# Superintendent Budget Message

---

Dear RSD Community,

The 2024-25 school year has brought challenges and successes to the Reynolds School District. I want to thank all staff for their dedication to serving the students and families of Reynolds. As we look to the next school year, we are faced with enormous challenges driven by a decade of decreasing enrollment and increasing costs.

The statewide landscape that has shaped this budget includes an unknown increase in state school funding for the 25-27 biennium, while that investment is offset by double digit increases in PERS costs, the cost of labor agreements, and the impacts of inflation. Unfortunately, the state revenue from the Governor's Recommended Budget is not sufficient to continue operating at the current program and staffing levels. In total, we are facing a reduction of approximately \$25 million, or approximately 18% of the general fund, over the current service level.

Our local context is that over the past decade, our enrollment has dropped by approximately 2300 students, or 21%. This is part of a regional and statewide trend. While this year's enrollment is slightly above projections, the ten-year trend is undeniable. Lower birth rates and unaffordable housing are significant factors. Enrollment is the main factor in the state revenue formula and when enrollment drops so does funding.

Over the same 10 years staffing levels have increased by a similar percentage. We have been using one-time funding such as spending down ending fund balance and limited-term grants such as ESSER to fund positions and programs. Ultimately we must find ways to meet the needs of our community with the insufficient funding provided by the state.

In planning the 25-26 budget we first reduced central office and department budgets, but were required to make additional reductions, including position reductions across all labor groups. There is a limit to the number of positions that can be reduced and still operate safe and functional schools. Sadly we reached that limit and still face a funding gap of \$6 million so this budget includes the savings from 10 districtwide furlough days in order to reach a balanced budget.

Furlough days save the district approximately \$550,000 per day so 10 days are required to close the \$6 million funding gap. We are proposing these days with the possibility that we can add some of them back after the legislature finalizes the state budget in June. Proposing furlough days will prevent approximately 50-70 more positions from being cut or having to drastically eliminate programs including extra-curricular sports and activities, co-curricular activities in the performing arts, SUN and SRO programming, and elective and selective class offerings.

I would encourage you to read [the report](#) prepared by the American Institute of Research (AIR) at the request of the Oregon Legislature on Oregon's school funding model. The report states that for districts such as Reynolds, the current model of state funding is inadequate to attain the achievement goals set by the state. The AIR report calculated that an additional \$8000 per student per year is required for the most highly impacted districts to reach the state goals. For perspective, in RSD that would amount to an additional \$72 million per year, or almost an 80% increase in funding. Clearly what we receive from the state is insufficient to provide for all that our students need.

This budget is built on the following financial assumptions:

- Projected September 2025 enrollment of 8,441 (non-charter)
- State School Fund of \$11.36 Billion for the 25-27 biennium, with a 49% / 51% split
- A reduction of 5% in all Federal Title funds
- A PERS increase of 10%
- An ending fund balance of 5%
- Negotiated step, benefits, and cost of living increases for all employee groups
- And, unfortunately districtwide 10 furlough days due to insufficient funding

It is our intention to align staff resources to the priorities of the district's Strategic Plan, the Board's budget priorities, and community input as a part of implementing the Student Investment Account (SIA). The \$18 million in reductions we made in the 2024-25 budget limited the impact on classrooms, but we will not be able to maintain the exceptionally low-class sizes, caseloads, and level of supports that RSD students have had over the past several years. Reductions to licensed staff, our largest and most expensive labor group, will total 118 FTE.

Under this budget every elementary school will maintain full time licensed music, PE, library/media specialists, a full-time counselor, and a reading specialist. All elementary schools will also continue to have a full-day, full-year educational assistant in every kindergarten classroom. The investments we made in early learning and literacy are showing great promise. This budget provides a total of 4 social workers and 29 counselors across our district which is a significant reduction over current staffing levels. We will continue to partner for additional support for students and families through our investment in the SUN Community Schools program and additional grant opportunities.

We will continue staffing for block schedules at the middle schools and Reynolds High School. The effectiveness of the block schedules at both levels continues to meet expectations. At RHS the 23-24 graduation and completer rates showed notable increases, and RLA saw a 28% increase in the number of 5-year completers. Additionally, Reynolds High School will be expanding its two new CTE programs, Cosmetology and Business and Entrepreneurship, using grant funds. These programs have quickly become very popular with students and are providing engaging and meaningful programs of study to over 600 students that will lead to opportunities for small-business ownership and economic empowerment.

This budget provides for SUN programs as well as School Resource Officers. In addition, grant funds will be allocated to the technology replacement cycle for 9th grade student devices and limited funds for the development of science curricula and purchase of health curricula.

A reduction of 8.4 FTE in administrative/supervisor/specialist staff is included in this budget, including the reduction of one Cabinet level position. These reductions are largely focused at the central office. In addition two central office administrative positions that are currently vacant will remain unfilled in 25-26.

Classified staffing reductions of 34.19 FTE will be felt across the district. These reductions account for approximately 6% of classified staff but will result in less classroom and school support.

Position reductions will be done through attrition whenever possible, but sadly, many individuals will be impacted. We will notify staff by May 12th.

This is challenging news for all of us, and I continue to be heartbroken by the lack of funding for our schools. However, it is our responsibility to present a balanced budget within our means as a district.

The proposed budget leverages state and federal grants to support our students primarily through funding staff positions. In total this budget will support 256 positions from grant funds. While the large majority of these grant funds are considered stable, 30 FTE are funded through limited duration grants and will require future budgetary choices when the funding runs out. Additionally the recent actions of the new presidential administration continue to give us cause for concern about the future of Federal funding streams. We will continue to monitor Federal actions on education closely.

Over the past two years we have made significant progress in improving support of schools while reducing expenditures and staffing at the district level. The Finance, HR, and Operations departments have made tremendous strides in improving operational efficiencies. Looking ahead, this budget provides support for these ongoing efforts as well as a share of the reductions.

I continue to advocate for a state school budget that better meets the needs of Reynolds. Our advocacy is focused on two core areas in the state budget that would have a significant impact.

- Increase or remove the special education cap from the current 11%. Reynolds has 16% of its students on IEPs, and the state funding formula only provides reimbursement for 11% of total enrollment. This equates to millions of dollars of underfunded costs for Reynolds.
- Increase the reimbursement for high-cost disabilities. Our high-cost disability costs are annually over \$5 million, and we are reimbursed at less than 50% in a good year. Current estimates for reimbursement for this year are less than half of that. This also equates to millions of dollars of underfunded costs for RSD.

In closing, I want to thank the School Board, educators, support staff, administrators, and the Reynolds community for their dedication to students. I want to recognize the hard work of our Finance and HR teams in preparing the proposed 2025-26 budget. We'll continue to move forward and meet the challenges of educating our children in these uncertain times. We'll continue to advocate at the state level for not only our students but all Oregon students. We'll continue to look for ways to innovate and improve. And we'll continue to partner with our community to ensure that all students succeed.

Thank you for your consideration of the 2025-26 Proposed Budget.

# Mensaje del Superintendente sobre el Presupuesto

Estimada comunidad de RSD:

El año escolar 2024-25 ha traído desafíos y éxitos al Distrito Escolar de Reynolds. Quiero agradecer a todo el personal por su dedicación al servicio de los estudiantes y las familias de Reynolds. Al comenzar el próximo año escolar, nos enfrentamos a enormes desafíos impulsados por una década de disminución de la matrícula y aumento de los costos.

El panorama estatal que ha moldeado este presupuesto incluye un aumento desconocido en la financiación de las escuelas estatales para el bienio 25-27, mientras que dicha inversión se ve contrarrestada por aumentos de dos dígitos en los costos del PERS, el costo de los convenios colectivos y el impacto de la inflación. Desafortunadamente, los ingresos estatales del Presupuesto Recomendado por la Gobernadora no son suficientes para continuar operando con los niveles actuales de programas y personal. En total, nos enfrentamos a una reducción de aproximadamente \$25 millones, o aproximadamente el 18% del fondo general, sobre el nivel actual de servicio.

Nuestro contexto local indica que, durante la última década, nuestra matrícula ha disminuido en aproximadamente 2300 estudiantes, o un 21 %. Esto forma parte de una tendencia regional y estatal. Si bien la matrícula de este año está ligeramente por encima de las proyecciones, la tendencia de los últimos diez años es innegable. Las tasas de natalidad más bajas y la vivienda inaccesible son factores importantes. La matrícula es el factor principal en la fórmula de ingresos estatales y, cuando disminuye, también lo hace la financiación.

Durante los mismos 10 años, la dotación de personal ha aumentado en un porcentaje similar. Hemos utilizado fondos únicos, como la reducción del saldo final del fondo, y subvenciones a plazo limitado, como ESSER, para financiar puestos y programas. En última instancia, debemos encontrar maneras de satisfacer las necesidades de nuestra comunidad con la financiación insuficiente del estado.

Al planificar el presupuesto 25-26, primero redujimos los presupuestos de la oficina central y de los departamentos, pero tuvimos que hacer recortes adicionales, incluyendo reducciones de puestos en todos los grupos laborales. Existe un límite en la cantidad de puestos que se pueden reducir para que las escuelas sigan operando de forma segura y funcional. Lamentablemente, alcanzamos ese límite y aún enfrentamos un déficit de financiación de \$6 millones, por lo que este presupuesto incluye los ahorros de 10 días de licencia sin sueldo en todo el distrito para alcanzar un presupuesto equilibrado.

Los días de permiso le ahorrarán al distrito aproximadamente \$550,000 por día, por lo que se requieren 10 días para cerrar el déficit de financiación de \$6 millones. Proponemos estos días con la posibilidad de agregar algunos después de que la legislatura finalice el presupuesto estatal en junio. Proponer estos días de permiso evitará la eliminación de entre 50 y 70 puestos adicionales o la necesidad de eliminar drásticamente programas como deportes y actividades extracurriculares, actividades cocurriculares en las artes escénicas, programación de SUN y SRO, y la oferta de clases electivas y selectivas.

Les recomiendo leer [el informe](#) preparado por el Instituto Americano de Investigación (AIR) a petición de la Legislatura de Oregón sobre el modelo de financiación escolar de Oregón. El informe indica que, para distritos como Reynolds, el modelo actual de financiación estatal es insuficiente para alcanzar las metas de rendimiento establecidas por el estado. El informe de AIR calculó que se requieren \$8000 adicionales por estudiante al año para que los distritos más afectados alcancen las metas estatales. Para tener una

# Mensaje del Superintendente sobre el Presupuesto

idea, en el Distrito Escolar de Reynolds (RSD), esto equivaldría a \$72 millones adicionales al año, o casi un aumento del 80% en la financiación. Claramente, lo que recibimos del estado es insuficiente para cubrir todas las necesidades de nuestros estudiantes.

Este presupuesto se basa en los siguientes supuestos financieros:

- Se proyecta una matrícula de 8,441 para septiembre de 2025 (no charter)
- Fondo Escolar Estatal de \$11.36 mil millones para el bienio 25-27, con una división del 49% / 51%
- Una reducción del 5% en todos los fondos del Título Federal
- Un aumento del PERS del 10%
- Un saldo final del fondo del 5%
- Se negociaron aumentos de sueldo, beneficios y costos de vida para todos los grupos de empleados
- Y, lamentablemente, 10 días de licencia en todo el distrito debido a la financiación insuficiente.

Nuestra intención es alinear los recursos de personal con las prioridades del Plan Estratégico del distrito, las prioridades presupuestarias de la Junta y las aportaciones de la comunidad como parte de la implementación de la Cuenta de Inversión Estudiantil (SIA). Los \$18 millones en recortes que realizamos en el presupuesto 2024-25 limitaron el impacto en las aulas, pero no podremos mantener el excepcionalmente bajo número de alumnos por clase, la carga de trabajo y el nivel de apoyo que los estudiantes del RSD han recibido en los últimos años. Las reducciones del personal con licencia, nuestro grupo laboral más grande y costoso, totalizarán 118 empleados a tiempo completo (ETC).

Con este presupuesto, cada escuela primaria contará con especialistas con licencia de tiempo completo en música, educación física, biblioteca/medios, un consejero de tiempo completo y un especialista en lectura. Además, todas las escuelas primarias seguirán contando con un asistente educativo de jornada completa y año completo en cada aula de kínder. Las inversiones realizadas en aprendizaje temprano y lectoescritura son muy prometedoras. Este presupuesto proporciona un total de 4 trabajadores sociales y 29 consejeros en todo nuestro distrito, lo que representa una reducción significativa con respecto a la dotación actual de personal. Seguiremos colaborando para brindar apoyo adicional a los estudiantes y sus familias mediante nuestra inversión en el programa de Escuelas Comunitarias SUN y nuevas oportunidades de subvenciones.

Continuaremos contratando personal para los horarios de bloques en las escuelas intermedias y en la Preparatoria Reynolds. La eficacia de los horarios de bloques en ambos niveles sigue cumpliendo con las expectativas. En la Preparatoria Reynolds, las tasas de graduación y finalización de los cursos de 23 a 24 años mostraron aumentos notables, y la Preparatoria Reynolds registró un aumento del 28 % en el número de estudiantes que completaron los 5 años. Además, la Preparatoria Reynolds ampliará sus dos nuevos programas de CTE, Cosmetología y Negocios y Emprendimiento, con fondos de subvenciones. Estos programas han ganado rápidamente popularidad entre los estudiantes y ofrecen programas de estudio atractivos y significativos a más de 600 estudiantes, lo que les brindará oportunidades para la creación de pequeñas empresas y el empoderamiento económico.

Este presupuesto cubre los programas SUN y los Oficiales de Recursos Escolares. Además, se asignarán fondos de subvención al ciclo de reemplazo de tecnología para dispositivos de estudiantes de 9.º grado y fondos limitados para el desarrollo de programas de ciencias y la adquisición de programas de salud.

# Mensaje del Superintendente sobre el Presupuesto

---

Este presupuesto incluye una reducción de 8,4 ETP en el personal administrativo, supervisor y especialista, incluyendo la reducción de un puesto a nivel ministerial. Estas reducciones se centran principalmente en la oficina central. Además, dos puestos administrativos de la oficina central que actualmente están vacantes permanecerán vacantes en 25-26.

La reducción de 34,19 empleados a tiempo completo (ETC) en el personal clasificado se notará en todo el distrito. Estas reducciones representan aproximadamente el 6% del personal clasificado, pero implicarán un menor apoyo en las aulas y en las escuelas.

Las reducciones de puestos se realizarán mediante rotación de personal siempre que sea posible, pero lamentablemente, muchas personas se verán afectadas. Notificaremos al personal antes del 12 de mayo.

Esta es una noticia difícil para todos, y sigo consternado por la falta de fondos para nuestras escuelas. Sin embargo, como distrito, es nuestra responsabilidad presentar un presupuesto equilibrado y acorde con nuestras posibilidades.

El presupuesto propuesto aprovecha las subvenciones estatales y federales para apoyar a nuestros estudiantes, principalmente mediante la financiación de puestos de personal. En total, este presupuesto financiará 256 puestos con fondos de subvenciones. Si bien la gran mayoría de estos fondos se consideran estables, 30 ETP se financian mediante subvenciones de duración limitada y requerirán futuras decisiones presupuestarias cuando se agoten los fondos. Además, las recientes medidas de la nueva administración presidencial nos siguen preocupando sobre el futuro de los fondos federales. Seguiremos de cerca las medidas federales en materia de educación.

En los últimos dos años, hemos logrado avances significativos en la mejora del apoyo a las escuelas, a la vez que redujimos gastos y personal a nivel de distrito. Los departamentos de Finanzas, Recursos Humanos y Operaciones han logrado avances considerables en la mejora de la eficiencia operativa. De cara al futuro, este presupuesto respaldará estos esfuerzos continuos, así como una parte de las reducciones.

Sigo abogando por un presupuesto escolar estatal que satisfaga mejor las necesidades de Reynolds. Nuestra defensa se centra en dos áreas clave del presupuesto estatal que tendrían un impacto significativo.

- Aumentar o eliminar el límite de educación especial del 11% actual. Reynolds tiene al 16% de sus estudiantes con IEP, y la fórmula de financiación estatal solo reembolsa el 11% de la matrícula total. Esto equivale a millones de dólares en costos subfinanciados para Reynolds.
- Aumentar el reembolso por discapacidades de alto costo. Nuestros costos de discapacidad de alto costo superan los \$5 millones anuales, y en un buen año, recibimos menos del 50% del reembolso. Las estimaciones actuales de reembolso para este año son menos de la mitad. Esto también equivale a millones de dólares en costos subfinanciados para la discapacidad social.

Para concluir, quiero agradecer a la Junta Escolar, a los educadores, al personal de apoyo, a los administradores y a la comunidad de Reynolds por su dedicación a los estudiantes. Quiero reconocer el arduo trabajo de nuestros equipos de Finanzas y Recursos Humanos en la preparación del presupuesto propuesto para 2025-26. Seguiremos avanzando y afrontando los desafíos de la educación de nuestros

hijos en estos tiempos de incertidumbre. Seguiremos abogando a nivel estatal no solo por nuestros estudiantes, sino por todos los estudiantes de Oregón. Seguiremos buscando maneras de innovar y mejorar. Y seguiremos colaborando con nuestra comunidad para garantizar el éxito de todos los estudiantes.

Gracias por considerar el Presupuesto propuesto para 2025-26.

## Budget Development

The District's 2025-2026 budget is based on several revenue assumptions. The largest source of District revenue comes from the State School Fund and is determined using projected student enrollment and projected transportation expenditures. These resources are budgeted within the District's general fund. This is the first year of the biennium for which the Governor has recommended to the Oregon legislature to approve \$11.36 billion at 49/51% funding.

The budget follows the Oregon Department of Education Chart of Accounts:

- The District's account codes align with the state's required chart of accounts with respect to expenditure functions, objects, and areas.
- The District is able to account for all direct and indirect costs by subject, grade level, organization, and by school or location.
- Financial information resulting from this expense structure is reported to the Oregon Department of Education annually.

## General Fund Expenditures & Requirements

The District's 2025-2026 budget is based on several expenditure assumptions. As is the case with any educational entity, the largest expense of the District is labor.

# Budget Overview

---

The staffing framework is based upon a reduction of staffing in all labor groups, and department and building budgets. The 2025-2026 proposed budget roll-up costs include assumptions of adjustments according to labor agreements with REA for Licensed staff, OSEA Classified staff, and RAA Administrative staff in negotiation this year.

## **Staffing Full Time Equivalent (FTE)**

---

A full time equivalent (FTE) for school district purposes is defined as an employee who works 8 hours a day or 40 hours a week. Employee contract days range from 184 days to 260 days in a year. The 2025-2026 proposed budget includes full-time equivalents (FTE) within the General Fund and Grant Funds, totaling 1,228.23 FTE.

## **Debt Services Overview**

---

Reynolds School District debt service payments are funded by voter approved taxes imposed on local property, payments made directly from the District's General Fund, Construction Excise Tax revenues, and through a deduction in the monthly State School Fund payment from the State of Oregon.

The bulk of the District's debt service consists of General Obligation (GO) bond revenues generated through voter approved tax measures. ORS 328.245 establishes a parameter of bonded indebtedness for school districts. The 2015 Capital Bond program funded security improvements at all District sites, three replacement elementary schools and an addition and remodel to the comprehensive high school. A portion of the 2015 GO bonds were refunded in 2022. The second largest portion of the District's debt service consists of the District's Unfunded Actuarial Liability (UAL) Bonds. In 2003 the District participated in a state sponsored funding of the District's UAL under Oregon's Public Employee Retirement System (PERS). Funding to meet the 2003 UAL Bonds debt service requirements is deducted from the State School Fund payments made to the District. The net impact of the bonded debt is a reduction in the funding available in all funds as the debt is paid through a payroll calculation, or a cost to payroll.

The District also has debt service for Full Faith and Credit Obligations (FFCO). In 2010, the District refunded the FFCO with a maturity date of 2035. Funding from this financing was utilized for the purchase of land and for building and site improvements in the District. The District refunded the FFCO again in 2020 with a maturity date of 2035. The District was also able to purchase buses with the refinancing. Payments for Full Faith and Credit Obligations Bonds are made from Capital Projects Fund with General Fund transfers for any amounts not covered by construction excise tax and facility lease revenues.

Payments of General Obligation Bonds are made from the Debt Service Fund from property taxes and earnings on investments. Payments of PERS UAL Obligation Bonds are made from the Debt Service Fund from revenue charged as a payroll cost to all funds with payroll expenses. Payments for Full Faith and Credit Obligations Bonds are made from Capital Projects Fund with General Fund transfers for any amounts not covered by construction excise tax and facility lease revenues. Payments on Qualified Zone Academy Bonds (QZAB) are paid from the General Fund.
