Required Textbooks/Materials: Chromebook or other electronic device from which you can access the course materials.

Course Description – Credit Recovery is a proficiency-based course that covers the skills required for fluid Reading, Writing, Speaking, Listening, and Language.

Course Requirements – Complete assigned coursework to meet State Standards.

Grading Policy Description – Passing requires evidence of proficiency on all grade level coursework. Student may retake any assessments twice and will be assigned a new assessment if needed as required. There is not penalty for multiple assessments and students will be released once they have completed and passed the required coursework. There is no traditional grade assigned. You will receive a P on your transcript once you have completed the proficiency requirements for the coursework.

Attendance Requirements – Student attendance is required, and students may be dismissed from course if they do not attend regularly. This course is an optional method to recover credit and there is a waitlist. You may be removed from the course if you are not making adequate progress, so please communicate with Ms. McCarl about any absences or barriers to completing assigned work.
