 Spring Break

April:
 12th No School
 Grading

May:
 31st No School
 Memorial Day
 Observed

June:
 16th Last Day of School

A Message from Our Principal:

Dear Woodland Families,

The end of the year is a time for reflection, I'd like to thank you again for your help in making the transition to distance learning and for all the support your giving to students, with us, helping them learn to be kind, safe, thoughtful people. This is such an incredible community, and I'm grateful for the opportunity to work in it.

During the Winter Break, you'll still have access to your children's learning platforms, they may use them. Also, one of the best things we can help students with at home is to read each day for 20-30 minutes. Reading helps all students learn and is one of the most important things we teach in elementary school.

Of course, reading isn't the only skill children can work on with students. You can help them with math concepts by having them talk through how they solve a math problem, or have them help measure ingredients while cooking, or having them help find best prices and values when you're shopping. You can also help with writing by having a journal kids can write their ideas and stories in at home.

All of us at Woodland appreciate your support, and hope you have a great break, spending time with family and friends.

We wish you a warm, wonderful break, and are looking forward to a bright, new year!

With kindness,
 Rob Robinson

Supply Distribution

Wednesday's, December 2nd, 9th and 16th we will be handing out supplies and packets for students from their teachers from 8:00 AM to 10:00 AM and from 3:00 PM to 5:00 PM. (If you are coming between 11:30 – 12:30 to get lunch, you may also pickup supplies then)

You should only come in if your child's classroom teacher tells you there is something to pick up. You don't need to come in otherwise.

When you drive up, you'll be asked to give your child's name, grade and teacher. You may pick up materials for children other than your own and if you can't make it in, we will be delivering on Friday's so please watch for an autodialer on Thursdays for the stops and delivery times.

Hooray for our Terrific PTA!

*The Woodland Staff would like to
Thank our Wonderful PTA!*

*We appreciate the year-round
support they give
Woodland Elementary
Students, Families and Staff!
Here's wishing them and their families a
restful and healthy Holiday Season.*

Annual Notice about State Assessments

Oregon state law requires all districts to inform parents that a form is available from the Oregon Department of Education that provides the opportunity to opt your child out of the ELA and Math assessments. The form must be filed annually and is available in multiple languages.

The forms can be found on the district website: <https://www.reynolds.k12.or.us/district/parent-exemption-guidelines-state-testing>.

What is the Adapted At-A-Glance School Profile?

The At-A-Glance School and District Profiles are an overview of a school or district and its accountability data. The audience is parents and families, and the goal is to provide a brief overview of the school or district in a format that is easy to read. Due to missing 2019-20 data, the At-A-Glance School and District Profiles were adapted to still meet this goal.

Your school's At-A-Glance Profile can be found on the school or district website, as well as on the Oregon Department of Education's link:

<https://www.oregon.gov/ode/schools-and-districts/reportcards/reportcards/Pages/Adapted-At-A-Glance-1920.aspx>
