Issue 9 5/2017

Dear Families,

I hope this note finds you well!

With any luck, we'll all see some sunnier, drier days in the coming month!

As you know, Spring is a busy time at school and it's often when students make their greatest gains in learning! Please be sure that as the days get longer that the children are still getting plenty of rest at night.

Grades 3, 4, and 5 are busy with the Smarter Balanced tests. Please make sure your child is well rested and has a healthy breakfast to help ensure they do the best they can on the Smarter Balanced test.

Also, I am happy to announce that Woodland will be offering summer school again this year. Applications and more information will be going out within the next few weeks.

I'm looking forward to the end of the year and all the exciting things that it brings! Happy Spring everyone!

Sincerely, Rob Robinson, Principal
