

Dear Parents and Community Members,

The enclosures contain the newly redesigned Oregon Department of Education's Report Card. The comprehensive redesign includes the following features:

- *School Profile* is meant to provide an overview of the school's most significant characteristics—those aspects that are likely to impact student test scores or other academic outcomes.
- *Overall State Rating* provides a summary measure of student performance.
- *Academic Progress* describes the extent to which students are making progress on standards-based tests.
- *Outcomes* reports key measures of success for all students and student subgroups.
- *Curriculum and Learning Environment* characterizes the school's programs, resources, and additional associated indicators of success.

We are proud to report that Wilkes' students demonstrated the following successes:

- An overall rating of Level 4—an increase from a Level 3 in the 2011-12 school year.
- Assigned the highest possible rating, Level 5, in the area of student growth.
- 95% attendance—the highest level in the past 5 years.
- An increase in math and reading outcomes for all students.

We are dedicated to increasing student growth and achievement through specific strategies that will help to improve instruction and to empower students to be successful.

Sincerely,

Lisa McDonald

Principal, Wilkes Elementary School

FROM THE PRINCIPAL

Dear Parents and Community Members,

The Oregon State Report Card offers school performance feedback to school districts and communities. The current rating system (levels 1-5) reviews overall performance, achievement and growth.

Wilkes is extremely proud of an overall rating of Level 4 in the 2012-13 school year. Wilkes' staff has given specific attention to standards-based planning tools, explicit learning objectives, and differentiated learning experiences. We credit our Level 5 student growth rating to these strategic actions as well as the great effort of our students. Their perseverance, strength and will helped them achieve this growth. We believe in our students and have

high expectations of our system.

Our goal is to become a model school, which will require our system to further accelerate student growth to ensure academic achievement benchmarks are met. We have already begun identifying areas of future improvement. Keep your eye on Wilkes Elementary; our students are rising to the top!

Thank you,

Principal | Lisa McDonald

OVERALL STATE RATING HOW ARE STUDENTS AT THIS SCHOOL PERFORMING COMPARED TO THOSE AT OTHER SCHOOLS?

The overall state rating is intended to summarize this school's particular successes and challenges. It is based on a combination of up to five factors. Three of these factors come from standardized test scores in reading and math: student achievement, student growth, and the growth of underserved subgroups. Please be aware that this rating is based mainly on high-stakes testing and accordingly, represents a limited view of student performance. Other aspects of this report card are designed to put this rating in the proper context.

Compared to all schools statewide in 2012-13, this school is rated as Level 4.

- Level 1** = Falls into the bottom 5% of schools
- Level 2** = Falls between 5% and 15% of schools
- Level 3** = Falls between 15% and 44% of schools
- Level 4** = Falls between 44% and 90% of schools
- Level 5** = Falls into the top 10% of schools

Compared to elementary schools with similar student demographics in 2012-13, this school's rating is above average.

- Below average** = Falls into the bottom third of comparison schools
- About average** = Falls into the middle third of comparison schools
- Above average** = Falls into the top third of comparison schools
