INDIVIDUAL STUDENT PROGRESS

Year-to-year progress in English language arts and mathematics.

Academic Success

ENGLISH LANGUAGE ARTS

Students meeting state grade-level expectations.

MATHEMATICS

Students meeting state grade-level expectations.

SCIENCE

Students meeting state grade-level expectations.

School Goals

Glenfair is on the rise. As recipients of a School Improvement Grant, we expanded our readiness and academic programming. We are proud of the hard work and dedication of the Glenfair staff and students and will continue to gain momentum in our student academic outcomes and positive school culture.

State Goals

The Oregon Department of Education is working in partnership with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2025. To progress toward this goal, the state will prioritize efforts to improve attendance, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.

Safe & Welcoming Environment

Our school strives to ensure all students and their parents feel welcome by including bilingual staff in our school office. All communication sent home through mail, phone, or text is translated for easy access. Interpreters are provided for parent conferences and other school meetings where parents are present.

We also engage in restorative justice practices and Playworks to ensure a safe and fun recess for all.

Outcomes

About Our School

BULLYING, HARASSMENT, AND SAFETY POLICIES

To ensure a safe and secure learning environment for all of our students, our school participates in PBIS (Positive Behavior Interventions & Support). This program works with students, our counselor, school staff, and parents on a case-by-case basis to address conflict between students and to provide counseling for harassment.

We host yearly training and discussion opportunities to help students and staff recognize bullying and harassment and provide strategies for intervention.

EXTRACURRICULAR ACTIVITIES

Our school offers several academic focused extracurricular activities:

- Kindergarten transition program
- SUN After School Academy

Our School has a number of after school clubs:

- SOLV watershed restoration initiative
- SUN After School Academy

Visit our school website for more details.

PARENT ENGAGEMENT

Our school strives to engage all of our parents by providing language supports for parents where English is their second language. Our school also holds a yearly literacy and math night where parents are welcome to attend. We also host parent classes in cooking, self-defense and school readiness, as well as weekly family craft and weekly art family nights.

Our plans have included expansion of parent involvement and a welcome center to address high mobility.

COMMUNITY ENGAGEMENT

We partner with local business and community partner organizations to provide students with learning opportunities in connection with our community:

- All Hands Raised attendance partnership
- Early Learning Multnomah summer support
