Woodland's staff of lifelong learners is dedicated to making sure that each and every child can perform to the best of their ability and has the necessary support to be successful.

### State Goals

The Oregon Department of Education is working in partnership with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2025. To progress toward this goal, the state will prioritize efforts to improve attendance, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.

### Safe & Welcoming Environment

Our school strives to ensure all students and their parents feel welcome by creating a nurturing and positive environment. Our staff creates, implements and improves a positive and safe learning environment as well as participates in restorative justice practices so that each and every student can feel and be successful.
