Notice of School Improvement Status

Dear Parent/Guardian:

We're sending you this letter because you have a child or children enrolled in **Reynolds Middle School**. This school has not made Adequate Yearly Progress (AYP) this past year under federal No Child Left Behind legislation and is receiving federal Title funds. We are obligated by law to notify families that we are now in **School Improvement** status.

Schools Improvement status means we are entitled to additional federal funds to improve student learning. We will notify you of any changes or additions to program to enhance your child's academic experience.

Please feel free to contact administration should you have questions.

Sincerely,

Christopher Russo
Principal, Reynolds Middle School
