Descriptions

This session will focus on what is available for students in the Reynolds School District to support them on their path to college.

Learn about various options for post-high school, higher education.

This session will focus on the requirements for high school graduation and what middle school students should be doing now to prepare for college.

This session will allow parents to discuss how to best support your child to pursue higher education.

This panel discussion will discuss the challenges, opportunities, and supports for students of color in college.

This section addresses academic requirements, the recruiting process and what you can do in high school if you want to play collegiate sports.

Session I: This session is dedicated to current 7th grade AVID students and families. It is by invite only.

Session II: This session is dedicated to current 8th grade AVID students and families. It is by invite only.

Session III: This is an open session for all prospective AVID students currently in the 6th or 7th grade who want to learn more about the AVID program.

Learn about PSU's "Four Years Free" program which starts in the fall of 2017, offering free tuition and fees for eligible students.

For Marathon Scholars and families, come learn about how we will support you every step of the way to college. Summer programs, scholarships, academic advising and more.
