Instructor Name Keely Parrish **Phone with ext.** 503-667-3186 x1209
Room Number 209 **Email Address** kparrish@rsd7.net

Required Textbooks/Materials: Chromebooks, ULS (Unique Learning System), Worksheets on the monthly topics

Course Description – This class will discuss a variety of subjects from Earth Science, History, Geography, Physical Science, Government, Economics, Scientific Inquiry, and Solar System.

Course Requirements – Students participation is required, reading and writing on assignments and work we do in the classroom. Students must be in class and have their work caught up in order to participate in outside activities. If a student misses a day, they are responsible for getting the work they missed.

Grading Policy Description –

Homework: Students will be given homework packets every two weeks. These packets are worth 30% of the class grade.

Classwork: Students will be required to participate in classroom discussions and to finish class worksheets. Classwork is worth 30% of the grade.

Mastery: Students will be given assessments at the end of each chapter we read in class. These points are worth 40% of the grade.

Letter Grade Description & Percentage Breakdown

(The following is our current language in the course catalog)

Grade Percentage	Letter Grade	Description
100% - 90%	A	The student fully understands the content and the course objectives have been mastered.
89% - 80%	B	The student understands the content and course objectives at an above average level.
79% - 70%	C	The student understands the course content and course objectives at an average level.
69% - 60%	D	The student understands the course content at a below average level and a minimum of course objectives are met.
59% - 0%	F	The student has not met a sufficient number of course objectives to pass a minimum level and receives no credit.

Late Work/Retake Policy – Students are given a week grace period to catch up and retake any assessments on the work they have missed while they are absent.
