

Map the Room

Draw a map of the room by identifying and drawing where different things in the room are placed.

What You Will Need

- Paper
- Marker

Instructions:

- Draw a rough outline of any room in the house like your child's bedroom.
- Mark the entrance to the room.
- Make a list of things in the room like bed, dresser, side table and so on.
- Ask your child to draw these items in the same positions as they are placed in the bedroom.
- Alternatively, they can mark a cross where the object is placed in a room and name the object.
