The original contract shall be revised upon presentation of proper evidence by any of the three (3) cut-off dates: September 30th, January 15th, or April 15th.

Any unit member who is contracted and works for no less than one hundred thirty-five (135) days shall be credited with a full year of teaching experience. Unit members working less than full-time, who otherwise would have gained credit for salary schedule movement, shall not be prohibited from moving as a result of the scheduling of their work hours.

**G. Vertical Movement**

Vertical movement on a salary schedule, when accompanied by horizontal movement to a new column, shall be in accordance with the following:

1. No more than one (1) vertical step shall be granted in any one school year.

\* One (1) years' experience shall be equivalent to one hundred thirty-five (135) or more regular, continuous, contracted days.

5. ~~Longevity pay shall be frozen for the 2026–27 school year, with no additional longevity increments applied during that period.~~ Starting with fifteen (15) years, unit members shall receive a two percent (2%) salary adjustment, then an additional one percent (1%) increase for every five (5) years of service (15 yrs. = 2%, 20 yrs. = 3% 25 yrs. = 4%, etc.).

#### **H. Extended Day**

For those unit members who teach a class before or after school which is in addition to the contract teaching day, the compensation shall be at the rate of fifteen percent (15%) of the unit member's current salary schedule step. For those unit members who teach a class during their preparation period, the compensation rate will be sixteen percent (16%) of the unit member's current salary schedule step. A "double" preparation period shall be compensated at thirty-two percent (32%).

Unit members may agree to sub during their prep time at their own hourly rate for other unit members on a voluntary basis. Unit members supervising another unit member's class for the day when a substitute is not available will receive the entire sub pay. If more than one unit member shares supervisory duties when a substitute is not available, they will share the sub pay.

Unit members who are requested to assume the duties of an absent administrator shall be compensated at 1.5 of their hourly rate (i.e. hourly rate X 1.5%) for the duration of the assignment.

#### **I. Hours for Credit – Initial Placement**

Hours for credit shall be given as follows:

As communicated at 19:45pm on 2026-05-05

1. Bachelor's degree—All college credits taken prior to teacher certification based on a bachelor's degree will not be counted beyond the bachelor's degree.
2. Beyond Bachelor's Degree—Only hours required for licensing will be counted for initial salary schedule placement.
3. Master's degree

Members who acquire multiple endorsements and a Masters degree will be able to count all their previously earned credits for placement on the salary schedule.

4. Career and Technical Education (CTE) Teacher Salary Placement Teachers who are placed in CTE teaching positions or are otherwise required to have a CTE license, shall be placed on the salary schedule as follows:
  - a. CTE certification shall qualify a teacher for placement on the BA column.
  - b. CTE teachers shall be given hours for credits earned for industry preparation and mastery or approved advanced professional development units according to the following criteria:
    1. BA+20 = 20 credit hours from any community college, college, university, or 200 clock hours of approved District in-service courses/professional development units or any approved combination of credit hours and District hours.
    2. BA+40 = 40 credit hours from any community college, college, university, or 400 clock hours of approved District in-service courses/professional development units or any approved combination of credit hours and District hours.
    3. BA+60/MA = 60 credit hours from any community college, college, university, or 600 clock hours of approved District in-service courses/professional

As communicated at 19:45pm on 2026-05-05

development units or any approved combination of credit hours and District hours.

4. BA+80/MA+20 = 80 credit hours from any community college, college, university, or 800 clock hours of approved District in-service courses/professional development units or any approved combination of credit hours and District hours.
5. BA+100/MA+40 = 100 credit hours from any community college, college, university, or 1000 clock hours of approved District in-service courses/professional development units or any approved combination of credit hours and District hours.

c. Career and Technical Education (CTE) Teacher Requirements

CTE licensed teachers will satisfy the requirement for teacher preparation as determined by the unit member's appraisal committee and agreed to by the Association and the District.

The Assistant Superintendent or Executive Director of Human Resources will determine appropriate course work/experience to be credited at the time of placement.

**J. In-District Credit**

The District may grant in-district credit for salary schedule advancement to employees. Credit may be granted for workshops not carrying traditional credit, District committee service, curriculum development, in-district professional development, and individual programs or projects. The amount of credit granted shall be equal to one (1) hour credit for ten (10) hours participation. Those requesting in-district credit shall apply to the Executive Director of Human Resources prior to the commencement of their service.

**K. Payment for Extended Responsibilities**

Any payment for extended responsibilities pay shall be prorated over the eleven (11) monthly paychecks beginning with the October paycheck unless the extended responsibility pay is for a seasonal

As communicated at 19:45pm on 2026-05-05

type activity (example: football) and then the payment shall be a lump sum paid on the next pay day or ten (10) business days, whichever is greater following the conclusion of the duties for that activity.

**L. Extra Duty Compensation –**

The determination of the number of extended duty compensation positions to be made available each school year, the job content and duration of the positions offered, and the selection and retention of personnel to be offered these extended duty assignments, rests solely with the District. However, should the District change the job content or duration of the positions, the compensation for such positions shall be negotiated with the Association.

1. There shall be a three (3) step schedule based on the Bachelor's beginning step, BA plus three (3) years' experience step, and the BA plus six (6) years' experience step.
  - a. BA+3 step: This provides for an increase in compensation in the second year of coaching a particular activity.
  - b. BA+6 step: This provides for an increase in compensation in the fourth year, a longevity incentive to attract and keep good coaches active in the District programs.
2. The District may grant, at its discretion, up to five (5) years for transfer into the District if the individual has the experience and recommendations to warrant such credit.
3. In-district coaches may advance on the salary schedule when they accept a more important assignment (e.g., assistant coach to head coach) on the following basis:
  - a. For each year of experience they will be allowed one (1) year toward salary advancement.
  - b. The same maximum would apply as is allowed for personnel new to the District.
  - c. The only exception to the above would be that no coach will take a cut in salary in moving to the new assignment, as long as that assignment is paid at the higher percentage of the base salary.

As communicated at 19:45pm on 2026-05-05

4. It is agreed that these evaluations are separate from the teaching evaluations and only where the responsibility is an extension of the teaching assignment (such as music) will the extra-duty evaluation be reflected in the individual teacher's evaluation.
  
5. Extra duty assignments and supervision of unit members shall be handled in the following manner:
  - a. All extra duty assignments are offered on a year-to-year basis with the exception of head coaches and lead advisor positions of OSAA-sanctioned athletics and activities, or positions that are an extension of the teaching assignment.
  - b. Unit members, as described above, will be evaluated on an annual basis and serve a three (3) year probationary period. A unit member may be removed from an extra-duty assignment at any time during the probationary period. The unit member shall have the right to Association representation during any meeting which may result in removal from the extra-duty assignment.
  - c. It is the responsibility of the building administrator to complete the final evaluation of all extra duty assignments that meet the criteria stated above (a, b).
  - d. At the point the administrator determines that a non-probationary unit member in an extra duty assignment is not meeting District and/or building performance expectations, they may be placed "on-notice". "On-notice" placement shall be accompanied by a written assessment stating the area(s) of deficiency, steps necessary for improvement, and a reasonable timeline for improvement. The unit member shall have the right to Association representation throughout the "on-notice" placement.
  - e. A non-probationary unit member failing to adequately meet District and/or building expectations as outlined in the "on notice" placement may be removed from their extra duty position. A non-probationary unit member who engages in serious misconduct, such as misconduct that impacts student safety, may be removed from their extra duty position without being placed "on notice."

As communicated at 19:45pm on 2026-05-05

6. All unit members assigned extra duties (for which compensation is paid) shall receive an addendum prior to the commencement of that activity including salary to be paid.
7. Salaries for any extra-duty position created during the term of this Agreement shall be negotiated with the Association.
8. The Association and the District shall form a joint committee to determine compensation for duties typically assigned to department heads in the past.
9. Coaches whose teams advance to postseason playoff games shall have the additional days prorated and paid using their current coaching daily rate as the basis for such pay.
