Hall of Fame Biographies

Mike DeBois (1962-1966)

Mike was a three-sport standout in football, basketball and track and field. During his senior year, he earned all-conference honors as a quarterback and safety on the 1965 state runner-up football team. Mike went on to compete in football and track and field at Lewis and Clark College.

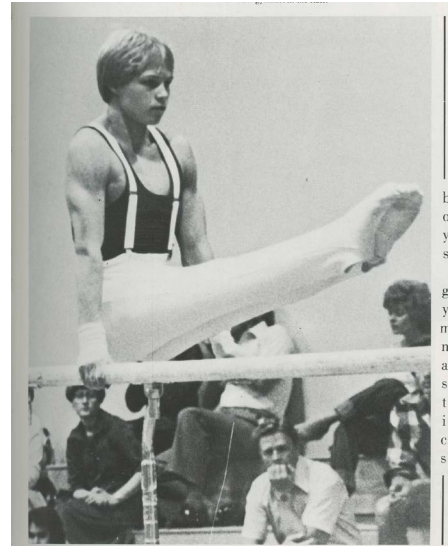

Mike Galloway (1969-2003)

Mike was a highly successful coach of multiple sports at all three of the district's high schools. He is one of the few coaches to have the distinction of serving as a Lancer, Charger and Raider.

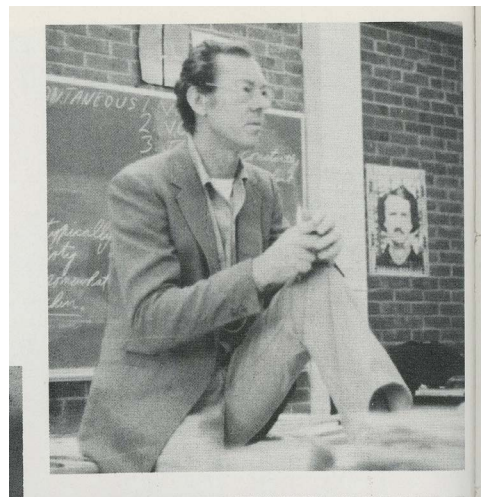

Wendell Wetzell (1978-1982)

Wendell was a state champion gymnast at Columbia High School. He won multiple individual state titles as he led the Chargers to Columbia's first state team title in 1982. Wendell went on to compete at Brigham Young University.

1965 Football Team

Under the direction of Dutch Kawasoe, the Lancers won the Wilco League title and ran their record to a perfect 11 - 0 before falling to David Douglas in the state championship game 13 - 20. The squad was led by a number of all-state players, including the legendary Butch Woodward, who was inducted into the Hall of Fame in 2012.

Jerry Kalapus (1961-1995)

Jerry's boys' tennis teams won numerous conference titles over several decades. He is also a beloved teacher who still works as a substitute in the Reynolds School District and in 2012 was named Oregon's Substitute Teacher of the Year.

Special thanks to all of the interviewees, Emily Barron, and the Reynolds Production Graphics and Leadership: Video and Media Production students. Additional thanks goes to Andrea Watson for her assistance with printing.
