Hello Margaret Scott Families,

We are so excited to welcome and transition our students to a Hybrid Learning Experience for the remainder of the school year. Going forth we want to express our commitment to a clean, healthy, and engaging school environment that will include opportunities to build community and receive tutoring and intervention support to help re-engage students in the traditional learning experience. Below you will find some information that will guide you successfully into Hybrid.

- Bus Transportation will be provided for students that live within Reynold S.D. boundaries
- (Please refer to the school website for bus pick-up and drop off times) [Reynolds.k12.or.us/district/margaret-scott-elementary-bus-schedule](https://reynolds.k12.or.us/district/margaret-scott-elementary-bus-schedule)
- Students are asked to bring their computer devices to and from school daily.
- Students will receive instruction from their assigned classroom teachers
- Comprehensive Distance Learning will still take place in the morning from 8:30-11:30. Classroom teachers will send information and updates through REMIND and SEE-SAW webpage
- School supplies will be on site for students (All students will receive their own individual supply bag that will not be shared with other students)
- Students will be placed at individual desks/tables 6 ft apart or more
- If students are not feeling well, please DO NOT send them.
- If students become sick or injured at school, a staff isolation room has been established.
