disabilities will likely be impacted as well. For the Proposed budget, we are assuming flat funding in federal funds and will make the necessary adjustments if we don't realize that level of funding.

The 2021-2023 biennium will include PERS employer cost decreases for the District at an average of 5.3% of the total payroll. This amounts to an estimated annual employer decrease of \$4.5 Million beginning next year. It has been a long time since there has been a PERS decrease but the rate is already projected to increase in the 2023-25 biennium.

The PERS funding problem will not be resolved in the short term and will continue to have an impact on all public agencies and their ability to provide services in the coming years.

Maintaining the contingency and unappropriated ending fund balance of \$6.73 Million and realizing savings and leveraged resources throughout the coming year will be a critical step for the District when entering the 2021-2022 budget process.

Student Investment Account

The Student Investment Account (SIA) comes from the Student Success Act. Oregon Governor Kate Brown signed House Bill 3427, the Student Success Act, into law on May 2019. The purpose of the Student Success Act was to correct underinvestment in our schools and our children and includes sweeping provisions for new and improved services for children and families. The Act funds three

accounts:

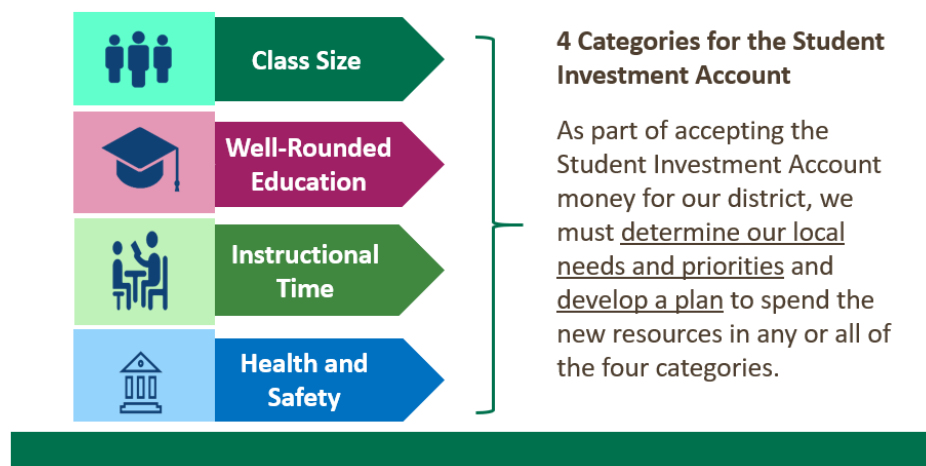

- The Early Learning Account (at least 20 percent)
- Student Investment Account (at least 50 percent)
- Statewide Education Initiatives (up to 30 percent)

There are two stated purposes for the funds distributed under the SIA:

- Meet students' mental or behavioral health needs, and
- Increase academic achievement for students, including reducing academic disparities for:
 - Economically disadvantaged students;
 - Students from racial or ethnic groups that have historically experienced academic disparities;
 - Students with disabilities;
 - Students who are English language learners;
 - Students who are foster children;
 - Students who are homeless; and
 - Any other student groups that have historically experienced academic disparities, as determined by the State Board of Education

The SIA spending plan had to be focused on any, some, or all of the allowable uses that were detailed in HB 3427. Reynolds explained the allowable uses as they engaged with their students and families from the priority populations and staff to discuss, inform and develop their SIA plan and application to ensure it meets the spirit and intent of the law.

How can we spend new money?

After engaging the students, community, and staff of Reynolds, these necessary supports and services were determined utilizing the board-approved budget plan for the SIA for 2020-2021:

2021-22 Student Investment Account (SIA)

Funded (70%)

- Social Workers
- Counselors
- Nurses
- Assistant Principals
- Class load relief teachers (added in 2019-20)
- MTSS TOSA's
- Culturally Responsive Curriculum
- Professional Development
- Elementary Media Specialist

Not Funded

- Student Services Program Administrators
- Family and Parent Engagement Specialist

High School Success and Career & Technical Education (Measure 98)

In November 2016, Oregon voters approved Measure 98 which dedicated funding to improving graduation rates through proven practices such as Career & Technical Education (CTE). The District's established plan was set in motion during 2017-18. While graduation rates have improved, there is more work to do. The Proposed Budget continues existing Measure 98 investments for teacher collaboration, college-level opportunities, Career & Technical Education programs, a night school program, investments into attendance monitoring to reduce chronic absenteeism, and additional counseling supports with emphasis on 9th grade on track for graduation.

Continued funding of Measure 98 programs from the State will provide opportunities for students to connect with staff and programs of study that will keep them in school through to completion of graduation and be prepared for school or careers beyond high school with relevant trade skills and certifications. During the 2019 legislative session it was voted to fully fund Measure 98 programs. The proposed 2021-2022 budget includes funding for Measure 98 that doubles the level as 2019-2020, or fully funding amount per student approved by voters.

Bond Capital Construction Projects

The budget includes year five of the voter-approved 2015 Bond Capital Projects and the completion of the final phase of safety and security projects with remaining bond funds. The completion of the three new elementary schools, Fairview, Troutdale and Wilkes, as well as the

major renovation and addition to Reynolds High School were accomplished within the 2018-19 budget. The work was completed on time and under budget, allowing for more resources to be directed toward district-wide safety and security improvements to close out the bond program.

BUDGETING A PLAN

Reynolds School Board Adopted Budget Goals

The Board held sessions to gather staff and public input while considering the 2021-2022 budget goals and priorities. There were two virtual sessions held in Fall of 2020 as well as an online survey for gathering input and feedback.

During December 2020, the Board met and discussed the District's goals and priorities for the 2021-2022 budget. The Board formally adopted budget goals to provide guidance and direction to the Superintendent in the preparation of the annual proposed budget.

The Reynolds School Board set the following budget goals to guide the 2021-2022 program delivery planning work completed by the District's Administrative Team. Once the plan was in place, the budget was prepared in such a way to fund the plan's implementation utilizing available resources.

Board Prioritized Themes for 2021-22 Budget

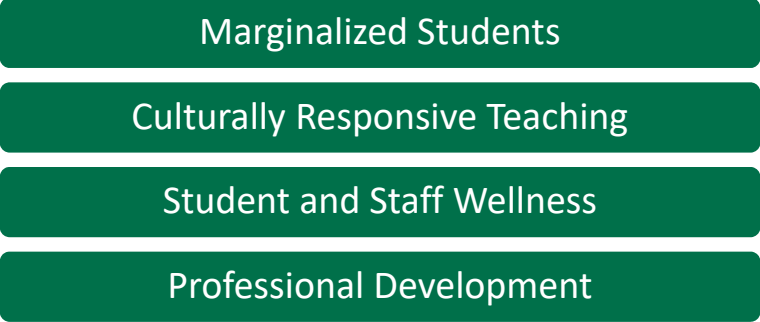

Mental Health Supports

Additional Academic Supports

Culturally Responsive Curriculum

The District has also been engaged in developing a Strategic Plan which was approved by the Board in February of 2021. During the Strategic Planning process, the District gathered input from over 400 stakeholders through 18 focus groups, three community input sessions, six Strategic Planning Steering

Committee meetings, and online feedback during the 2019-2020 and 2020-21 school years. Throughout the process, stakeholders were asked to view the District through the lens of the Board of Education’s Core Commitments and Beliefs: Equity, Safety, Instructional Practices, and Organizational Culture. This resulted in the Steering Committee and Cabinet identifying four major Goal Topic Areas vetted through the Board’s Core Commitments and Beliefs and are now the Four Pillars of the Strategic Plan. The four major Goal Topic areas are:

BUDGET DEVELOPMENT

General Fund Resources

The District’s 2021-2022 service plan is based on a number of revenue assumptions. The largest source of District revenue comes from the State School Fund and is determined using projected student enrollment in the District and projected transportation expenditures. These resources are budgeted within the District’s General Fund.

Oregon legislature is currently in session and the budgeted amount has not yet been confirmed as of the date of this message, meaning there are still questions as to what the final appropriations for education will be. The District’s estimate of revenue and resources that will be available for District use in 2021-2022 is based upon the following revenue assumptions:

- State School Fund of \$9.1 Billion at 49/51 funding for 2021-23 biennium using the revenue estimate that was issued by Oregon Department of Education that was issued February 26, 2021.
- A decrease to non-charter school enrollment leading to a decrease in State School Fund per student weight funding due to the most recent funding being based on lower enrollment in 2020-2021 and projected for 2021-2022 due to COVID-19.
- 16% of students identified as eligible to receive Special Education services (IEP Service), yet State funding is capped at 11% of overall student enrollment, which has

been in decline. This creates a funding gap and decreases the amount of funds available for general education services

- High needs students utilizing Special Education services for one on one staffing and outside therapeutic placement represents 5.4% of the total number of students receiving Special Education services

General Fund Expenditures & Requirements

The District's 2021-2022 service plan is based on a number of expenditure assumptions. As is the case with any educational entity, the largest expense of the District is labor. The proposed budget assumes a full school year.

The proposed staffing framework is based upon a comprehensive evaluation of staffing across all labor groups, departments, and buildings to align to the 2021-2022 plan with emphasis on the Board Budget Goals and Priorities. Additionally, the staffing level review created the basis for any staff position adjustments as a result of projected enrollment.

The 2021-2022 Proposed Budget roll-up costs include adjustments according to labor agreements with REA in a negotiating year for Licensed staff, OSEA Classified staff in negotiating year, and RAA Administrative staff in negotiating year. Budget assumptions for labor costs are as follows:

- Status Quo COLA for Employee Groups
 - REA: 2%
 - OSEA: 1%
 - RAA: 1%
- Decrease in PERS rates

The District’s proposed expenditures will exceed the projected 2021-2022 annual revenues and require a spend down of District resources.

It is important to note that the committed contingency amounts identified in the budget are to cover a variety of items, such as:

- FTE for enrollment in excess of projections;
- Carry-forward resources for the upcoming budget year; and
- Uncommitted amounts for unforeseen expenses.

Nutrition Service Fund

The budget represents the fourth year of District self-operation for management and food procurement. Budget estimates are based on three years of service and take into account the

impacts of State requirements related to student meal charges. Capital improvements and equipment replacement budgets represent equipment and infrastructure installation from the replacement elementary schools to other school sites in the District.

Federal Programs

The 2021-2022 Proposed budget for Federal funds, particularly Title I and II funds, and IDEA funds for students identified with disabilities will likely be impacted as well from the COVID-19 pandemic. For the Proposed budget, we are assuming flat funding in federal funds and will make the necessary adjustments if we don't realize that level of funding. The district also has added ESSER II to the proposed budget to help continue supporting students and families and to stabilize our General Fund as we attempt to recover from the pandemic.

Voter Approved 2015 Capital Bond

In May 2015, the Reynolds community approved a \$125 Million Capital Construction Bond. This represented the first of four phases of capital improvements in the District identified with the adopted 2014 Facilities Master Plan.

The bond has provided for completion of secure entry vestibules for all school buildings, improved security at all sites, the replacement of three 80-100-year-old elementary schools with 100% seismic collapse rates and provided for renovation and expansion of Reynolds High School to accommodate the existing student population.

This Capital Construction Bond is a part of the District's long-term facilities and financial plan as it provides for the use of bond funds rather than General Fund operating funds to address the replacements and improvements at all of our project sites.

The Board-appointed Citizen Oversight Committee meets monthly to review all project activities and detailed spending information to ensure that bond funds are spent on only the projects and activities described in the Bond Ballot Title. The Committee Chair provides an independent report to the School Board at a Board Business Meeting every quarter to communicate observations and activities from the Committee's perspective.

Contingency and Ending Fund Balance Policy

As outlined in the Board policy for the District, the General Fund estimated ending fund cash balance is to be managed at a level that represents 5% of the total adopted General Fund budget revenues. The proposed budget includes contingency and unappropriated ending fund balance amounts that together total \$6.7 Million and does conform to the 5% Board Policy.

BUDGET CHANGES

The 2021-2022 Proposed Budget totals \$269,216,620 across multiple funds. This represents an \$48.63 million increase from the 2020-2021 budget due largely in part to the addition of the ESSER II Budget and Summer School Budget. Also, there is an increase budget for Student Investment Account and Measure 98 budget.

Staffing changes within the proposed budget are as follows:

- Classroom Teachers
 - .8 FTE Music or PE at Elementary for schedule relief
 - Eliminates School Counselors covering Teacher Preparation Periods

REYNOLDS SCHOOL DISTRICT BUDGET DOCUMENT FORMAT

Welcome to the Reynolds School District's 2021-2022 Budget Document. The following section will guide you through the budget document format and organization as well as the budget preparation process.

Budget Format

The budget document is organized into four sections:

- Executive Summary
- Organizational Section
- Financial Section
- Informational Section

The **Table of Contents** leads the budget document. Summary information can be found in the first few pages of the budget document.

The **Executive Summary** includes the Budget Message from the Superintendent in multiple languages. The Budget Message is an introduction to the budget and is followed by a budget summary. The budget summary is a comprehensive narrative overview of the 2021-2022 budget and finance plan. The narrative presents the budget in the context of the District's Strategic Plan. In addition, summary budget information is presented in tabular and graphic format as well as student enrollment history and projections, budget forecasts and benchmark data.

The 2021-2022 Board Budget Goals and Budget Committee Membership information are included in this section. The Budget Committee and School Board are jointly responsible for oversight and approval of the budget, and the School Board makes appropriations and imposes taxes.

The Budget at a Glance highlights major budget changes from 2021-2022 with an emphasis on the General Fund and Capital Projects Funds.

The **Organizational Section** is comprised of general information about the District and its budget, including the level of education provided, geographic area served, and number of schools and students. Also included in this section are significant budget and financial policies, procedures and regulations as well as a detailed description of the budget process, measures and levies, the District's focus on equity and the history of Reynolds School District.

The **Financial Section** contains required information for the District's funds and descriptions of significant revenue sources and expenditure categories.

The **Informational Section** includes detailed historical and projected personnel resource allocations, property tax information and other performance measures used by the District.

- 3 INSTRUCTIONAL PRACTICES
- 4 SAFETY

Reynolds School Board met for the regular work session on December 9, 2020 through a public virtual meeting. The agenda included a presentation from the Superintendent of Schools and the Director of Financial Services to review the results from various community input sessions for Board discussion of budget priorities for the 2021-22 school year. Summary results were presented to the Board and key themes from that input were determined. The Board deliberated all community and staff input themes and then prioritized the themes to give the administration guidance for development of the 2021-22 budget.

Presentation of Budget Theme Summaries:

Budget Goals & Priorities Input Sessions

Summarized Themes from Staff and Community Input:

|--------------------------------|----------------------|
| Class Size | Salaries and Wages |
| Art, Music, Physical Education | Library Media |
| Retain Current Staff Levels | Assistant Principals |
| Safety | Curriculum |
| Mental Health Supports | Technology |

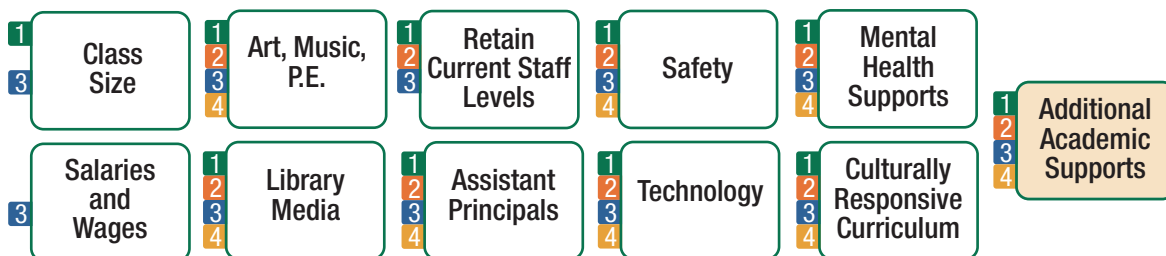

Discussion:

Each summarized theme was categorized into one or more of the Strategic Plan Goal Topics to ensure prioritized themes are aligned with the Reynolds School District Strategic Plan.

During this discussion, key considerations for budget priorities based on community and staff input were evaluated. After careful discussion, the Board voted to add one category, Additional Academic Supports, to reflect the need to budget for supports focused on learning loss during closures, specifically for our most impacted students.

Strategic Plan Goal Topics

- Goal Topic #1: Marginalized Students
- Goal Topic #2: Culturally Responsive Instruction
- Goal Topic #3: Student and Staff Wellness
- Goal Topic #4: Professional Development

Prioritization of Budget Themes:

Board members were advised by the Director of Financial Services that the 2021-2022 was expected to be a constraint budget due to anticipated level funding from the previous year, while accounting for increased overhead and staffing costs. Understanding that all the identified budget themes hold priority, the board was advised that it was important to identify the highest priority themes while in a constraint budget to give guidance in developing the budget.

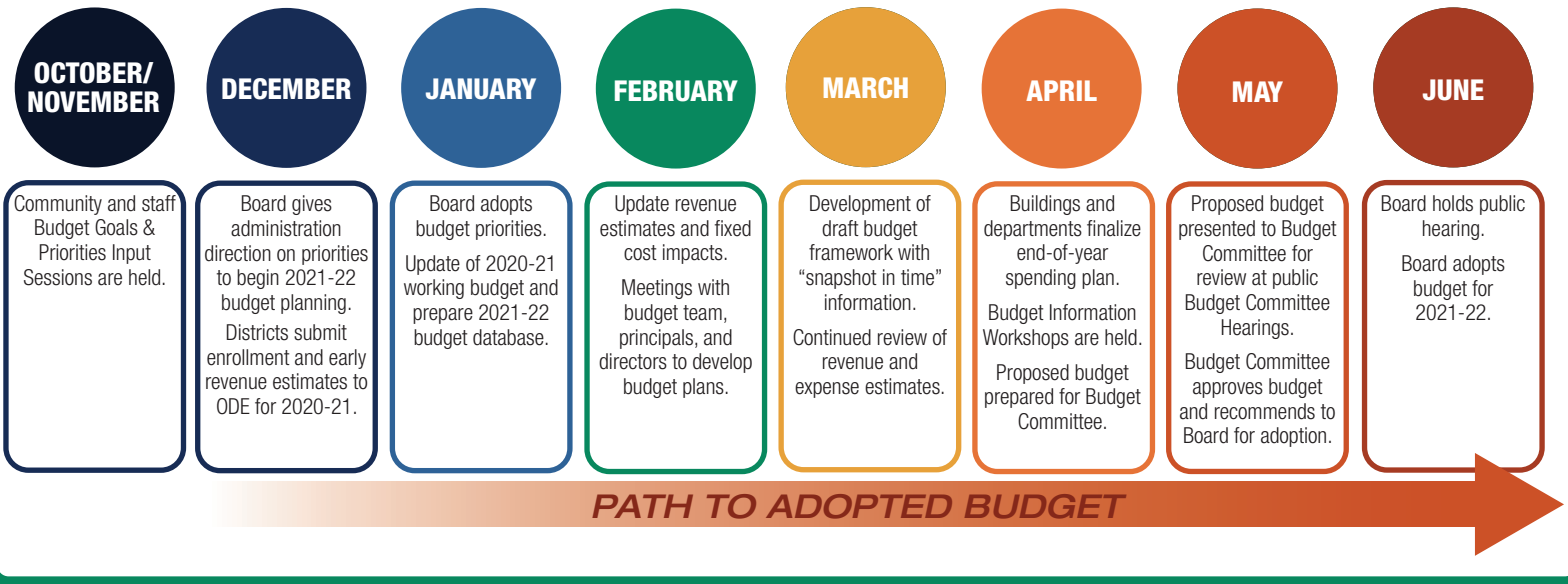

Individual board members were asked to identify their top three priorities for funding for the 2021-2022 school year while in a constraint budget. Results were tabulated to determine which themes were identified the most. After careful review and discussion, the Board determined the following budget themes should be used by administration in developing the 2021-22 Reynolds School District budget. 35

Prioritized Themes: (in order of Board priority)

- 1 Mental Health Supports
- 2 Additional Academic Supports
- 3 Culturally Responsive Curriculum

The Superintendent of Schools and administration will use the Board's prioritized themes as guidance to make recommendations to the Budget Committee and Board when developing the proposed 2021-22 budget.

REYNOLDS SCHOOL DISTRICT STATE SCHOOL FUNDING FORMULA

State School Fund Grants and Property Tax Revenues

(Funding Per Student)

State School Fund and Property taxes are primary sources of Reynolds School District’s Operating Fund, General Fund. The Legislature determines how much money is available from both State sources such as income taxes, and local sources, primarily property taxes.

State School Fund (SSF)

State School Fund is calculated based on enrollment. A per-student amount consists of two different enrollment numbers: average

daily membership, resident (ADMr) and average daily membership, weighted (ADMw). The ADMr number represents the average number of students enrolled in at Reynolds School District on a daily basis. The ADMw is an adjusted number to compensate for the high costs of educating certain groups of students, such as English as Second Language, special education, pregnant or parenting, income at or below poverty and students in foster care.

REYNOLDS SCHOOL DISTRICT STATE SCHOOL FUNDING FORMULA

Property Taxes

Property taxes from each school district's permanent rate are deducted from the General Purpose Grant to determine the amount the

school district will receive from the State School Fund Grant.

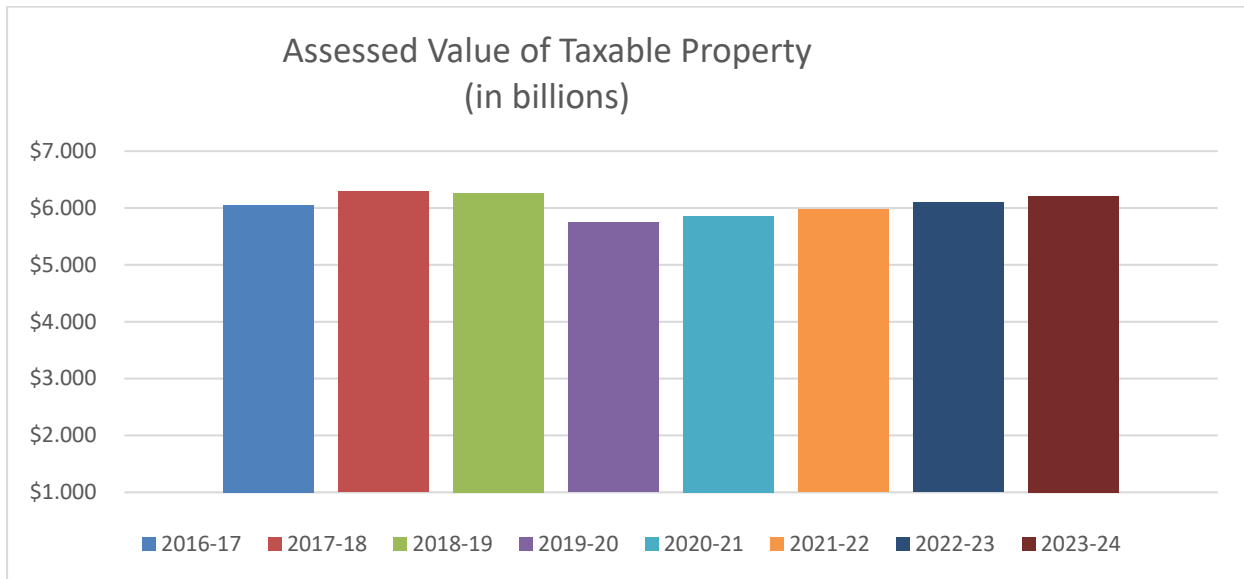

Property owners are taxed on the combined rates of education and debt service to repay bonds exempt from Measure 5. The Permanent Property Tax Rate for Reynolds School District is \$4.4626 per \$1,000 per assessed value.

In 1990, when Measure 5 passed, which limits the amount of property taxes education districts could collect to \$5 per \$1,000 of real market value. At the same time, Measure 5 requires the

State to replace property tax revenue lost due to the measure's limitations. In 1997, Measure 50 separated assessed value from real market value. Assessed values are limited to 3% increases a year unless there is new construction. Even if the market value is reduced, the assessed value can still go up by 3%. Once the assessed value "catches up" to market value, it can only go up if the market value goes up.

REYNOLDS SCHOOL DISTRICT STATE SCHOOL FUNDING FORMULA

The permanent tax rates are determined by the State of Oregon Constitution and State Statutes. Existing districts cannot increase

their permanent rate authority. Rates for debt services are set based on each year's requirements.

The taxes levied amounts are based upon the tax collection year July 1 to June 30.

REYNOLDS SCHOOL DISTRICT

2021-2022 BUDGET OVERVIEW

Highlights of the 2021-22 Budget:

- **The Internal Budget Process**
 - All budgetary allocations for each school and department for the budget were established from a roll-up base that included class load relief staff additions from the 2021-22 budget year. Schools and departments then adjusted services within the budget allocations based on the annual site or department goals and priorities in order to improve student achievement, equity and customer service. Every school and department must adjust their annual budget based on their plan for service delivery for the upcoming year.
 - Careful consideration was given to the needs of the individual schools, including their demographics, poverty and mobility levels.
 - Teacher per student ratio were also measured during this process.
 - District internal budget team members worked with buildings and departments to allocate their roll-up budget to deliver quality service for 2021-22.
 - Work to balance resources and requirements was ongoing throughout the budget preparation process and adjustments and cuts were made in some areas to provide for higher priority needs.
 - Collaboration with leadership teams from administration, Reynolds Education Association (REA), Oregon School Employees Association (OSEA) and Reynolds Administrative Association (RAA) was ongoing throughout the budget preparation process to gather input, gain insight and provide review of assumptions and priorities for the adopted budget.
 - The financial plan aligns with District policies, Board adopted budget goals and the Strategic Plan.
 - Everything throughout the entire budget process was reviewed with a fresh perspective and priorities were measured according to the established budget goals.
 - All budgetary requirements are comprehensive, justified and complete based on what was known at a given point in time.
- The budget follows **the Oregon Department of Education Chart of Accounts**.
 - The District's account codes align with the state's required chart of accounts with respect to expenditure functions, objects and areas.
 - The District is able to account for all direct and indirect costs by subject, grade level, organization and by school or location.
 - Financial information resulting from this expense structure is reported to the Oregon Department of Education annually.
- The budget follows **the Meritorious Budget Award Criteria Checklist** to provide a reader-friendly budget document that:
 - Presents clear budget guidelines
 - Promotes communication between departments and the schools
 - Encourages short-and long-range budget goals
 - Supports effective use of educational resources
- The 2021-22 school year is the first year of the 2021-23 State of Oregon funding biennium.
- District's **Fund Balance** policy has been key to the District's fiscal stability. Board Policy DBDB, readopted in 2017 calls for management of the annual budget in such a way to ensure an ending fund cash balance of at least 5% of the General Fund total adopted revenues. This amount is made up of a combination of contingency appropriation to be used in an emergency and unappropriated ending fund balance which cannot be used until the following year's budget. The ending fund cash balance provides money to operate at the beginning of the following fiscal year before property tax revenues become available in November.

REYNOLDS SCHOOL DISTRICT 2021-2022 BUDGET OVERVIEW

DEBT SUMMARY
2021-22**

Reynolds School District Debt Service Overview

Reynolds School District debt service payments are funded by voter approved taxes imposed on local property, payments made directly from the District's General Fund, Construction Excise Tax revenues, and through a deduction in the monthly State School Fund payment from the State of Oregon.

The bulk of the District's debt service consists of General Obligation (GO) bonds paid with revenues generated through voter approved tax measures. ORS 328.245 establishes a parameter of bonded indebtedness for school districts. The 2015 Capital Bond program funded security improvements at all District sites, three replacement elementary schools and an addition and remodel to the comprehensive high school. The second largest portion of the District's debt service consists of the District's Unfunded Actuarial Liability (UAL) Bonds. In 2003 the District participated in a state sponsored funding of the District's UAL under Oregon's Public Employee Retirement System (PERS). Funding to meet the 2003 UAL Bonds debt service requirements is deducted from the State School Fund payments made to the District. The net impact of the bonded debt is a reduction in the funding available in all funds as the debt is paid through a payroll calculation, or a cost to payroll. However, the District would have to pay a higher PERS rate on its payroll expenses in lieu of participating in the UAL Bonds.

The District also has debt service for Full Faith and Credit Obligations (FFCO). In 2010, the District refunded the FFCO with a maturity date of 2035. Funding from this financing was utilized for the purchase of land and for building and site improvements in the District. The District refunded the FFCO again in 2020 with a maturity date of 2035. The District was also able to purchase buses with the financing.

REYNOLDS SCHOOL DISTRICT GASB #54 FUND BALANCE REPORTING

GASB #54 - Fund Balance Reporting was implemented in July 1, 2011 to improve the usefulness, understandability and comparability of governmental fund balance information. In the current budget, the District utilizes two classifications; Unassigned and Reserved for Next Year. GASB #54 provides for four categories as follows:

Committed: The committed fund balance classification includes amounts that can be used only for the specific purposes determined by a formal action of the government’s highest level of decision-making authority.

Assigned: The assigned fund balance classification are intended to be used by the government for specific purposes but do not meet the criteria to be classified as restricted or committed.

Unassigned: The unassigned fund balance is the residual classification for the government’s general fund and includes all spendable amounts not contained in the other classifications. Amounts available for any unplanned and foreseen purposes.

Reserved for Next Year: Amounts set aside for next year and NOT available in current year.

Enrollment in kindergarten declined significantly when the entire State moved to full day kindergarten. Reynolds schools implemented full day kindergarten ahead of the State mandated timeline and received an influx of kindergarten students from neighboring districts. When the requirement to offer full day kindergarten was implemented, families returned to their neighborhood schools. Additional enrollment declines have also been noted and families have reported raised rent rates as a reason for relocation out of the District.

Despite high levels of residential development within the District, flexible student transfer regulations established by the State have made it very difficult to predict increased enrollment based on additional residential housing units. The decline began to slow during 2019-20 and projections for the upcoming years remain flat after a small increase.

REYNOLDS SCHOOL DISTRICT STATE SCHOOL FUND

- The formula provides 100% extra funding for students receiving Special Education (SPED) services, however caps the funding for SPED services at 11% of the total regular enrollment.
- Reynolds students receiving SPED services who make up 16.17% of the total regular enrollment, leaving 5.17% of the students to be served without state funding to offset the costs.

The funding formula creates a situation where the base funding for general education for all students must supplement the excess costs of these important programs our students need, leaving less available for general education services to the district for every student.

The 2021-22 Adopted Budget includes \$9.7 Million of the general education funding being carved out due to lack of funding for SPED services from the State. This leaves \$87.7 Million available for district-wide general education services and operations if reserves are not utilized to help fill this gap. The funding gap grows when enrollment declines and our students receiving SPED services either remains constant or grows slightly.

FINANCIAL REPORTING AND BUDGET PROCESS

REPORTING ENTITY

Reynolds School District (the District), a consolidation of several districts, was organized under provisions of Oregon Statutes pursuant to ORS Chapter 332 for the purpose of operating elementary and secondary schools serving grades K-12. The District is governed by a separately elected seven-member Board which approves the administrative officials. The daily operations of the District are under the supervision of the Superintendent. As required by generally accepted accounting principles (GAAP), all activities of the District are included in the basic financial statements.

The District qualifies as a primary government since it has a separately elected governing body, is a legally separate entity, and is fiscally independent.

The following is an overview of the District's funds:

GENERAL FUND 100

The General Fund is the District's primary operating fund and accounts for all revenues and expenditures except those required to be accounted for in another fund.

Expenditure categories include salaries and associated payroll costs, purchased services, supplies and materials, capital outlay and other general expenses. Expenditures are presented by major function categories which contain program descriptions, budgeted positions and program and services analysis. In addition, explanations are available for significant variances which exist between the 2020-21 and 2021-22 budgets.

Revenues come from two main sources: state funding and local property taxes. The state revenue and local property taxes are components of the State School Fund (SSF).

The SSF is allocated through a school equalization formula that includes initial

weighting for the number of students and extra weightings for students eligible for additional services such as special education, English Language development, students experiencing poverty, students in foster care and students who are pregnant and parenting. The calculation consists of four grants including: general purpose, transportation, high cost disability and facility grants.

FEDERAL FUNDS

Accounts for revenues and expenditures of grants restricted for a specific purpose, from the federal government i.e. Title IA, IDEA, HEROES, PPS/Columbia Regional Autism Program and School Improvement.

STATE AND OTHER FUNDS

Accounts for revenues and expenditures of grants received from state and other local agencies for a specific purpose or program i.e. Driver's Education, Energy Efficient Schools SB1149, Mini Grants, Student Activities, Student Investment Account and Summer School.

NUTRITION SERVICES FUND

Accounts for revenues and expenditures for the nutrition services program. Revenue sources include sales of food and subsidies under the National School Lunch and Breakfast Programs received through the State of Oregon.

EARLY RETIREMENT FUND

Accounts for stipends and post-retirement health care benefits as a result of collective bargaining agreements. Principal revenue source is a transfer from the General Fund.

INSURANCE RESERVE FUND

Accounts for costs incurred by the District under its general liability, including but not limited to property liability, Boiler and Machinery/Equipment Breakdown, Crime, Business Auto and Public Entity Liability. Principal revenue source consists of insurance claim proceeds and premium rebates.

REYNOLDS SCHOOL DISTRICT

FINANCIAL REPORTING AND BUDGET PROCESS

DEBT SERVICE FUNDS

Accounts for the District's payment of principal and interest on long-term obligations, including General Obligation (GO) bonds, Limited Tax Pension Obligations and Full Faith and Credit Refunding Obligations (FFCRO). The District maintains separate funds for each of these categories. GO bonds allow the District to finance capital projects such as the construction of new schools, rebuilding schools and equipment. Voters must approve the sale of these bond funds. Limited Tax Pension Obligation bonds were issued to finance the District's unfunded actuarial liability in the Oregon Public Employees Retirement System.

CAPITAL PROJECTS FUNDS

Accounts for activities related to the acquisition, construction, and improvement of District facilities and equipment.

Capital Projects Fund provides for the payment of interest on the 2020 (FFCRO) Series. Accounts for activities related to the acquisition, construction and equipping of facilities. Revenue sources are the excise tax, interest earnings and the capital projects fund.

2015 Capital Project Fund is funded by the passage of Measure 26-164, General Obligation Bond Levy from the May 19, 2015 bond election. The GO Bonds have provided three new elementary schools, additional new classrooms at the high school and upgraded security at several schools by adding secure vestibules. This fund manages the capital expenditures for specifically authorized projects funded the by the 2015 GO bonds.

School Improvement Projects - (QZAB) Fund is funded by the Qualified Zone Academy Bond (QZAB) tax credit bond program whereby bond investors take a tax credit in lieu of interest payments for qualified bonds under the IRS Tax Code. Projects accounted for under the QZAB Bond total \$4,000,000 and include roof

resurfacing, exterior block sealing, HVAC system replacement, and major abatement work.

TRUST FUNDS

Accounts for fund-raising and scholarship resources received and held by the District in a fiduciary capacity. Disbursements from this fund are made in accordance with the trust and fund-raising agreements. The district no longer has trust funds.

MEASUREMENT FOCUS AND BASIS OF ACCOUNTING

The budgetary basis of accounting is the same as accounting principles generally accepted in the United States of America for the governmental fund types, and private purpose trust funds are budgeted by major function in the governmental fund types.

Government-wide, internal service, and fiduciary fund financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded at the time liabilities are incurred.

Governmental fund financial statements are reported using the current financial resources measurement focus and modified accrual basis of accounting. Under this method, revenues are recognized when measurable and available. The District considers all revenues reported in the governmental funds to be available if they are collected within sixty days after year-end. Expenditures are recorded when the related fund liability is incurred, except for principal and interest on general long-term debt, claims and judgments, and accrued vacation which are recognized as expenditures to the extent they have matured. Capital asset acquisitions are reported expenditures in the governmental funds and proceeds from general long-term debt and acquisitions under capital leases are reported as other financing sources.

REYNOLDS SCHOOL DISTRICT

FINANCIAL REPORTING AND BUDGET PROCESS

Proprietary funds distinguish operating revenues and expenses from non-operating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations.

DISTRICT FINANCIAL GOALS

The District will develop a budget to align with statutory and policy requirements, the Strategic Plan and community priorities with particular attention to:

1. Marginalized Students
2. Culturally Responsive Teaching
3. Student and Staff Wellness
4. Professional Development

And, maintain a 5% ending fund cash balance in General Fund in accordance with Board Policy.

KEY FACTORS IN BUDGET DEVELOPMENT

The overarching factors affecting development of the 2021-22 budget are the Oregon economic outlook, State School Fund funding, enrollment, contractual obligations and the COVID 19 pandemic.

The General Fund is the operating fund for the district. The following highlights factors in budget development for the general fund. The Reynolds Education Association collective bargaining agreement expires June 2021, negotiations are ongoing. The Oregon School Employees Association collective bargaining agreement also expires in June 2021, negotiations are ongoing.

Revenues: Based upon the Governor's proposed budget of \$9.3 billion statewide for the biennium, with a 49/51 split between the two fiscal years. The District's portion based on projected enrollment for 2021-22 is estimated to be \$98,753,400. Additionally, the estimated Transportation Grant from the State is estimated to be \$5,320,000.

Estimated Common School Fund and County School Fund revenues for 2020-21 are \$1,278,325.

Estimated property tax revenue of \$29,170,394 is based upon a 3.5% growth factor and collections are estimated to be at 97% based upon the Oregon Department of Revenue's published estimates for Multnomah County.

Student enrollment is based on Average Daily Membership Resident (ADMr) projections and are based on data collected from each building, including Charter Schools, and have been estimated at 10,487.

General Fund revenues and resources are projected to be \$145,757,736, with \$134,658,099 in revenues and \$11,099,637 in reserves or beginning fund balance.

Expenditures: Program costs for instruction, support and administrative functions primarily consist of personnel related expenses. The budget is based upon negotiated collective bargaining agreements with licensed, classified and administrative employee groups. These agreements determine expenditures for wages and insurance benefits and are the basis for calculations of required personnel costs. District personnel costs include:

- PERS Employer Rate – 8.97% for Tier 1 and Tier 2 Employees and 5.86% for OPSRP Employees.
- PERS UAL Bonds – maintained the same 12.0% for all PERS eligible employees
- FICA – 7.65% employer match
- Workers Compensation – ranging from 1.7% to 6.8%
- Unemployment – 0.4%
- Insurance – cap based upon negotiated amounts

District PERS costs decreased due to new rates for the new biennium.

REYNOLDS SCHOOL DISTRICT FINANCIAL REPORTING AND BUDGET PROCESS

All other costs such as purchased services, supplies and materials and other objects are based on projected plans for service delivery during the fiscal year.

The General Fund expenditures are projected to be \$145,757,736. The budget is balanced with a contingency and Unappropriated Ending Fund Balance amount that together comply with the Board Policy of ending each year with a 5% ending cash balance in the General Fund.

Property taxes are levied by the District on the assessed valuation of real and personal property located within the district which, within legal limits, is the final authority in determining the amount to be raised for school purposes. State School Funds and property taxes are the two largest funding sources in the General Fund.

In addition to local property tax, the local revenue is comprised of the following: Transportation Grant, Interest on Investments, Admissions & Fees, Rentals, Miscellaneous, Medicaid Administrative Claiming (MAC) and Medicaid. The District does not have alternative revenue or an operating levy.

THE BUDGET PROCESS

The District prepares its annual budget in accordance with Oregon Local Budget Law (ORS 294), which provides standard procedures for the preparation, presentation and administration of budgets. Public involvement in budget preparation is mandated by the law. Oregon Local Budget Law also requires that the budget be balanced – projected resources must equal projected requirements in each fund. Preparation of the budget involves many steps and months of collaborative work by District staff and stakeholders.

Notice of the first budget meeting is published in the local newspaper, five to thirty days before the first budget meeting, and posted on the District's website.

Once a proposed budget is developed, the Superintendent presents the budget and Budget Message to the Budget Committee, which then reviews, asks questions and receives public comment. The Budget Committee approves a budget and tax levy, and recommends adoption to the Board of Director's.

Once a proposed budget document is provided to the Budget Committee it is available to the general public and citizens may obtain a copy by calling (503) 661-7200 or downloading a copy from the District's website at www.reynolds.k12.or.us.

HOW THE BUDGET IS ADOPTED

In addition to the seven-member Board of Director's, the Budget Committee is comprised of seven additional members appointed by the board. The Budget Committee's duties are to hear and receive the Superintendent's Proposed Budget, ask questions and receive public testimony, approve a budget, and levy taxes on the approved budget. After the Budget Committee approves a budget, the budget is forwarded to the Board of Director's for further public testimony and review. A summary of the approved budget and notice of budget hearing is published in the local newspaper, five to thirty days in advance of the hearing. The notice indicates where the complete budget document is available for review.

After a budget hearing and consideration of public testimony, the Board of Director's will then adopt the annual budget and the tax levy prior to June 30. See chart on next page for an illustration of the process.

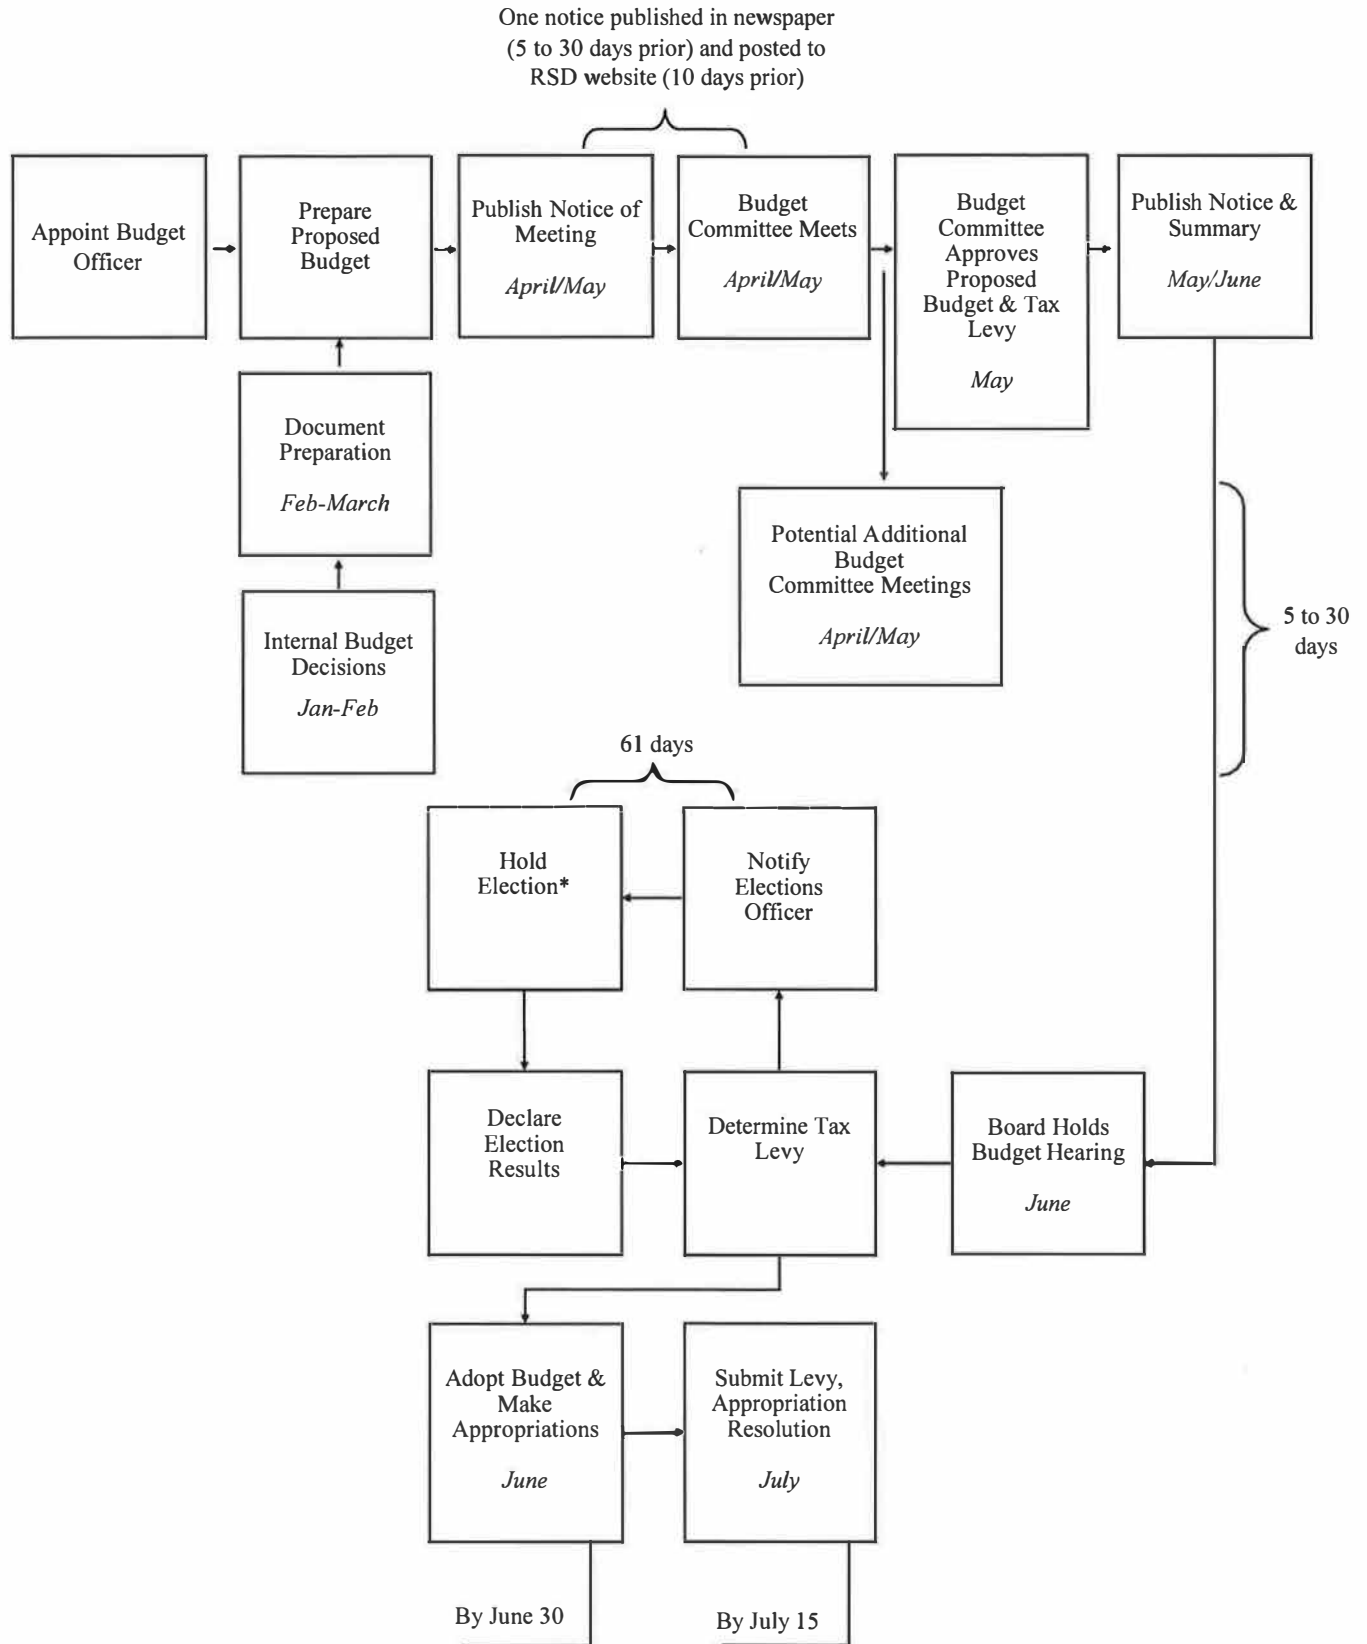

SUPPLEMENTAL BUDGETS

If the school district receives unanticipated revenues or a change in financial planning is required, a supplemental budget may be adopted to authorize a change in the budget within the fiscal year. A supplemental budget cannot be used to authorize a tax levy.

REYNOLDS SCHOOL DISTRICT FINANCIAL REPORTING AND BUDGET PROCESS

The Board of Director's may adopt a supplemental budget at a regular public meeting if expenditures in the supplemental budget are less than 10 percent of the annual budget of the fund being adjusted. If the expenditures are greater than 10 percent, the Board of Director's must first publish the supplemental budget and hold a special hearing.

Discussion:

Each summarized theme was categorized into one or more of the Strategic Plan Goal Topics to ensure prioritized themes are aligned with the Reynolds School District Strategic Plan.

During this discussion, key considerations for budget priorities based on community and staff input were evaluated. After careful discussion, the Board voted to add one category, Additional Academic Supports, to reflect the need to budget for supports focused on learning loss during closures, specifically for our most impacted students.

Strategic Plan Goal Topics

- Goal Topic #1: **Marginalized Students**
- Goal Topic #2: **Culturally Responsive Instruction**
- Goal Topic #3: **Student and Staff Wellness**
- Goal Topic #4: **Professional Development**

Prioritization of Budget Themes:

Board members were advised by the Director of Financial Services that the 2021-2022 was expected to be a constraint budget due to anticipated level funding from the previous year, while accounting for increased overhead and staffing costs. Understanding that all the identified budget themes hold priority, the board was advised that it was important to identify the highest priority themes while in a constraint budget to give guidance in developing the budget.

Individual board members were asked to identify their top three priorities for funding for the 2021-2022 school year while in a constraint budget. Results were tabulated to determine which themes were identified the most. After careful review and discussion, the Board determined the following budget themes should be used by administration in developing the 2021-22 Reynolds School District budget.

Prioritized Themes: (in order of Board priority)

- 1 Mental Health Supports
- 2 Additional Academic Supports
- 3 Culturally Responsive Curriculum

The Superintendent of Schools and administration will use the Board's prioritized themes as guidance to make recommendations to the Budget Committee and Board when developing the proposed 2021-22 budget.

BUDGET DEVELOPMENT AND MANAGEMENT PROCESS BY MONTH**

REYNOLDS SCHOOL DISTRICT BUDGET DEVELOPMENT AND MANAGEMENT PROCESS BY MONTH

REYNOLDS SCHOOL DISTRICT MEASURES AND LEVIES

MEASURE 5

In November 1990, Oregon voters approved Measure 5, a citizen's initiative limiting total taxes on each property in the state to 1.5 percent of the property's real market value and shifting responsibility for funding public education to the state from the local level.

Measure 5, a constitutional amendment, phased in the tax limit for schools over a five-year period, beginning with a limit of \$15 per \$1,000 of property value in 1991-92 and decreasing to a permanent limit of \$5 per \$1,000 of value in the 1995-96 fiscal year. Tax limitations do not apply to bonded debt for capital construction.

In response to the requirement that the state replace school tax revenue lost under Measure 5, the legislature created the State School Fund (SSF) and established an equalization formula to allocate revenue to schools on a weighted per-student basis.

Since Measure 5 was passed, the state's share of funding to schools increased from about 30% to about 70%.

MEASURE 50

In 1997, Oregon voters approved Measure 50, an initiative referred by the legislature to implement the provisions of Measure 47. The purpose of Measure 50 was to clarify legal ambiguities in the original measure and change the property tax system from a tax base system (where a dollar rate is levied) to a tax rate system (where a permanent rate is levied). As a result, in 1997-98 assessed values were rolled back to 1995-96 valued minus 10% and future assessed value increases were capped at 3% per year plus exceptions such as the value of new construction. The district's permanent rate was set at \$4.4626 per \$1,000 of assessed value. Other provisions limited the use of the bonded debt and required a 50% voter turnout for property tax elections except at general elections (November of even-numbered years).

MEASURE 56

In November 2008, voters amended the state constitution to require that all local property tax measures on May and November elections be decided by majority vote, overturning the "double majority" requirement of Measure 50.

MEASURES 66 AND 67

In January 2010, Oregon voters upheld two tax increases approved by the 2009 legislature. Measure 66 increased personal income tax rates for high income individuals, and Measure 67 increased corporate taxes by raising the \$10 corporate minimum tax to \$150, raising the corporate profits tax, and increasing certain business filing fees.

MEASURE 98

In November 2016, Oregon voters approved Measure 98, a dropout prevention and college readiness initiative. Measure 98 requires state funds to be distributed to public school districts for approved plans to establish or expand career and technical education programs, to establish or expand college-level educational opportunities for students and to establish or expand dropout prevention strategies in high schools.

MEASURE 99

In November 2016, Oregon voters approved Measure 99 using Oregon Lottery funds to create the Oregon Outdoor School Education Fund. The program dedicates funds to provide every student in the fifth or sixth grade the opportunity to attend a week-long outdoor school program.

LOCAL OPTION LEVY

Since 1999, school districts have been allowed to request voter approval for local property tax levies to support operations and/or capital needs. This represents the only opportunity for district voters to increase revenue for district operations since Measure 5 passed in 1990. Local option capacity represents the "tax gap" between the Measure 5 tax rate limit based on

REYNOLDS SCHOOL DISTRICT MEASURES AND LEVIES

real market value and the Measure 50 tax rate based on assessed value.

As revised by the 2007 legislature, the amount a district can receive under a local option levy is restricted to the least of:

- Measure 5 limit: revenue received by the district from local option taxes imposed;
or
- Dollars per student: \$1,000 per average daily membership, weighted (ADM), growing by 3% per year as of 2008-09;
or
- Percent of state resources: 20% of the combined total of the state general purpose grant, transportation grant, facility grant and high cost disability grant.

Operating levies cannot exceed five years. Capital levies cannot exceed the lesser of ten years or the expected useful life of the asset(s).

Local option levies for more than a year may be filed as either a fixed dollar amount per year or a tax rate. Local option revenue is excluded from the state funding formula.

Reynolds School District does not currently have a local option tax.

GENERAL OBLIGATIONS BONDS

Districts may levy taxes for the repayment of bonded debt upon voter approval. Tax levies or bonded debt fall outside the limits of Measure 5.

Measure 50 limited the use of bonded debt to funding capital construction and improvements and prohibited using bonds to finance the purchase of equipment or maintenance and routine repairs.

The 2009 state legislature approved a provision of the Oregon Constitution which effectively expanded the range of the qualifying uses of

bond proceeds by re-defining “capital costs” as costs of land and of other assets having a useful life of more than one year, including costs associated with acquisition, construction, improvement, remodeling, furnishing, equipping, maintenance or repair. Bonds may not be used to pay for the costs of routine maintenance or supplies.

Voters approved a \$125 million bond measure on the May 19, 2015 ballot to provide funds for construction and improvements throughout the district. See Financial Section, 2015 Capital Bond Project for further details.

STUDENT INVESTMENT ACCOUNT

The Student Investment Account (SIA) comes from the Student Success Act. Oregon Governor Kate Brown signed House Bill 3427, the Student Success Act, into law on May 2019. The purpose of the Student Success Act was to correct underinvestment in our schools and our children and includes sweeping provisions for new and improved services for children and families. The Act funds three accounts:

- The Early Learning Account (at least 20 percent)
- Student Investment Account (at least 50 percent)
- Statewide Education Initiatives (up to 30 percent)

There are two stated purposes for the funds distributed under the SIA:

- Meet students’ mental or behavioral health needs, and
- Increase academic achievement for students, including reducing academic disparities for:
 - Economically disadvantaged students;
 - Students from racial or ethnic groups that have historically experienced academic disparities;
 - Students with disabilities;
 - Students who are English

REYNOLDS SCHOOL DISTRICT MEASURES AND LEVIES

- language learners;
- Students who are foster children;
- Students who are homeless; and
- Any other student groups that have historically experienced academic disparities, as determined by the State Board of Education

The SIA spending plan had to be focused in any, some or all of the allowable uses that were detailed in HB 3427. Reynolds used the allowable uses as they engaged with their students and families from the priority populations and staff to discuss, inform and develop their SIA plan and application to ensure it meets the spirit and intent of the law.

FUND BALANCE

The Board recognizes its responsibility to establish an unreserved fund balance in an amount sufficient to:

1. Protect the district from unnecessary borrowing in order to meet cash-flow needs;
2. Provide prudent reserves to meet unexpected emergencies and protect against catastrophic events;
3. Meet the uncertainties of state and federal funding; and
4. Help ensure a district credit rating that would qualify the district for lower interest costs and greater marketability of bonds that may be necessary in the construction and renovation of school facilities.

Consequently, the Board directs the superintendent to manage the currently adopted district budget in such a way to ensure an ending fund cash balance of at least 5 percent of total adopted revenues.

In determining an appropriate unassigned fund balance, the Board will consider a variety of factors with potential impact on the district's budget including the predictability and volatility of its expenditures, the availability of resources in other funds as well as the potential drain upon general fund resources from other funds; liquidity; and designations. Such factors will be reviewed annually.

BUDGET PREPARATION

The superintendent has the overall responsibility for budget preparation and will develop such procedures necessary to ensure that the proposed budget reflects all areas of district operation.

The superintendent and administrative staff will establish budget priorities for the district and will make appropriate recommendations related to those priorities to the board and budget committee.

The superintendent will deliver the budget message and actual budget document to the budget committee when the message and budget have been completed and are ready for presentation.

BUDGET COMMITTEE

By law, the budget committee is charged with making recommendations concerning financial priorities.

The budget committee will have the responsibility for reviewing the financial programs of the district, reviewing the proposed district budget as presented by the superintendent, and recommending an annual or biennial district budget in keeping with the provisions of applicable state laws.

Educational policy decisions, however, are the responsibility of the board, not the budget committee. The committee does not have the

REYNOLDS SCHOOL DISTRICT SCHOOL BOARD POLICIES

authority to add programs or to approve additional personnel or increase salaries. While the committee may, in effect, delete programs because of a fund decrease in arriving at a levy figure, the committee is charged primarily with a fiscal evaluation of programs. The committee may, alternatively, set an amount that changes the recommended budget and may request the administration make such changes in accordance with priorities set by the board.

The budget committee consists of seven members appointed by the board plus the elected board members. To be eligible for appointment, the appointive member must:

1. Live and be registered to vote in the district.
2. Not be an officer, agent or employee of the district.

No budget committee member may receive any type of compensation from the district.

At its first meeting in July, the board will identify vacant budget committee positions which must be filled by appointment of the board. The board will announce the vacancies and accept applications through August. Such applications will include a signed statement that the applicant is willing to serve as a member of the budget committee and to adhere to the policies of the district. The board may appoint budget committee members to as many consecutive terms as deemed appropriate.

At the first regular board meeting in September, the board will review the names of persons filing applications and names of those persons who have served previously and are willing to be reappointed. At the first regular meeting in October, the board will appoint persons to fill the vacant positions.

The appointive committee member of the budget committee in a district that prepares an annual budget will be appointed for three-year terms. The terms will be staggered so that, as

near as practicable, one-third of the appointive members' terms end each year. Appointive members of a budget committee in a district that prepares a biennial budget shall be appointed to four-year terms. The terms shall be staggered so that near as practicable, one-fourth of the terms of appointive members expire each year. If any appointive member is unable to complete the term for which he/she was appointed, the board will announce the vacancy at the first regular board meeting following the committee member's resignation or removal. An appointment to fill the position for its unexpired term will be made at the next regular board meeting.

At its first meeting after appointment, the budget committee will elect a presiding officer from among its members. It may also establish other ground rules as necessary for successful operation of the committee.

A majority of the constituted committee is required for passing an action item. Majority for a 14-member budget committee is 8. Therefore, if only 8 members are present, a unanimous vote is needed for passing an action.

The budget committee shall hold one or more meetings to receive the budget message, receive the budget document and to provide members of the public with an opportunity to ask questions about and comment on the budget document. The committee may request the attendance of any district employee at its meetings. The budget committee will approve the budget as submitted by the superintendent or as subsequently revised by the committee.

After approval of the original or revised budget document, the budget committee's duties cease. The hearing on the approved budget is held by the board.

REYNOLDS SCHOOL DISTRICT EQUITY FOR ALL

The Reynolds School District believes that the success of every child and learner in Oregon is directly tied to the prosperity of all Oregonians. We believe that all people have the ability to learn and that we have an ethical and moral responsibility to ensure an educational system that provides an optimal learning environment.

Working toward equity requires a clear understanding of historical contexts, the active investment in changing social structures and sufficient resources to guarantee the success of each and every child. We believe that one of our most critical responsibilities going forward is to implement a set of concrete criteria and policies in order to reverse this trend and deliver the best educational continuum and outcomes to our children by explicitly identifying disparities in these educational outcomes. The Reynolds School District is committed to changing practice to ensure that all community members can be prepared for a world yet to be imagined.

Through the administration of policy, professional development and cultural literacy in our community, the District will work toward:

- Raising the achievement of all students while narrowing the gap between the highest and lowest students
- Eliminating the racial predictability and disproportionality in all aspects of education and its administration
- Ensuring that all students, regardless of race or class, graduate from Reynolds School District ready to succeed in racially and culturally

diverse local, national and global communities

The Reynolds School District focuses on key areas of value:

- the administration of collectively transformative cultural experiences
- the development of cultural responsiveness in all students and staff
- the restoration of confidence in personal agency and social ethics
- the provision of spaces for acceptance, self-expression and culture

In order to accomplish the goals set forth by Policy, the rationale and values for Equity can be summarized into three areas of focus: language development, policy & cultural outreach, and continuous improvement.

Language Development

Spanning over multiple municipalities, the Reynolds School District serves a variety of diverse language and ethnic communities.

The Reynolds Equity Policy embodies this vision through an inclusionary commitment to language, literacy, and the respect for the rights of humans from all walks of life. The District promotes, supports and celebrates multi-literacy to ensure that all students, regardless of race or class, graduate from Reynolds ready to succeed in a racially and culturally diverse global, national, and local community.

At Reynolds School District, the forms and functions of language are integrated alongside core content to provide a fully integrated

REYNOLDS SCHOOL DISTRICT EQUITY FOR ALL

language learning experience.

Exceptional English Learners, such as those with disabilities, deserve access to the full range of language development services with the benefit of the least restrictive environment. The District customizes a wide range of instructional, and systemic protocols that ensure differentiated points of access for all learners. English Language Development teams also strive to identify talented and gifted students of language difference.

Continuous Improvement for an Equitable Future

Continuous improvement is at the heart of the work in the Reynolds School District. The rich variety of ethnic identity, languages, and cultural diversity require clear, multiple and accessible pathways for students in the district to experience success. We recognize the diverse families, students and community partners as collaborative members, and strive to secure the academic success of all students through these partners.

Policy, Self-Evaluation Community Outreach

The Reynolds School District takes very seriously its responsibility as a steward and custodian of civil rights, and is therefore committed to ensuring fairness and equity for Reynolds students and staff. Federal provisions have greatly contributed to the civil freedoms of minorities across the nation. Through district policy Reynolds builds upon federal provisions and encourages equitable, safe, welcoming, diverse school environments that do not encroach upon the civil liberties and rights of our students and their communities.

Compliance with federal mandates provides a base upon which continuous improvement

models that protect the rights of individuals can be developed and implemented. It is a core value of the Reynolds School District to continuously design and implement equitable district policies, procedures and programs complying with federal state and local laws that uphold civil rights of all individuals.

The district prohibits discrimination and harassment on any basis protected by law, including but not limited to, an individual's perceived or actual race, color, religion, sex, mental or physical disability or perceived disability, pregnancy, familial status, economic status, veterans' status, marital status or age, or because of the perceived or actual race, color, religion, sex, sexual orientation, national or ethnic origin, mental or physical disability or perceived disability, pregnancy, familial status, economic status, veterans' status, marital status or age, of any other persons with whom the individual associates.

Seamless integration of civil rights laws and district equity policy reinforces a nondiscriminatory environment and promotes the creation of healthy, secure, and safe spaces for all students to discover, explore and envision worlds yet to be imagined.

DISTRICT EQUITY POLICY

Reynolds School District is dedicated to closing the opportunity gap and creating learning communities that provide support and academic enrichment programs for all students. Additionally, the district believes that it is the right of every student to have an equitable educational experience within the Reynolds School District.

The concept of educational equity goes beyond formal equality where all students are treated the same. Educational equity fosters a barrier-free environment in which all students, regardless of race, class, or other personal characteristics such as creed, color, religion, ancestry, national origin, age, economic status, sex, sexual orientation, including but not limited to gender expression or identity, pregnancy status, marital status, physical appearance, the presence of any sensory, mental or physical disability, or the use of a service animal by a person with a disability, have the opportunity to benefit equally.

Equity requires differentiating resource allocation, within budgetary limitations, to meet the needs of students who need additional supports and opportunities to succeed academically.

A student whose history and heritage are appreciated and celebrated, may enjoy higher levels of learning and success, than a student who is forced to overcome cultural barriers.

The Reynolds School District will work toward:

1. Raising the achievement of all students while narrowing the gap between the lowest and highest performing students;

2. Eliminating the racial predictability and disproportionality in all aspects of education and its administration (e.g., the disproportionate over-application of discipline to students of color, their over-representation in special education and their under-representation in various advanced learning programs);
3. Supporting students, regardless of race or class, to graduate from Reynolds School District ready to succeed in a racially and culturally diverse local, national, and global community.

In order to achieve educational equity for each and every student, the district shall embrace the following:

REYNOLDS SCHOOL DISTRICT HISTORY OF THE DISTRICT

The Reynolds School District formed in 1954 as a consolidation of the Fairview, Troutdale and Wilkes elementary school Districts for the purpose of building a new high school. In 1975, Rockwood School district merged with Reynolds. The district serves Portland, Gresham, Fairview, Wood Village and Troutdale, and is a mix of urban and rural, high tech manufacturing and farm land.

The District has 11 elementary schools, three middle schools, one high school, one alternative school and five alternative programs, serving 9,620 students from a diverse geographic region and from various backgrounds. Its students speak more than 72 languages.

The District also has 3 sponsored charter schools, Arthur Academy, Rockwood Preparatory Academy (formerly KNOVA) and Multnomah Learning Academy (MLA). In May of 1999, the State of Oregon passed Oregon's Charter School Law (ORS 338) which permits parents, teachers, or community members to contract with the School district or the State as a sponsor for the operation of a charter school. The charter schools are financed by a portion of the State School Funds distributed to the District and any revenue they can raise themselves. The District is allowed to withhold 5 – 11% of its State School Funds, per ADMw. A total of 9.69 District FTE work at the Charter Schools and those costs are netted from the District's funding pass-through to the Charters. The District is responsible for oversight of special education and English learner development to its students. The District has no equity interest in any of the charter schools, and all are considered legally separate organizations.

Reynolds High School consistently ranks as one of the largest, in terms of student population, in the state. High school students may also attend the Center for Advanced Learning, a charter school partnership between four neighboring districts (Centennial, Corbett, Gresham-Barlow and Reynolds), where students can choose to focus on health sciences, engineering or computer science.

The district has successfully partnered with area businesses to meet common goals and improve students' education experiences. Some of the District's leading partners for academic enrichment and after-school intervention include:

The Boeing Company of Portland, the Craig Awards, Lowes, McMenamans and others have donated funds to the Reynolds Education Foundation, which provides grants to improve student learning. Local businesses and the Snow Cap also work with district schools, donating food during the holidays and many other endeavors.

The seven Board of Directors that govern the Reynolds School District serve without compensation. All are elected at large to four-year-terms. The Board of Education is the policy making body and is exclusively responsible providing an education program for students living within Reynolds School District. The chief administrative officer of the District is the Superintendent who is appointed by the Board.

REYNOLDS SCHOOL DISTRICT HISTORY OF THE DISTRICT

The entire Board, together with seven appointed residents of the school district, serves as the District’s Budget Committee. The role of the Budget Committee is to help assure that the District budget document and fiscal practices address the budget goals set by the Board of Education.

Location:

The Reynolds School District boundaries

encompass a 27 square mile area, which includes the cities of Fairview, Troutdale, Wood Village, North Gresham and Northeast Portland, as well as some unincorporated areas. The district spans from 141st Avenue to the Sandy River and from the Columbia River on the North to SE Market Street and SE Stark Street to the South. An estimated population of 70,309 is served by the district.

REYNOLDS SCHOOL DISTRICT

THE BUDGET AT A GLANCE

The Budget Process

Oregon Local Budget Law (ORS 294.305 to 294.565) defines a process and format for school districts' annual budget preparation and presentation. A budget is balanced when the projected resources equal projected requirements within each fund. The Oregon Department of Education (ODE), through the administrative rule process, adopts a chart of accounts that is used to classify revenues and expenditures. All Oregon school districts are expected to follow the chart of accounts for budgeting and financial reporting. The Reynolds School District appropriates its expenditure budget at the major function level. The functional areas, as defined by ODE, are Instruction, Support Services, Enterprise and Community Services, Facilities Acquisition and Construction, Other Uses (mainly transfers), Contingency, and Unappropriated Ending Fund Balance.

The District's budget message and proposed budget is based on an \$9.1 Billion State School Funding level for 2021-23. The 2020-21 adopted budget for the District is \$200,587,306 for all funds, a \$19.8 million decrease from the 2019-20 adopted all funds budget, due largely to the completion of major capital bond projects.

General Fund

As adopted the General Fund budget for 2021-22 totals \$145,757,736. This is a decrease of \$2,072,072 from the 2020-21 adopted budget. State School Fund revenues are based upon average daily membership (ADM) of students enrolled for a full school year. The increased revenues consist of State School Fund, property tax and beginning fund balance increases. The State School Fund revenue decrease is due to a decrease to enrollment when compared to 2020-21 revenues.

While resources have not improved, the major factor impacting the general fund is the funding cap placed on special education services. Staffing is proposed to remain at the 2020-21 levels. An analysis of major objects including Salaries, Associated Payroll Costs, Purchased Services, Supplies & Materials, Capital Outlay, Other, and Transfers provides further explanation.

As illustrated in the chart, the 2021-22 adopted budget allocates 55.75% to Instruction, 37.96% to Support Services, 3.46% to Unappropriated Ending Fund Balance, 1.22 % to Transfers, 0.14% to Debt Service, 1.15% to Contingencies, and 0.32% to Community Services and Child Care.

It is helpful to compare the 2021-22 adopted and 2020-21 adopted budgets. Support Services reduced from 38.03% to 37.96%, the allocation to Instruction decreased from 56.29% to 55.6%, transfers increased from .88% to 1.2%, and Debt Service decreased from 0.23% to 0.1% of the total General Fund budget.

REYNOLDS SCHOOL DISTRICT THE BUDGET AT A GLANCE

Revenue Outlook

The General Fund revenue budget includes \$98,753,400 from the State School Fund formula.

The proposed budget estimate was based on ODE’s February 26, 2021 projection adjusted to a projected statewide K-12 school funding level of \$9.1 Billion. Of this amount, \$5.32 million is reimbursement for Transportation programs. The budget committee increased the General Fund by \$1.3 million due to the statewide K-12 funding level being raised to \$9.3 billion in May 2021.

Ending Fund Balance Activity

The District’s adopted expenditures will exceed the projected 2021-22 annual revenues and require a spend down of District resources.

Due to the uncertainty of the economy during the COVID-19 pandemic, the district also has used a portion of the ESSER II in the proposed budget to help continue supporting students and families and to stabilize our General Fund as we attempt to recover from the pandemic.

It is important to note that the committed contingency amounts identified in the budget are to cover a variety of items, such as:

- FTE for enrollment in excess of projections;
- Carry-forward resources for the upcoming budget year; and
- Uncommitted amounts for unforeseen expenses.

REYNOLDS SCHOOL DISTRICT PUBLIC EMPLOYEES RETIREMENT SYSTEM (PERS) AND POST EMPLOYMENT BENEFITS

PUBLIC EMPLOYEE RETIREMENT SYSTEM (PERS)

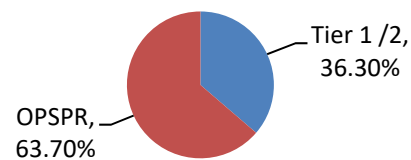

Reynolds School District is a **Public Employee Retirement System (PERS)** employer and all employees who work in PERS qualifying positions at Reynolds School District become PERS members. Employees hired after August 29, 2013 are members of a new plan created by the Legislature to reduce cost: The Oregon Public Service Retirement Plan or OPSRP. More information about PERS can be found at <http://www.oregon.gov/pers>.

In 2003, the District participated in the Oregon School Boards Association limited tax pension obligation bond issue to finance a portion of the estimated unfunded PERS actuarial liability (the "UAL"). A \$80,978,772 was borrowed to offset which is adjusted every two years.

PERS costs continue to rise impacting district budgets throughout Oregon until the 2021-23 biennium.

POST EMPLOYMENT BENEFITS

As a result of collective bargaining agreements, the District has a single-employer run post-retirement health care benefit plan, which is offered to certain employees who retire with 15 years of service and have attained the age of 58, but are not yet eligible for Medicare. These benefits are available until age 62 to 65 and are fully paid by the District. Contributions are

financed by the General Fund and recorded as expenditures on a pay as you go basis in the Early Retirement Fund. The cost of these benefits in fiscal year 2020 was \$33,698 and budgeted at \$50,000 in 2020-21. The 2021-22 budget is \$75,000. A 3% annual reduction is currently projected.

ANNUAL OPEB COST AND NET OPEB OBLIGATION FOR IMPLICIT BENEFIT AND DISTRICT CONTRIBUTIONS

The annual OPEB cost and net OPEB obligation is calculated based on the annual required contribution of the employer (ARC), an amount actuarially determined in accordance with the parameters of GASB Statement 45. The ARC represents a level of funding that, if paid on an ongoing basis, is projected to cover normal cost each year and amortize any unfunded actuarial liabilities (or funding excess) over a period not to exceed thirty years. The following table shows the components of the District's annual OPEB cost for the year ending June 30, 2017, the amount actually contributed to the plan, and changes in the District's net OPEB obligation:

DEBT SUMMARY
2021-22**

Reynolds School District Debt Service Overview

Reynolds School District debt service payments are funded by voter approved taxes imposed on local property, payments made directly from the District's General Fund, Construction Excise Tax revenues, and through a deduction in the monthly State School Fund payment from the State of Oregon.

The bulk of the District's debt service consists of General Obligation (GO) bonds paid with revenues generated through voter approved tax measures. ORS 328.245 establishes a parameter of bonded indebtedness for school districts. The 2015 Capital Bond program funded security improvements at all District sites, three replacement elementary schools and an addition and remodel to the comprehensive high school. The second largest portion of the District's debt service consists of the District's Unfunded Actuarial Liability (UAL) Bonds. In 2003 the District participated in a state sponsored funding of the District's UAL under Oregon's Public Employee Retirement System (PERS). Funding to meet the 2003 UAL Bonds debt service requirements is deducted from the State School Fund payments made to the District. The net impact of the bonded debt is a reduction in the funding available in all funds as the debt is paid through a payroll calculation, or a cost to payroll. However, the District would have to pay a higher PERS rate on its payroll expenses in lieu of participating in the UAL Bonds.

The District also has debt service for Full Faith and Credit Obligations (FFCO). In 2010, the District refunded the FFCO with a maturity date of 2035. Funding from this financing was utilized for the purchase of land and for building and site improvements in the District. The District refunded the FFCO again in 2020 with a maturity date of 2035. The District was also able to purchase buses with the financing.

Note: Details regarding the District's outstanding debt can be found in the notes to the financial statements:

(1) ORS 328.245 establishes a parameter of bonded indebtedness for school districts. Aggregates are governed by real market values of all taxable properties within the District based on the following: (A) For each grade from kindergarten to eighth for which the District operates schools, fifty-five one-hundredths of one percent (.0055) of real market value. (B) For each grade from ninth to twelfth for which the District operates schools, seventy-five one-hundredths of one percent (.0075) of real market value. Allowable percent of real market value: (A) Kindergarten through eighth grade, 9*.0055=4.95% (B) Ninth through twelfth grade, 4*.0075=3.00% or 7.95% of real market value. Real market value data can be found on Table of Assessed Value and Actual Value of Taxable Property.

(2) The legal debt margin is the District's available borrowing authority under ORS 328.245 and is calculated by subtracting the net debt applicable to the legal debt limit from the legal debt limit.

(3) Demographic and Economic Statistics can be found on Personal Income and Population and Assessed Value and True Cash Value Pages.

ADOPTED BUDGET
2021-2022

Capital Project Fund - Full Faith and Crediting Refunding Obligations, Series 2020

Provides for the payment of interest on the 2010 FFCRO Series that was recently refunded to Series 2020. Accounts for the activities related to the acquisition, construction, and equipping of facilities. Revenue sources are the excise tax, interest earnings and the capital project fund.

Capital Projects

With the passage of Measure 26-164, for General Obligation Bond Levy May 19, 2015 bond election, the district began work to replace three elementary schools: Fairview, Wilkes and Troutdale. These schools were all built between 1913 and 1926. Reynolds High School added new classrooms. The bond also allowed for upgrading security at several school vestibules. The fund manages the capital expenditures for specifically authorized projects funded by the 2015 General Obligation Bonds.

School Improvement Projects - QZAB

The Qualified Zone Academy Bond is a tax credit bond program whereby bond investors take a tax credit in lieu of interest payments for qualified bonds under the IRS Tax Code. Projects accounted for under the QZAB Bond total \$4,000,000 and include roof resurfacing, exterior block sealing, HVAC system replacement, and major abatement work.

A major component of the Bond program includes the construction of three new elementary schools at the existing sites of Fairview Elementary, Troutdale Elementary, and Wilkes Elementary. The Bond program also includes additions and renovations to be constructed at Reynolds High School. The final element of the Bond program is the design and construction of secure vestibules in 12 other schools within the District.

REYNOLDS SCHOOL DISTRICT STATE SCHOOL FUNDING FORMULA

State School Fund Grants and Property Tax Revenues

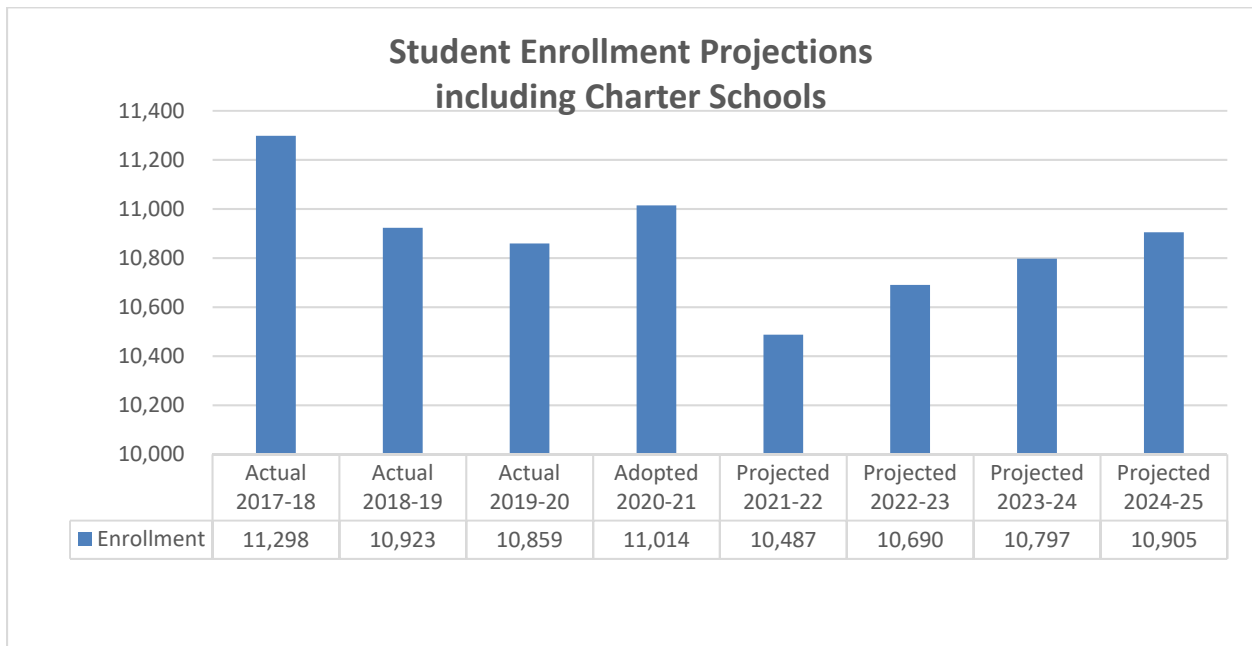

(Funding Per Student)

State School Fund and Property taxes are primary sources of Reynolds School District’s Operating Fund, General Fund. The Legislature determines how much money is available from both State sources such as income taxes, and local sources, primarily property taxes.

State School Fund (SSF)

State School Fund is calculated based on enrollment. A per-student amount consists of two different enrollment numbers: average

daily membership, resident (ADMr) and average daily membership, weighted (ADMw). The ADMr number represents the average number of students enrolled in at Reynolds School District on a daily basis. The ADMw is an adjusted number to compensate for the high costs of educating certain groups of students, such as English as Second Language, special education, pregnant or parenting, income at or below poverty and students in foster care.

REYNOLDS SCHOOL DISTRICT STATE SCHOOL FUNDING FORMULA

Property Taxes

Property taxes from each school district's permanent rate are deducted from the General Purpose Grant to determine the amount the

school district will receive from the State School Fund Grant.

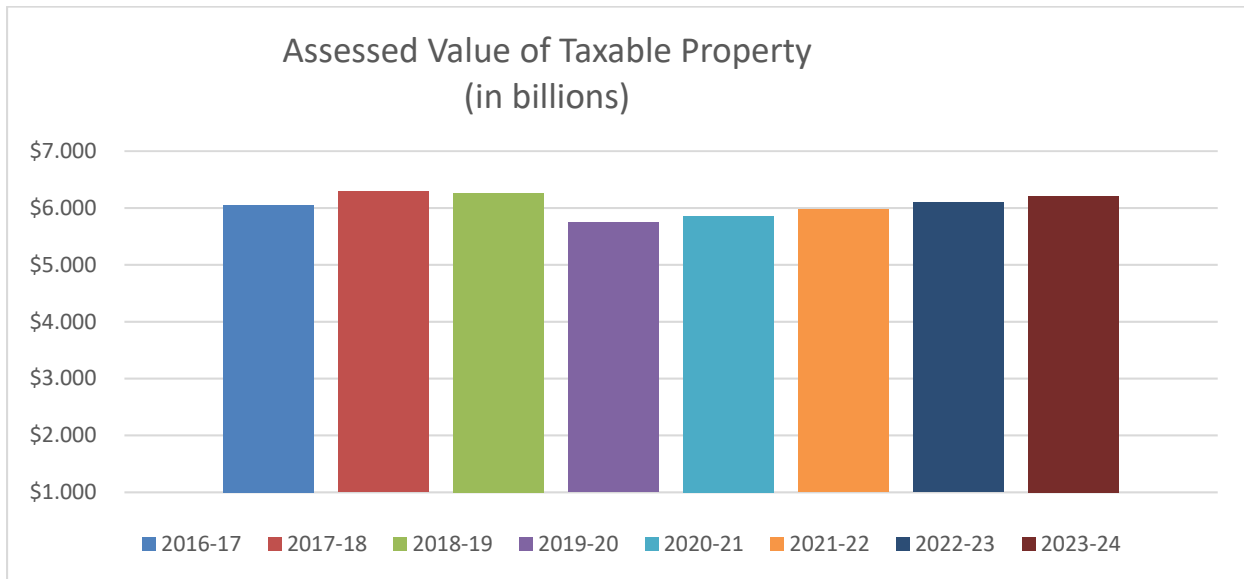

Property owners are taxed on the combined rates of education and debt service to repay bonds exempt from Measure 5. The Permanent Property Tax Rate for Reynolds School District is \$4.4626 per \$1,000 per assessed value.

In 1990, when Measure 5 passed, which limits the amount of property taxes education districts could collect to \$5 per \$1,000 of real market value. At the same time, Measure 5 requires the

State to replace property tax revenue lost due to the measure's limitations. In 1997, Measure 50 separated assessed value from real market value. Assessed values are limited to 3% increases a year unless there is new construction. Even if the market value is reduced, the assessed value can still go up by 3%. Once the assessed value "catches up" to market value, it can only go up if the market value goes up.

REYNOLDS SCHOOL DISTRICT STATE SCHOOL FUNDING FORMULA

The permanent tax rates are determined by the State of Oregon Constitution and State Statutes. Existing districts cannot increase

their permanent rate authority. Rates for debt services are set based on each year's requirements.

The taxes levied amounts are based upon the tax collection year July 1 to June 30.

**REYNOLDS SCHOOL DISTRICT
MULTNOMAH EDUCATION SERVICE DISTRICT (MESD)
2021-22 SERVICE PLAN**

Multnomah Education Service District is an educational cooperative that provides a wide variety of programs and services on a regional basis to school districts in Multnomah County and beyond. MESD is one of 19 ESD's in Oregon. Their major areas of service include:

- School Health Services
- Special Education
- Alternative Education
- Technology
- Outdoor School
- School Improvement

MESD is governed by a seven-member Board of Directors who serve four-year terms. Five members are elected from zones and two are elected at-large positions. Directors are not compensated for their services.

By Oregon Statute, MESD's primary customers are the eight public school districts in Multnomah County. The MESD assists the Oregon Department of Education by administering state-level services and minimum education standards. The district also provides specialized education services and facilities on a cooperative basis to its component school districts. Many of the specialized services are those with limited demand that can be provided more efficiently and cost effectively on a regional basis. Costs for support services for MESD are more than twice the cost of instruction due to the special needs of students. This is a reversal of the instruction to support ratio of K-12 districts.

Local district programs and services are provided by two means. A component district may request all, or a portion of, their allocation support in direct funding. The other method is through Resolution Services. Resolution Services are those that, through a resolution, are authorized by at least two-thirds, or six of the eight, of the school boards representing a majority of total county students. A list of services is provided, and component districts choose from the menu of services on an annual basis. Adjustments to the service plan are be made throughout the year based on student need.

The following is Reynolds School District #7's Draft Service Plan Selections for 2021-22 fiscal year.

REYNOLDS SCHOOL DISTRICT
STUDENT ENROLLMENT HISTORY AND PROJECTIONS
***AS OF SEPTEMBER 30**

Enrollment Projection Methodology:

The District develops annual enrollment projections for grades 1-12 using three types of information: cohort history, current and projected housing development, and overall economic picture. Cohort history is a commonly used demographic technique that looks at the number of students in a given grade or series of grades (called a "cohort"), and determines how many of those students will move up to the next grade or school level. Cohort history in a given area is affected by in-and out-migration of families in response to economic climate, the type of housing available (i.e., single family units vs. multiple family units), and general mobility of the population. Because there are no previous years' "cohorts" to compare classes with, kindergarten projections are generated using RSD "capture" rates of eligible births in Multnomah County as well as site based projections and estimates gained from existing families being served.

Measure 5, which introduced property tax rate limits, was passed in 1990 and became effective starting in the 1991-92 tax year. When fully implemented in 1995-96, Measure 5 cut property tax rates an average of 51 percent from their 1990-91 levels. Measure 50 was passed in 1997 and cut property taxes, introduced assessed value growth limits, and replaced most tax levies with permanent tax rates. Permanent tax rate equals the maximum rate without voter approval. When Measure 50 was implemented in 1997-98 it cut effective tax rates an average of 11 percent from their 1996-97 levels.

Measure 5 (M5 limits)

- * \$5 per \$1,000 real market value (RMV) for schools
- * \$10 per \$1,000 RMV for general government taxes
- * Applied only to operating taxes, not bonds
- * For each property, school taxes and general government taxes compared to their limits respectively

Measure 50 (M50 limits)

- * Assessed value (AV) for 1997-98 was set (at 90% of 1995-96 AV for each property) and permanent rates were established for taxing districts
- * Annual growth of AV limited to 3% for existing property
- * For new property, AV = (RMV) times (AV / RMV of similar property)

Enrollment in kindergarten declined significantly when the entire State moved to full day kindergarten. Reynolds schools implemented full day kindergarten ahead of the State mandated timeline and received an influx of kindergarten students from neighboring districts. When the requirement to offer full day kindergarten was implemented, families returned to their neighborhood schools. Additional enrollment declines have also been noted and families have reported raised rent rates as a reason for relocation out of the District.

Despite high levels of residential development within the District, flexible student transfer regulations established by the State have made it very difficult to predict increased enrollment based on additional residential housing units. The decline began to slow during 2019-20 and projections for the upcoming years remain flat after a small increase.

*2020-2021 had a late school start due to COVID-19 and Oregon Fires. Enrollment data is from 12/2020

DEBT SUMMARY
2021-22**

Reynolds School District Debt Service Overview

Reynolds School District debt service payments are funded by voter approved taxes imposed on local property, payments made directly from the District's General Fund, Construction Excise Tax revenues, and through a deduction in the monthly State School Fund payment from the State of Oregon.

The bulk of the District's debt service consists of General Obligation (GO) bonds paid with revenues generated through voter approved tax measures. ORS 328.245 establishes a parameter of bonded indebtedness for school districts. The 2015 Capital Bond program funded security improvements at all District sites, three replacement elementary schools and an addition and remodel to the comprehensive high school. The second largest portion of the District's debt service consists of the District's Unfunded Actuarial Liability (UAL) Bonds. In 2003 the District participated in a state sponsored funding of the District's UAL under Oregon's Public Employee Retirement System (PERS). Funding to meet the 2003 UAL Bonds debt service requirements is deducted from the State School Fund payments made to the District. The net impact of the bonded debt is a reduction in the funding available in all funds as the debt is paid through a payroll calculation, or a cost to payroll. However, the District would have to pay a higher PERS rate on its payroll expenses in lieu of participating in the UAL Bonds.

The District also has debt service for Full Faith and Credit Obligations (FFCO). In 2010, the District refunded the FFCO with a maturity date of 2035. Funding from this financing was utilized for the purchase of land and for building and site improvements in the District. The District refunded the FFCO again in 2020 with a maturity date of 2035. The District was also able to purchase buses with the financing.

The At-A-Glance School and District profiles tell a story about Oregon's schools and districts. This year's profiles do not include statewide assessments data, class size data, or attendance data as a result of the necessary statewide school closures and the implementation of Distance Learning for All. The profiles present all available data not impacted by the state's response to COVID-19.

To reach this goal we are committed to providing student centered, culturally relevant instruction and to maintain high expectations for all students. Our vision: Each and every child prepared for a world yet to be imagined.

State Goals

- May
 - Superintendent and Finance:
