#### MATHEMATICS

Students meeting state grade-level expectations.

#### SCIENCE

Students meeting state grade-level expectations.

### School Goals

Our mission is to promote a safe, secure learning environment where differences are respected and appreciated and where responsibility, independence, and academic excellence are developed and celebrated. Our motto, "Every minute counts. Every person counts" reflects the urgency with which we approach the task of educating our students.

### State Goals

The Oregon Department of Education is partnering with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2025. To progress toward this goal, the state will prioritize efforts to improve attendance, provide a well-rounded education, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.

### Safe & Welcoming Environment

Our school strives to ensure all students and their parents feel welcome by accessing bilingual staff for our school office. All communication sent home through mail, phone, or text is translated for easy access. Interpreters are provided for parent conferences and other school meetings where parents are present.

### Outcomes

### About Our School

#### BULLYING, HARASSMENT, AND SAFETY POLICIES

To ensure a safe and secure learning environment for all of our students, our school participates in PBIS (Positive Behavior Interventions & Support). This program works with students, our counselor, school staff, and parents on a case-by-case basis to address conflict between students and to provide counseling for harassment. We host yearly training and discussion opportunities to help students and staff recognize bullying and harassment and provide strategies for intervention. We provide an elective course where students learn skills for mediation and restorative conversations.

#### EXTRACURRICULAR ACTIVITIES

Our school offers several academic focused extracurricular activities and after school clubs including:

- 6th grade Outdoor School
- Battle of the Books
- Theater Club
- MESA/Inventor Club
- WEB Leadership
- Girls Inc.
- SUN enrichment programs such as soccer and basketball classes, video production, art, and board games
- SUN After School culturally specific support activities
- Athletics including intermural soccer, track, basketball

#### PARENT ENGAGEMENT

Our school strives to engage all of our parents by providing language supports for parents where English is their second language. We have an after-school SUN Program that provides services from Self-Enhancement Inc., Native American Youth and Family Center, Latino Network, Immigrant and Refugee Community Organization, Greater Than. Each of these partner organization provides monthly parent nights at H.B. Lee. Additionally, we have several events for parents each year including:

- Open House
- Winter Holiday Gift Exchange and Coat Drive
- Future You Night
- Night of the Notables
- 5th Grade Pancake Breakfast
- 8th Grade Promotion
- AVID Parent Nights

#### COMMUNITY ENGAGEMENT

We partner with local business to provide students with learning opportunities in connection with our community:

Nadaca Nature Park

St. Aiden's Church

Each year we hold our winter coat drive to connect our students and community by working together to collect winter clothes for families in need. In last year's winter coat drive, community members came together to knit over 100 wool hats and mittens.
