#### FROM THE PRINCIPAL

Dear Parents and Community Members,

The Oregon Department of Education annual report card provides detailed information on the percentage of students that are meeting state benchmarks in reading and in math. The score takes into account both student growth and student achievement. A report card rating of 4 is evidence of the quality program that is provided at Walt Morey Middle School. We are extremely proud of our accomplishments, but also realize there is much work to be done.

Walt Morey is committed to continuous improvement. This year we will strengthen our professional learning community model as we focus our efforts on closing the achievement gap.

Through an emphasis on sheltered instruction, technology integration, and positive school culture, we will work collaboratively to ensure that all students are challenged to meet their academic potential and are equipped with the tools necessary for 21st century success.

Thank you,

Tanya Pruett Principal

#### **OVERALL STATE RATING** HOW ARE STUDENTS AT THIS SCHOOL PERFORMING COMPARED TO THOSE AT OTHER SCHOOLS?

The overall state rating is intended to summarize this school's particular successes and challenges. It is based on a combination of up to five factors. Three of these factors come from standardized test scores in reading and math: student achievement, student growth, and the growth of underserved subgroups. Please be aware that this rating is based mainly on high-stakes testing and accordingly, represents a limited view of student performance. Other aspects of this report card are designed to put this rating in the proper context.

Compared to all schools statewide in 2013-14, this school is rated as Level 4.

Level 1 = Falls into the bottom 5% of schools

Level 2 = Falls between 5% and 15% of schools

Level 3 = Falls between 15% and 44% of schools

Level 4 = Falls between 44% and 90% of schools

**Level 5** = Falls into the top 10% of schools

Compared to middle schools with similar student demographics in 2013-14, this school's rating is about average.

**Below average** = Falls into the bottom third of comparison schools

**About average** = Falls into the middle third of comparison schools

**Above average** = Falls into the top third of comparison schools
