

**FROM THE PRINCIPAL**

Dear Parents and Community Members,

This mission of Salish Ponds Elementary School is to foster a collaborative community that champions rigorous academics and thoughtful citizenship to inspire each and every student toward a future of endless possibilities. As I come to Salish Ponds as the new principal, my goal is to make sure we are working towards our mission. It is my commitment to you that your student will receive a rigorous and relevant education that is focused on the common core state standards and the Oregon state standards. At the same time, we will prepare your student to be a contributing citizen to our community.

I look forward to working with you and your student. If for any reason you are not completely satisfied with your student's experience at Salish Ponds, please come and see me. I appreciate the opportunity to educate your student at Salish Ponds.

Thank you,

Principal | Damian Reardon

**OVERALL SCHOOL RATING** HOW ARE STUDENTS AT THIS SCHOOL PERFORMING COMPARED TO THOSE AT OTHER SCHOOLS?

The overall school rating is intended to summarize this school's particular successes and challenges. It is based on a combination of up to five factors. Three of these factors come from standardized test scores in reading and math: student achievement, student growth, and the growth of underserved subgroups. Please note that this rating is based mainly on high-stakes testing and, accordingly, doesn't represent a complete view of your school's performance. Other aspects of this report card are designed to put this rating in the proper context.

The U. S. Department of Education has given the State of Oregon approval to temporarily suspend the assignment of school ratings during the transition from the Oregon Assessment of Knowledge and Skills (OAKS) to the new college and career readiness assessments. Schools will not receive an overall school rating on this report card and will receive a new overall school rating on the 2015-16 school report cards.
