FROM THE PRINCIPAL

Dear Parents and Community Members,

Margaret Scott Elementary School's mission is to create scholars who can grow their minds, give their personal best, and show care and concern for others.

We continue our work with our School Improvement Grant by increasing learning time, supporting our students and families with community resources, and keeping our instruction intentional and focused.

We want to forge strong relationships with families and our larger school community. We welcome your ideas, suggestions,

and support!

It is very important for students to be at school every day in order to learn. Please help us improve our attendance rate to 95% or better. If you need support to help your child attend school every day, please let us know!

We are excited to take this journey and invite you to partner with us. Together, we can ensure success for all of our students!

Thank you,

Principal | Debbie Nicolai

The Oregon Department of Education (ODE) will not assign summative, overall ratings to schools on the 2016-17 report cards given the upcoming implementation of the Every Student Succeeds Act (ESSA) in 2017-18. However, the ODE will report indicator ratings (e.g., achievement, growth, graduation, etc.) for each school and student group on the 2016-17 Report Card (RC) Rating Details reports. These reports are accessible at <http://www.oregon.gov/ode/schools-and-districts/reportcards>. For more information about ESSA and the redesign of the school and district report cards, please visit <http://www.oregon.gov/ode/rules-and-policies/ESSA>.

SCHOOL PERFORMANCE

Performance of students enrolled in the school for a full academic year

Did at least 95% of the students at this school take required assessments? Yes No, Interpret Results with Caution
Participation rate criteria are in place to ensure schools test all eligible students.

2014-15 was the first operational year of the new English language arts and mathematics assessments.

The Smarter Balanced and alternate assessments have four performance levels where levels 3 and 4 are meeting the standard for school and district accountability.

See report cards from previous years to view historical OAKS performance data.
