INFORMATION REGARDING SERVICES ACCESSIBLE FOR RSD FAMILIES
AND STUDENTS

Call 211 for everything! If you need housing, please to sign up for the **Mobile Housing Waiting List**. Families without stable housing can call **211** and request to be on the list. This list will give you access to shelter beds in Multnomah County. Your family will also be assigned a housing case manager to assist you with barriers to housing and you will be prioritized for low-income apartments.

If you are facing an eviction notice, you should call Human Solutions or another culturally specific agency (**IRCO, SEI, NAYA, Latino Network**) to access the agency's limited eviction prevention funds.

Families who are patients-of-record with **Wallace Medical Concern** can access a new housing program through the clinic. Wallace has two clinics in the area: one at 181st and Burnside in the Rockwood Building and one in Gresham at 254 NW Burnside Rd.

Lents Family Center, a new shelter on the Eastside, is operated by Portland Homeless Family Solutions and has 26 private rooms, showers, kitchen, etc. Again, the shelter is accessed through 211.

My Father's House is a private, faith-based homeless shelter at 5003 W. Powell in Gresham. Families need to call the shelter directly and schedule an intake. The intake line is **(503)492-3046**. This shelter also owns apartments next to the shelter which are available to families who successfully complete the program components.
