

FROM THE PRINCIPAL

Dear Parents and Community Members,

It is my honor and privilege to serve as your principal for the third year. H.B. Lee has much strength, one of which has been and continues to be academic growth. While growth has been our strength, it is also our continued area of focus. We must meet each student where they are and move them demonstrably forward academically in all core subjects. In addition to the state assessments that make up this report, we continue to use diagnostic and ongoing formative assessments in reading and mathematics. These assessments allow us to respond with timely support where needed.

Teachers in all academic areas work in content area teams to develop, deliver, and reflect on assessments, and to plan the next steps based on that data. Specifically, teachers will examine the results of their classroom assessments with a focus on teaching and re-teaching until students demonstrate proficiency. A return to a house-based model allows for deeper relationships between students and staff, while a new model for 6th grade students provides for fewer students per teacher, fewer teachers per student, and fewer transitions each day and over the course of the year. Our mission is to promote a safe, secure learning environment where differences are respected and appreciated and where responsibility, independence,

and academic excellence are developed and celebrated. Our motto, "Every minute counts. Every person counts" reflects the urgency with which we approach the task of educating our students.

Parents and guardians are asked to contribute by providing a place and routine for at home practice in essential skills, including reading a variety of texts at or above each student's independent reading level. Increasing reading achievement requires time in text. Toward that end, our students are asked to read for 30 minutes daily at home and at school. Homework is provided in mathematics, and practice is essential for students to demonstrate the essential knowledge and skills demanded by new standards. Each student will be provided with an online log in for MobyMax, an online program for practice in mathematics and many other areas. Parents and guardians should communicate with their students and check their daily planners for ongoing classroom communication, including expectations at home and in the classroom.

Thank you,

Principal | Dan Kimbrow

SCHOOL PERFORMANCE

Performance of students enrolled in the school for a full academic year

Did at least 95% of the students at this school take required assessments? ☒ Yes ☐ No, Interpret Results with Caution
Participation rate criteria are in place to ensure schools test all eligible students.

The Smarter Balanced and alternate assessments have four performance levels where levels 3 and 4 are meeting the standard for school and district accountability.

CURRICULUM & LEARNING ENVIRONMENT WHAT IS THIS SCHOOL DOING TO IMPROVE STUDENT LEARNING AND TO PREPARE STUDENTS FOR THE FUTURE?

SCHOOL READINESS

- Breakfast and lunch provided for each student at no cost
- WEB Leader Hawk2Hawk peer tutors
- Counseling for academic, emotional and behavioral needs
- Support from district social worker
- Small Learning Communities (Houses)
- Challenge Day
- Positive Behavior Systems

ACADEMIC SUPPORT

A block schedule allows for all students to have increased time each day in mathematics and reading courses. In the areas of reading and writing, each student receives a daily Language Arts class of 65 minutes, and additionally a leveled literacy course focusing on their individual needs: from those attending their first year of school in the United States, to those requiring additional support in reading, to those who have demonstrated proficiency and those identified as talented and gifted. Additional academic supports are offered during the school day as well as after school through our SUN program taught by regular school day staff, including reading and math.

ACADEMIC ENRICHMENT

Spanish language courses
Advanced mathematics courses
HS credit offered
Leadership courses in school
WEB Leadership program
Student Council
Dreamer school in partnership with the I Have A Dream Foundation
Competition opportunities for Talented and Gifted Students
Participation in Lego Robotics League
Lee Academy offers math and reading classes after school
Participation in Oregon Battle of the Books competition
AVID (Advancement Via Individual Determination) program
Video Production and Photojournalism courses

CAREER & TECHNICAL EDUCATION

Lego Robotics
Computer Technology
Video Production
Creative Writing
Drawing and Sculpture
Band, Orchestra, Choir
Leadership

EXTRA-CURRICULAR ACTIVITIES/ AFTER SCHOOL PROGRAMS

- Athletics including: volleyball, basketball, wrestling, track
- Intramural Soccer team through SUN
- Peer Tutoring Program
- Band, Orchestra, Choir including concerts and competitions
- Student Council, WEB Leadership, Leadership courses
- Outdoor School (5 days) for all 6th grade students
- Challenge Day for all 7th grade students
