

Hello 8th Grade Students and Parents,

Congratulations on your upcoming completion of middle school. This is a reminder that we will have a drive through celebration in the parking lot from 2:00 PM to 5:00 PM. All students will receive a promotion certificate and goody bag. In order that our live DJ can announce your name and your homeroom teacher can give you your certificate, please write the following on a piece of paper & tape it to the car window on the right-hand side:

- Student name (First and Last)**
- Homeroom teacher name**

We will also have a photo station at the end of the line by the cafeteria. Students and families are welcome to exit their vehicles for a photo, but please be courteous to other cars in line and keep your pictures short. You also will be required to wear your mask at all times when you are not taking a photo.

At 6:30 PM, we will email our 8th Grade promotion video to 8th grade families to watch from home. During the video, we will share a special message for the 8th grade class and announce academic and perfect attendance awards. Homeroom teachers will announce the names of their students in recognition of their achievement.
