### Academic Success

#### ENGLISH LANGUAGE ARTS

Students meeting state grade-level expectations.

#### MATHEMATICS

Students meeting state grade-level expectations.

#### SCIENCE

Students meeting state grade-level expectations.

### School Goals

Hartley supports increased success through our commitments to:

- Research based instructional strategies and assessments in literacy and math
- Encouragement of student selected individual reading both at school and at home
- Partnering with families and communities to support student success
- Maintaining a caring learning environment for all students

### State Goals

The Oregon Department of Education is working in partnership with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2025. To progress toward this goal, the state will prioritize efforts to improve attendance, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.

### Safe & Welcoming Environment

Our school strives to ensure all students and their parents feel welcome by including bilingual staff in our school. All communication sent home through mail, phone, or text is translated for easy access. Interpreters are provided for parent conferences and other school meetings where parents are present.

We also engage in restorative justice practices to ensure a safe and fun learning environment for all.

### Outcomes

### About Our School

#### BULLYING, HARASSMENT, AND SAFETY POLICIES

To ensure a safe and secure learning environment for all of our students, our school participates in PBIS (Positive Behavior Interventions & Support). This program works with students, our counselor, school staff, and parents on a case-by-case basis to address conflict between students and to provide counseling for harassment.

We host yearly training and discussion opportunities to help students and staff recognize bullying and harassment and provide strategies for intervention.

#### EXTRACURRICULAR ACTIVITIES

Our school offers several academic focused extracurricular activities:  
· Kindergarten transition program  
· SUN After School Academy

Visit our school website for more details.

#### PARENT ENGAGEMENT

Our school strives to engage all of our parents by providing language supports for parents where English is their second language. Our school also holds a yearly literacy and math night where parents are welcome to attend.

#### COMMUNITY ENGAGEMENT

We partner with local business and community partner organizations to provide students with learning opportunities in connection with our community:  
· SMART partnership  
· AmeriCorps support
