School Goals

As a Reynolds Middle School community our mission is: The RMS Family is built on relationships. We foster growth through collaborative, culturally-rich, relevant, and challenging instruction. We promote passionate learning to inspire productive members of humanity who positively contribute to a changing world. Similarly, our vision is: "The RMS Family will learn and grow as productive members of humanity by celebrating and building upon the richness of our community." Moreover, we are committed to meeting students where they are, academically as well as socially and emotionally.

State Goals

The Oregon Department of Education is collaborating with school districts and communities across the state to achieve a 90% on-time graduation rate by 2027. Grounded in the pillars of Academic Excellence, Belonging and Wellness, and Reimagined Accountability, ODE prioritizes evidence-based practices to boost early literacy, attendance, and student engagement. We are committed to closing opportunity and achievement gaps for marginalized students and securing long-term success for all of Oregon's learners by investing in culturally responsive practices, fostering inclusive environments and always driving for continuous improvement.

Safe & Welcoming Environment

Our school strives to ensure all students and their parents feel welcome. We provide interpreters for all school meetings where parents are present. All communication sent home via Parent Square and newsletters are translated for easy access. To ensure a safe, secure learning environment for all students, we participate in PBIS.
