IMPORTANT: It may take 1-3 business days for your FSA ID accounts to be verified once you create them. Students & at least one parent should create their FSA IDs at least **THREE DAYS** *before* coming to FAFSA Night, once you receive an email that the verification process is completed. Students cannot start the FAFSA until the verification process is complete.

WHAT TO BRING:

Most HS students are
DEPENDENT STUDENTS,
which means parent(s) info is
required on the student's FAFSA
until they turn 24 years old

- **Chromebook**, laptop, or electronic device
- **FSA ID**—secure & unique usernames/passwords, created by the student & at least one parent, to sign & submit the FAFSA electronically.
<https://studentaid.gov/fsa-id/create-account/launch>
- **Social Security cards & Permanent Resident Cards** (*aka green cards*), if you have them. Social security #s, Permanent Resident #s, & legal names, exactly as listed on your cards.
- **2022 Federal Taxes—IRS Form 1040** (if student / parent(s) worked & filed taxes in 2022.)
- **Other financial records**
Current checking/savings balances, untaxed income (disability, workman's comp, unemployment), retirement/pension payments, Veterans' benefits, child support—paid & received, or any other unreported income & financial info.
