

## School Song:

Rise and shout the Stingers are out  
As we pursue our education  
Rise and shout our cheers will ring out  
We will be strong to lead the nation  
We are here to work and to grow  
We want to lift and help each other  
We were born to win  
To face the future with a grin  
To be the very BEST is our rule  
We are the Stingers of Sweetbriar School!
