FROM THE PRINCIPAL

Dear Parents and Community Members,

Margaret Scott Elementary School's mission is to create scholars who can grow their minds, give their personal best, and show care and concern for others.

We continue our work with our School Improvement Grant by increasing learning time, supporting our students and families with community resources, and keeping our instruction intentional and focused.

We want to forge strong relationships with families and our larger school community. We welcome your ideas, suggestions,

and support!

It is very important for students to be at school every day in order to learn. Please help us improve our attendance rate to 95% or better. If you need support to help your child attend school every day, please let us know!

We are excited to take this journey and invite you to partner with us. Together, we can ensure success for all of our students!

Thank you,

Principal | Debbie Nicolai
