

FROM THE PRINCIPAL

Dear Parents and Community Members,

The staff and students at Hartley Elementary are very proud of the continued student growth and success over the past year.

We are moving forward to support increased success through our commitments to:

- Research based instructional strategies and assessments in literacy and math
- Encouragement of student selected individual reading both at school and home
- Expanding our repertoire of instructional practices to support all learners

- Partnering with families and communities to promote student success together
- Maintaining a caring learning environment for all of our students

Please contact me with any questions or comments that you have. Hartley values your input and is your partner in preparing your student for their future endeavors and growth as a citizen.

Thank you,

Principal | Stephanie Murdock

The Oregon Department of Education (ODE) will not assign summative, overall ratings to schools on the 2016-17 report cards given the upcoming implementation of the Every Student Succeeds Act (ESSA) in 2017-18. However, the ODE will report indicator ratings (e.g., achievement, growth, graduation, etc.) for each school and student group on the 2016-17 Report Card (RC) Rating Details reports. These reports are accessible at <http://www.oregon.gov/ode/schools-and-districts/reportcards>. For more information about ESSA and the redesign of the school and district report cards, please visit <http://www.oregon.gov/ode/rules-and-policies/ESSA>.

SCHOOL PERFORMANCE

Performance of students enrolled in the school for a full academic year

Did at least 95% of the students at this school take required assessments? Yes No, Interpret Results with Caution
Participation rate criteria are in place to ensure schools test all eligible students.

2014-15 was the first operational year of the new English language arts and mathematics assessments.

The Smarter Balanced and alternate assessments have four performance levels where levels 3 and 4 are meeting the standard for school and district accountability.

See report cards from previous years to view historical OAKS performance data.
