

## WHAT YOU SHOULD KNOW ABOUT

# THE FSA ID

It allows students and parents to identify themselves electronically when accessing our websites.

It consists of a username and password that you create. It's not assigned to you.

Having an FSA ID is the fastest way to sign and submit your FAFSA® form online.

It's also required for exit/entrance counseling, checking your student loan balances, and applying for an income-driven repayment plan.

If you don't already have an FSA ID, you can create one at [fsaid.ed.gov](https://fsaid.ed.gov)

## FSA ID Tips

- One of your parents might need an FSA ID. Not sure? Check out [StudentAid.gov/dependency](https://StudentAid.gov/dependency).
- If parent's information is required, they will need to sign the FAFSA. You need to create your own FSA ID and your parent needs to create his or her own FSA ID.
- If you forget your FSA ID username and password, click the link "Forgot My Username" and "Forgot My Password."
- Do not forget your "Save Key." Using your "Save Key" allows students to go back to their last save on their FAFSA Application.
